RE: The Allan-Deane Corporation
VS. Township of Bedminster, et al
Docket No. L 36896-70-P.W.

C Gentlemen:

C This will confirm that I have fixed Thursday, May 11, 1972, at 1:30 p.m. at the Court House for the pretrial conference in the above matter.

P Counsel must confer in advance pursuant to R. 4:25-3 and stipulate as many facts as can be agreed upon. Pretrial memoranda covering the same items and in the same order as are required to be specified in the pretrial order must be prepared by each attorney pursuant to the same rule and forwarded to me, along with any stipulations of facts, at the Court House, three days before the conference.

When the suit, in whole or in part, is in lieu of certiorari, to review the action of governmental bodies or agencies, or is in lieu of other prerogative writs involving such action, certified or agreed copies of all ordinances, minutes, resolutions and all exhibits admitted at the hearing below, the transcript of the proceedings below and other pertinent matters should be ready for presentation and marking in evidence at the pretrial conference.

Counsel should be aware that briefs will be required and should have their research completed to the extent that they will not be burdened by any requirement that briefs be submitted within a few weeks of the pretrial conference.

Very truly yours,

B. Thomas Leahy, J.C.C.
