Dear Roger:

I have enclosed a statement for work done during December, on the Sayreville matter. Although the urgency is not as great as it was a month ago (although that should not serve as a pretext for letting this sit around your office), I am sending this now since I feel obligated to raise my billing rates as of January 1. We have been billing at the same rates since 1975, and the time has come. As of January 1, I will (barring objections from NCDH, which I cannot imagine) bill my time at \$40/hour, and John Prior's at \$25/hour.

I will be in touch to pursue the Sayreville situation with you after I come back from my vacation, on or about the 9th of January. Have a happy new year.

Sincerely,

A handwritten signature in black ink, appearing to be 'Alan Mallach', written over the typed name.
