Re: Urban League of Greater New Brunswick, et als vs.
Mayor & Council of the Borough of South Plainfield,
et als.

Dear Eric:

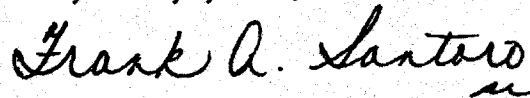

At the request of Mayor Michael English and members of the Council, I have prepared for your consideration the enclosed Consent Order, which would allow for the use of the \$250,000.00 of the escrowed land sale proceeds.

The use of these proceeds is strictly limited to developmental seed capital and engineering and site plan work to be conducted on behalf of the Borough's commitment to the construction of its Morris Avenue Senior Citizen Housing Complex.

If the provisions of this Consent Order are agreeable to you, would you kindly sign same on the original and copies and return them to me for filing with Judge Serpentelli.

Thank you for your kind consideration and cooperation.

Very truly yours,

FRANK A. SANTORO

Re: Urban League, et al. vs. Carteret, et al.

Dear Mr. Santoro:

I have received your letter of July 28 asking us to consent to use of the escrowed funds for work on the Morris Avenue Senior Citizen Project. We would, of course, be glad to consider such use but your letter provides no details whatsoever as to the plans and the kind of work that you intend. If you were to forward us a complete description of the plans for the project, the consultants to be hired, and the work they are to perform, we would be glad to give the matter our most serious attention.

Sincerely yours,

Eric Neisser
