Re: Urban League of Greater New  
Brunswick v. Borough of  
Carteret

Dear Mr. Nelson:

I have reviewed the Agenda for the Piscataway Planning Board's Regular Meeting of December 12, 1984, which I received in yesterday's mail.

I believe that the notice regarding the Urban League litigation contained in the Agenda with respect to item 19 is satisfactory and conforms to the Judge's temporary restraints in that matter. I write only to point out that I believe a similar notice should be included with respect to items 10-13 (application of Pelmont Builders on Block 823, Lot 6). This site is included in site 60 which has been deemed satisfactory for Mt. Laurel development by Ms. Lerman. The specific lot and block are also listed on a document prepared by the Township Planner entitled "Site #60: Existing Land Use, By Block."

If you have any questions in this regard, please feel free to call me. Thank you for your
