RE: Piscataway

DATE: May 24, 1985

Talked to Russ today re outstanding motion. He said he called Salsburg yesterday and he wanted it set down on short notice next week. Judge Serpentelli disagreed with a short notice procedure and requested all parties be advised of a return day in accordance with the Rules. Russ indicated that "Hopefully, the findings will be done before the return day." Russ said to do nothing until receipt of a letter from Salsburg.
