U.L. v. Carter

Memo: potential claim for fees

pgs = 1

yellow p.i. # 4043

MEMO

TO: Attorneys' Fees File  
FROM: Barbara  
DATE: August 13, 1985

Joan's research has revealed the following re: our potential claim for fees --

\* Complaint - no § 1983 claim

Before Judge Furman

- 1) explicit denial of Mallach and other experts' fees re: deposition
- 2) Searing's memo re: November 1976 denial by Judge Furman of all experts' fees
- 3) Order denying counsel fees..

Before Appellate Division

- 1) No appeal of foregoing orders
- 2) reinstatement §3601 claim, §§ 1981, 1982, 13th, and 14th Amendments not reinstated

Before Supreme Court

- 1) "14th and 13th Amendment no longer at issue"
- 2) no issues as to §3601 pursued.

On remand

- 1) Federal claims not pursued.

Based on the foregoing, it is my recommendation we consider dropping the claim for attorney fees.
