Re: Urban League vs. Carteret  
Docket No. C-4122-73  
(Piscataway)

D  
Dear Judge Serpentelli:

You have recently received a number of comments from counsel regarding the proposed form of order submitted by Barbara J. Williams, Esq. I particularly reference Mr. Paley's letter of August 14, 1985 and, in general, join in the objections noted, with particular reference to paragraph M. The continuation of the restraints would add an intolerable burden and delay, particularly to the interest of Mr. Saker.

P  
I would think rather than engaging in voluminous correspondence that a hearing to settle the form order, now or at the time of Mr. Paley's anticipated motion, would better serve to resolve all conflict.

Respectfully,

Richard M. Salsburg
