Dear Mr. Rosenthal:

This will acknowledge receipt of your letter of December 28, which is allegedly confirmatory of our telephone conversation of Thursday, December 22.

Before submitting my recommendations to the Mayor and Council that the three amendments outlined in your letter be made, I wish to make it abundantly clear that the representations made with regard to the Borough's willingness to take any further action was solely contingent upon your representation that upon completion of same you would acknowledge your consent to the entry of an order for dismissal.

When I have this representation from you in writing, I shall proceed to have these changes adopted. If that is not our understanding then I will be forced to bring the entire matter formally before Judge Furman and we shall be governed by his determination.

Awaiting your further advice, I remain,

Yours very truly,

Alan J. Karcher
Borough Attorney
