LOUIS E. GRANATA, ESQ.

STATE OF NEW JERSEY) ss.: AFFIDAVIT COUNTY OF MONMOUTH)

LOUIS E. GRANATA, of full age, being duly sworn according to law upon his oath, certifies and says:

1. I am an attorney of the State, the person actually entrusted with the conduct of this action.

2. On March 24, 1981 I was served with a set of interrogatories by the Plaintiff (too voluminous to reproduce for the court's review), 205 pages in length containing 159 numbered questions with lettered subsections. I received them two days later by mail.

3. On March 17, 1981 a consent order was filed extending time for this Defendant to answer to April 10, 1981 (A).

4. The Defendant filed an answer on April 2, 1981, and at the same time filed a Notice of Motion to dismiss the Complaint. The motion was returnable May 1, 1981.

5. On May 1, 1981 the Court carried the Defendant's Motion to dismiss until such time as the Assignment Judge would designate a Judge to hear the entire matter.

6. On May 8, 1981, the Plaintiff's attorney Henry Hill attended a regular meeting of the Defendant Sewerage Authority. I spoke with Mr. Hill informally and told him that I was not commencing my discovery or taking any action on his interrogatories until the Motion to Dismiss was determined. He did not indicate in any way that he would oppose the "tolling" of time on discovery. 7. On May 15, 1981 the Plaintiff, through Mr. Hill served notice to take depositions upon me. to be heard on June 2, 1980. (B).

8. I telephoned Mr. Hill and asked him to put the depositions off until after the Motion was determined (At this time the Assignment Judge had not designated a Judge). Mr. Hill would not consent. I wrote to Mr. Hill on May 19, 1981 emboding the "objections" I had to the scheduled 'depositions.(C)

9. On May 20, 1981 Mr. Hill replied (D) and stated "We are unwilling to delay discovery indefinitely during the pendency of your Motion."

10. Instead of filing a Motion for a Protective Order, or an extension of time, I wrote Mr. Hill, and the Assignment Judge requesting the Motion be scheduled. I cleary stated that:

" The Plaintiff has served this Defendant with Interrogatories and Notice to Take Depositions. The discovery appears to be extensive and very costly. In the event of the pending Motion is granted, this Defendant will have expended the time and expense unnecessarily. I have asked counsel for the Plaintiff to delay discovery until my Motion is decided. He is unwilling to delay discovery indefinitely." (E).

11. On May 26, 1981 Your Honor scheduled the Motion for June 19, 1981 (F).

12. On June 3, 1981 Mr. Hill and I agreed by telephone and by letter (G/H) to adjourn the depositions until after the Motion. (The sixty days had now run). 1. Salation and the

The second s

13. Throughout: this time we were in constant telephone contact, discus^sing fees for experts, attendance of experts' attorneys and other matters relating to discovery. At no time did Mr. Hill or anyone in his office indicate to me that they were pressing for answers to interrogatories. One June 4, 1981 the very day Mr. Hill confirmed adjournments, He(his office) was executing an Affidavit in support of an Ex Parte Order of Dismissal and Entry of Default. The Order, as prepared by his office, did not even include a provision or notice to me that the Order had been entered, it was added by the Court.

14. My office, the Defendant and myself have, prior to any litigation, dealt openly and honestly with the Plaintiff. Since the litigation has been filed, I have dealt courteously and honorably with Mr. Hill's office in an attempt to resolve the underlying issues without being deceptive... or misleading, and seeking always to cooperate in any reasonable manner.

15. I was surprised and dismayed when I opened my mail on Friday, June 12, 1981 to find an Order dismissing my Answer and Striking my defenses now requiring me to make this application, pay a \$50.00 sanction and face the possibility of having to complete all answer to 203 pages of interrogatories within thirty days. I called Mr. Hill's office and expressed

my displeasure at the "tactic" and asked if this is the way we were to practice during this litigation.

15. I am well aware of our Rules of Professional Conduct and Disciplinary Rules (D.R. 7-101) Mandating that no lawyer shall not knowingly fail to seek the lawful objectives of his client. The Rule also contains a provision that a lawyer does not violate it by:

> ... acceding to reasonable requests of opposing counsel, ... by avoiding offensive tactics, or by treating with courtesy and consideration all persons involved in the legal process."

