Dear Judge Serpentelli:

This letter is to request your assistance and consideration for the release for purchase of Lot 1 in Block 813 in Piscataway, New Jersey.

This property is adjacent to my residence. The purpose of this purchase is two fold, first to build a home for my parents who plan to retire in the near future, and secondly to protect my property value.

This property has set idle for some time now, thus making it a dumping ground and a Saturday morning automobile repair location. I have already at some expense to myself cleaned rubbish and other trash from this property.

Should you need any further information regarding my interest or intended use of this property, please feel free to contact me at the above address.

Sincerely yours,

Winston H. Maddox
