CIVIL ACTION

THE MAYOR AND COUNCIL OF THE BOROUGH )  
OF CARTERET, et al )

AFFIDAVIT

Defendants. )

GILBERT L. NELSON, JR., of full age, being duly sworn  
says:

1. I am the Attorney for the City of New Brunswick, a municipal corporation of the State of New Jersey.
2. As stated in the Complaint in this action, the majority of Middlesex County's low income families, both white and non-white, reside in New Brunswick and Perth Amboy.
3. As stated in the Complaint, many of these families either desire or by necessity need to live in the defendant municipalities.
4. As stated in the Complaint, it is believed that the interests of all the parties involved will be best served if all the communities of Middlesex County are intergrated to the extent that low and moderate income families may live in the same municipalities as high income families.

5. To provide fully for such integration New Brunswick must be better able to attract high and middle income families while maintaining a portion of its low and moderate income family population, but not necessarily being forced to increase the latter proportion.

6. In order to accomplish this it is necessary that the defendant municipalities be ordered to cease exclusionary zoning practices, so that a portion of New Brunswick's low and moderate income persons may reside in those municipalities, and that the plaintiffs be granted the other relief prayed for in the Complaint.

7. In light of the foregoing, the City of New Brunswick, respectfully requests that it be permitted to join as a plaintiff in this action, on the ground that it has an interest in the subject of the action and is so situated that the disposition of the action in its absence may as a practical matter impair or impede its ability to protect that interest.

DATED:
