Re: Urban League of Greater New Brunswick,
et al. vs. The Mayor and Council of the
Borough of Carteret, et al.

Dear Mr. Chernin:

This is in response to your letter of
May 22, and in follow-up to our telephone calls
of May 23 and 27.

At this point I do not think plaintiffs
can extend an additional 20 days for answering
all of the request for admissions presented to
South Plainfield. This is especially so in
view of Judge Furman's call for a second conference
on June 20th, with the obvious intent of having
each side exchange as much information as possible
by that time. Plaintiffs are making every effort
to return defendants' requests for admissions
and interrogatories prior to June 20.

We recognize that some of the questions
may necessitate some additional research. In
order to assist you in providing timely answers,
I have below, where possible, listed the source of
our data in preparing the request.

Requests 1 - 4 Borough of South Plainfield
Zoning Ordinance dated June,
1969

Requests 5 - 7 James & Hughes, Modeling State
Growth: New Jersey 1980,

p. 206-210 Center for
Urban Policy Research,
Rutgers University, New
Brunswick, N.J. (1973)

Request 8

Middlesex County Master Plan
(Interim) Table C-1, C-2, C-3

Request 9

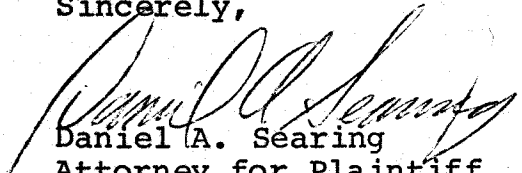

U.S. Bureau of Census Construction
Reports - Housing Authorized By
Building Permits and Public
Contracts - 1973

Request 11 - 15

1960 and 1970 U.S. Bureau of
Census reports for New Jersey,
including census block data.

I hope this will be helpful.

Sincerely,

Daniel A. Searing
Attorney for Plaintiff
