RE: Woodhaven Village/Leo Stahl/Carla Lerman Letter April 13, 1987

Dear Stew:

You have received a copy of Carla Lerman's August 14th letter concerning the sale of property to Leo Stahl who apparently was employed by Sam Halpern's organization some time in the past. Concern has been raised by Planning Board members regarding the fact that Mr. Stahl although retired still receives phone messages at the offices of Woodhaven Village. In any event, would you please confer with your client and indicate the position of Mr. Stahl in the Woodhaven Village or Halpern organization and the dates of his employment, and why he uses phone facilities at the Halpern offices to receive messages regarding personal matters.

Sincerely yours,

THOMAS NORMAN, Esq.

RE: Correspondence/April 13, 1987

Dear Ms. Lerman:

At an executive session of the Old Bridge Township Planning Board held on April 28, 1987 to consider your letter of April 13, 1987 regarding the sale of property, this office was directed to present specific questions for your response. These questions are as follows:

- . The date on which the agreement for the sale of property was executed?
- . The date that Judge Serpentelli was notified by you of the agreement?
- . The address of the residence of Leo Stahl?
- . The sale price of the land and improvements involved in this sale?
- . The position of Leo Stahl in the Woodhaven Village Organization and the dates when he retired (if known to you)?

Certainly, any explanation or comment with regard to any of these questions may be included in your response.

It is the intention of the Planning Board to submit your letter of April 13, 1987 and the answers to the above questions to Judge Serpentelli for his consideration and decision regarding any real or apparent conflict, if any at all.

Respectfully submitted,

THOMAS NORMAN, Esq.
