Transcript of Proceedings of January  
29, 1980, Somerset County Court House  
before the Honorable B. Thomas Leahy  
J.D.R. t/a

Dear Ms. Dribnack:

Pursuant to my telephone conversation with your office of even date herewith, I am enclosing a list of proposed corrections to the transcript which was prepared by your office in connection with the above-entitled matter. The list is submitted with the approval of our office, Mason, Griffin & Pierson, Esqs., McCarter & English, Esqs., and Gary Gordon, Esq., of the American Civil Liberties Union.

We do not mean the enclosed list to be an exhaustive analysis of all typographical and other errors in the transcript. We have focused our attention upon the portion of the transcript which sets forth the court's opinion which is obviously the most significant portion of the transcript. As to the corrections which are not merely typographical, but which call for a change as to the language used, the attorneys who were present in court have attempted to reconstruct the court's remarks based upon their memory of the court's remarks and the common sense meaning of what was said in the particular context in which the court's remarks were made.

I would appreciate your reviewing the transcript, and the proposed list of corrections, and if the proposed list meets with your approval, effectuate the suggested modifications of the transcript. You will note that a copy of the proposed list of corrections is this day being forwarded to Judge Leahy, and naturally your amendment of the transcript should incorporate any comments or instructions which the court might provide in this regard.

Thank you very much for your anticipated cooperation in this regard.

Very truly yours,

HANNOCH, WEISMAN, STERN, BESSER,
