Re: Monroe Development Associates  
v. Monroe Township

Dear Judge Serpentelli:

I understand that September 27, 1985, has been set for the return date of transfer motions in South Plainfield and Cranbury. These are two of the townships which were originally part of the Urban League v. Carteret cases. As the court may be aware, Monroe Township has indicated its determination also to file a transfer motion. In light of the possibility and probability that there are substantial issues of fact and law which are similar between the Monroe case and those cases already scheduled for a hearing, I would ask that the court order Monroe to file a motion in a timely fashion so as to be returnable on September 27, 1985.

Respectfully yours,

CARL S. BISGAIER
