The Honorable Paul Gavin  
Mayor of Bedminster  
City Hall  
Bedminster, New Jersey 07921

Mayor Gavin:

**Subject:** Response to query as to future availability of AT&T property (approximately 52 acres bordered by Route 287 and Schley Mountain Road).

The uncertainties resulting from the December 31, 1983 AT&T divestiture require that we assess all of our real estate holdings. At the present time, we do not have specific plans for the property in question. Given the right set of circumstances regarding timing, price and determination by AT&T that the property is not required for company purposes, the property might be considered for sale.

Should you care to discuss this matter further, please call me at 234-4870.

Very truly yours,