16. Because of the above, it is most respectfully requested that the Court vacate the Order, allow, in the event the Motion pending to dismiss is denied, an extension of time within which discovery may be heard. And, within the Court's discretion, waiver of sanctions.

Sworn and Subscribed to before me this 15th day of June, 1981.

RE: O & Y OLD BRIDGE DEVELOPMENT CORP. vs. TOWNSHIP OF OLD BRIDGE, et al Docket No. L-32516-80

Dear Mr. Hill:

I have received your Notice to take Oral Depositions of Harry Allen, Joe Romash, Kupper Associates.

I object to the time, place, and method of your request for the following reasons:

1. There is presently pending a Motion to Dismiss the Complaint. The result of that motion may render the taking of depositions moot. It would, therefore, be advisable to delay the scheduling until after that has been determined.

2. Harry Allen, Joe Romash, and "Kupper Associates" are the Consulting Engineers for the Old Bridge Township Sewerage Authority or employees of the Consulting Engineer. As such, their participation in any discovery proceedings would be as expert witnesses. "Discovery of facts known and opinions held by experts" may be obtained <u>only</u> in accordance with Rule 4:10-2(d) of the 1981 Rules Governing the Courts of the State of New Jersey.

3. <u>Rule</u> 4:14-7(b) provides for the taking of a deposition "only in the County of this State in which he resides, is employed, or transacts his business . . .". The Authority's Consulting Engineer and employees are not in Mercer County.

Mr. Hill May 19, 1981 Page Two

I am instructing our experts that they need not attend or respond to the subpoena, until the aforementioned matters are resolved.

Dear Mr. Granata:

HAEL D MASANC

ROBERT A. FELMEISTER GULIET D. HIRSCH JDSEPH C. MAHON ^{3 3}

N M. WALLACK

We are in receipt of your letter of May 19, 1981 in which you advise us that you are instructing Harry Allen, Joe Romash and Kupper Associates not to attend or respond to our Subpoena on the grounds that:

> The place of depositions is in Mercer County and Rule 4:14-7(b) limits the taking of deposition only in the County where the witness is employed or transacts his business.

2. You have a Motion pending.

3. You appear to suggest that we are in some way violating Rule 4:10-2(d).

Please be advised that the place of depositions, SCANTICON, 103 College Road, Princeton, New Jersey is actually located in Plainsboro Township, Middlesex County which is the County where this action is brought, Kupper Associates transacts its business and its employees are employed. I am sure you will agree with me when you have verified the fact that SCANTICON is in Plainsboro Township and although it has a Princeton mailing address is actually in Middlesex County, that Rule 4: 14-7(b) is not applicable.

Louis E. Granata, Esq. May 20, 1981 Page 2

We take the position that Kupper Associates are not expert witnesses pursuant to Rule 4:10-2(d) because they were not hired "in anticipation of litigation or for trial" as "expert witnesses". Kupper Associates are the regular sewer engineers of the municipality and as such have knowledge which we have a right to discover.

والمترج والمحاج و

. . . L

Even if Kupper Associates fall under this Rule, however, we have a right to depose them under Rule 4:10-2(d)(2).

We understand from our telephone conversation with you on May 20, 1981 that you are unwilling to permit us to commence discovery until such time as your Motion for summary judgment is decided. We are unwilling to delay discovery indefinitely during the pendancy of your Motion.

The purpose of this letter is to notify you, since we have been unable to resolve this matter, that in the event Harry Allen, Joe Romash and Kupper Associates do not appear or do not have their attorney call us to arrange an alternate time in early June for us to take their depositions, we will move in court pursuant to Rules 1:9-5 and 1:9-6 of the Rules Governing New Jersey Courts that they be deemed in contempt of court and that appropriate sanctions be applied against them. By carbon copy of this letter we are notifying Harry Allen, Joe Romash and "Kupper Associates" of our position with respect to this Subpoena and suggesting that they get in touch with their attorney promptly regarding this matter. We take the position that they have an independent obligation to comply with a Subpoena issued pursuant to the rules governing the courts of the State of New Jersey irrespective of your advice to them.

Very truly yours, Henry A. Hill
