On motion, the minutes of the previous meeting of June 24, 1963 were approved as submitted, no one in attendance desiring said minutes read.

The Secretary advised that no applications for approval of a subdivision of land are currently pending.

Mr. Slater reported on the current status of the application for Federal Aid in connection with the preparation of the Master Plan. Mr. Slater then read a letter from the Commissioner of the Department of Conservation and Economic Development advising that the State Agency has approved the Township's application for Federal Aid and forwarded said application to the federal agency.

Mr. Agle then submitted a written report dated August 26, 1963 and, after furnishing copies of the report to those in attendance, read the report in full for the benefit of those present.

Following a general discussion of the report, Mr. Agle requested that each member of the Planning Board and the Advisory Committee review the contents of the reports of June 24, 1963 and August 26, 1963 and be prepared to comment on the contents thereof as well as to make any suggestions pertinent thereto at the next regular meeting of the Planning Board to be held on September 23, 1963.
