Dear Mr. Coppola:

I am aware that my property is being considered as part of the Compliance package. I am further aware that the availability of my property for development may be an issue in this case, and I am, therefore, stating to you as the Planner assigned to the Bedminster Mount Laurel II case, that given the right circumstances my property is for sale and I would be willing to sell it for development as part of Bedminster Township's new zoning ordinance which is designed to comply with Mt. Laurel II.

Very truly yours,

Duncan Ellsworth
