RE: Urban League of Greater New Brunswick
vs. Carteret, et als.
Docket No. C-4122-73

Dear Judge Furman:

Pursuant to the agreement reached with the attorneys for the Urban League, I am forwarding to you this proposed Order. I am also arranging for some additional documents to be supplied for review by the plaintiffs and their consultant, Mr. Mallach. I have also extended to Mr. Mallach the invitation to come to Sayreville to make a physical inspection of the properties involved and to meet with our planning consultant and myself along with our housing assistance administrator to review our programs.

I am optimistic that he will accept our invitation as I am certain it would expedite the resolution of the Borough's status. I would assume that you should hear from plaintiff's counsel within a short time expressing their consent to execution of the Order. However, if their consent is not forthcoming within a reasonable time, I shall act to have the Borough's Motion relisted as we are most anxious to have this matter terminated before the end of the year.

Respectfully yours,

Alan J. Karcher,
Borough Attorney
