Re: Urban League, et al
v. Carteret, et al

Dear Judge Serpentelli:

Please be advised that on June 18, 1987, I received a copy of the letter submitted to you by Barbara Stark, Esq. concerning the Court Master. This letter was apparently delayed because it was forwarded to my old post office box. On June 19, 1987, I received a copy of the response from Thomas Norman, Esq. Please note my objection on behalf of the Township of Old Bridge to the substance and tone of Ms. Stark's letter. Rather than to continue a "war of words", suffice it to say that I join in the statements made by Thomas Norman, Esq. in his letter dated June 16, 1987.

Regarding the claim that no Motion was filed to remove Ms. Lerman as Master, it would appear that none is necessary because Carla Lerman has resigned. The Township of Old Bridge is prepared to join with the Planning Board in submitting a Motion seeking the removal of Ms. Lerman as Master in this case, on the basis of an apparent conflict of interest, if same is necessary.

Thank you for your attention to this letter.

Respectfully,

Jerome J. Convery,
Township Attorney
