Dear Mr. Keller:

Attached please find an analysis of your proposal, titled "Summary Report on the Appropriateness of Renegotiating the Consent Order in the Civic League Case," by our housing expert Alan Mallach. Mr. Mallach's analysis mirrors many of the concerns of the legal counsels involved in the original judgement and that of myself. I suggest that you review the document and that adjustments be made in your proposal to address the issues outlined.

If you would like to meet concerning an alternate proposal, once it is submitted, please contact my office.

Sincerely,

C. Roy Epps
President
