Re: Woodhaven Village, Inc. vs. Twp. of Old Bridge,
 et als
Docket No. T^Q36734-84 P.WL

Dear Judge Serpentelli:

You have received correspondence recently from some of my adversaries in the above captioned matter, requesting various return dates for the Motion to set aside the Settlement Judgment, and to transfer the matter to CQAH.

However, it was my understanding that the return date for those Motions would be set after you had received a written report from the master, Carla Lerman, as to her thoughts on these matters. I further assumed that all counsel would receive a copy of her report, prior to the time of the return date of the Motions.

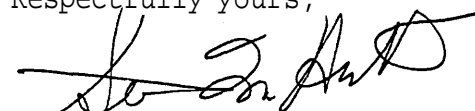

It is also my understanding that there has been various correspondence sent to you requesting the combining of the aforesaid Motions with Mr. Mezey's Motion concerning Oakwood at Madison and the Urban League.

Again, it was my assumption that that Motion would not be consolidated, but would be handled separately at a time convenient to counsel, and agreeable to your schedule.

In view of the above, I would appreciate a communication from you, as to whether the above assumptions are correct.

In short, I am requesting that you exercise your usual judicial discretion in straightening me out, which you have done so admirably in the past.

Respectfully yours,

STEWART M. HUTT
