Dear Mr. Stonaker:

Pursuant to your request, we have advised C. Roy Epps, President of the Civic League, of the availability of units for purchase by low income households. We have also conveyed your suggestion that the parties meet without counsel to attempt to settle this matter. Mr. Epps has informed us that he does not believe that such a meeting would be productive at this time.

This shall further confirm that you will forward Plainsboro's response to the Civic League's October 2, 1986 proposal no later than Wednesday, March 11, 1987. As we discussed, further delay may leave the Civic League no alternative but to seek the relief to which it is entitled under the Settlement.

Very truly yours,

cc/C. Roy Epps, President
Civic League of Greater New Brunswick

Spoke with J. Stonaker today re: outstanding letter on LinPro Project. He indicated individual who was to write the letter has been on his honeymoon, thus resulting in the delay. He said he would speak to him today and the letter would be forthcoming. As a result, no meeting can be scheduled for Friday with Roy Epps.

Mr. Stonaker also indicated ordinance revisions were reintroduced and first reading will be Monday night. He will send us a copy of the ordinances as revised.
