Dear Ms. Lerman:

Re: Urban League of Greater New Brunswick  
v. Carteret - Middlesex - C-4122-73

Pursuant to our discussion, I enclose a copy of the order appointing you as the Court's expert in the above referenced matter. I also enclose a list of the counsel involved in this case and the clients they represent.

By copy of this letter I am sending a copy of the order to all counsel so that they may be advised of your appointment. I am also requesting them by copy of this letter, to submit to you all experts reports they have or will obtain pertinent to the issues of region, regional need and fair share.

It is my understanding that you will confirm in writing your acceptance of this appointment and outline your fee schedule. You will note that the order provides for a two step study. The first report should relate only to the issue of region, regional need and fair share. I understand that based on the limited information I have provided you will be able to complete the first phase by October. Thereafter, I will determine if the second phase should be pursued.
