Re: Gerickont vs. Piscataway Township, Consolidated
with Urban League of Greater New Brunswick vs.
Township of Piscataway
Docket Nos. L-032501-84 P.W. and C-4122-73

Dear Ms. Lerman:

In connection with your review of vacant land in Piscataway Township, I enclose a copy of the Vicinity Plan of Society Hill at Piscataway now being considered for approval by the Planning Board of Piscataway Township. I also enclose a copy of a Concept Sketch prepared by Hovnanian's engineers showing the proposed development of the adjacent Gerickont farm, parcels 43 and 45 as shown on your list of vacant parcels. The purpose of the Concept Sketch is to demonstrate the compatibility of the proposed developments as well as the integration of road systems for the combined development. I felt these plans would be useful to you in connection with the testimony to be given at the hearing scheduled for either January 14 or January 21, 1985.

Very truly yours,

Raymond R. Trombadore
