Dear Mr. Sabor:

Examination of the transcript of the deposition of Paul F. Gavin taken before you on Tuesday, November 2, 1971, reveals two proof corrections which should be made.

Page 84, line 17 should read: "proposal was adjacent to a viable and a going five acre".

Page 85, line 12 should read: "all. I am not sure that this does about it."

I understand that Mr. Lanigan concurs that these corrections should be made. Will you be good enough to attend to them?

Very truly yours,

Nicholas Conover English
