Docket No. A-4681-75

Re: URBAN LEAGUE OF GREATER NEW BRUNSWICK
ET AL VS. THE MAYOR AND COUNCIL OF
THE BOROUGH OF CARTERET, ET AL

Dear Sir:

A Notice of Appeal was docketed on August 19, 1976 under the above docket number. Please make sure that this number is shown on all communications and papers, including briefs, appendices and transcripts hereafter submitted for filing.

The Court has requested me to direct your attention to the fact that the time prescribed for perfecting an appeal cannot be extended by consent of counsel but only by the Court for good cause shown. Applications for extension of time, if needed, may be by verified petition and original and one copy of consent order, which are to be submitted to this office for forwarding to the Court for approval. Failure to obtain consent will necessitate a formal Notice of Motion.

The Court has also requested me to remind you that counsel should only expect to add new cases when they have been reported after the preparation of the brief. As soon as such cases are discovered they should be brought to the attention of the Court by submitting them in quintuplet to this office with a copy to other counsel appearing in the case.

After the appeal becomes a "ready" case, counsel should alert the Clerk's office as to any vacation plans or emergent situation so that oral argument, if requested, may be scheduled on a convenient date.

Very truly yours,

Elizabeth McLaughlin
