BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. R.S.54:4-23 is amended to read as follows:

Assessment of real property; conditions for reassessment.

54:4-23. All real property shall be assessed to the person owning the same on October 1 in each year. The assessor shall ascertain the names of the owners of all real property situate in his taxing district, and after examination and inquiry, determine the full and fair value of each parcel of real property situate in the taxing district at such price as, in his judgment, it would sell for at a fair and bona fide sale by private contract on October 1 next preceding the date on which the assessor shall complete his assessments, as hereinafter required; provided, however, that in determining the full and fair value of land which is being assessed and taxed under the Farmland Assessment Act of 1964, chapter 48, laws of 1964, the assessor shall consider only those indicia of value which such land has for agricultural or horticultural use as provided by said act; and provided further however, that when the assessor has reason to believe that property comprising all or part of a taxing district has been assessed at a value lower or higher than is consistent with the purpose of securing uniform taxable valuation of property according to law for the purpose of taxation, or that the assessment of property comprising all or part of a taxing district is not in substantial compliance with the law and that the interests of the public will be promoted by a reassessment of such property, the assessor shall, after due investigation, make a reassessment of the property in the taxing district that is not in substantial compliance, provided that (1) the assessor has first notified, in writing, the mayor, the municipal governing body, the Division of Taxation in the Department of the Treasury, the county board of taxation, and the county tax administrator of the basis of the assessor's determination that a reassessment of that property in the taxing district is warranted and (2) the assessor has submitted a copy of a compliance plan to the county board of taxation and to the Division of Taxation for approval. If the assessor does not receive an approval decision or a decision disapproving the plan from either the county board of taxation or the Division of Taxation within 45 days of their receipt of the compliance plan, then the entity that did not respond shall be deemed to have approved the plan. Following a reassessment of a portion of the taxing district pursuant to an approved compliance plan, the assessor shall certify to the county board of taxation, through such sampling as the county board of taxation deems adequate, that the reassessment is in substantial compliance with the portions of the taxing district that were not reassessed. For the purposes of assessment, the assessor shall compute and determine the taxable value of such real property at the level established for the county pursuant to law.

2. This act shall take effect immediately.
