\*With the exception of Nevada, all of the other U.S. Jurisdictions listed in this table have a licensing sanction for a violation of the implied consent law. Except for Nevada, therefore, a blank space in these columns does not mean that a jurisdiction does not have such a sanction. It only means that a jurisdiction does not have a mandatory sanction.

\*\*A blank space in these columns for an admin. per se jurisdiction does not mean that it does not have a licensing sanction. It only means that it does not have a mandatory sanction.
