Re: Old Bridge

My dear Judge Serpentelli:

Thomas Hall/ Esq., attorney for Olympia & York, informed me of my appointment as Master with respect to the above-referenced municipality's Mount Laurel-related matters. In doing so, he also told me that Fred Mezey, Esq., attorney for Oakwood, informed him that I had some involvement with the original 1971 Oakwood suit against the then Madison Township.

According to my very dim memory, across the 16 intervening years, of what transpired at that time, I was interviewed as a possible expert witness for the plaintiff in that suit, but was not engaged in that capacity. I also do not remember having written any report(s) or performed any other substantive services. All I can say on this subject, however, is that this is to the best of my recollection.

Respectfully yours,

 George M. Raymond, A.I.C.P., A.I.A.
