Re: Bernards Township advs Allan-Deane
Docket No. 25645 P.W.

Dear Mr. Ferguson:

Mr. Wintermute has referred to me the Notice of Motion in the above matter which you had requested be heard before Judge Lucas on June 15th.

This motion will be heard before Judge Gaynor on June 21st, 1979 at 1:30 P.M. Judge Gaynor has now been assigned this case for trial.

Please be advised that the pretrial order provided the date by which briefs were due, which date has passed, and briefs have not been filed. Therefore, all counsel are advised to file their briefs within 20 days following the adoption of the Ordinance.

This case will be tried on September 10th, 1979 at 9:00 A.M., before Judge Gaynor.

I believe this disposes of paragraph A of your Notice of Motion. Judge Gaynor will decide the issues presented in paragraphs B, C and D on the return day of the motion.

Very truly yours,

Wilfred P. Diana
