C.40A:12A-14 Conditions for determination of need for rehabilitation.

14. a. A delineated area may be determined to be in need of rehabilitation if the governing body of the municipality determines by resolution that there exist in that area conditions such that (1) a significant portion of structures therein are in a deteriorated or substandard condition and there is a continuing pattern of vacancy, abandonment or underutilization of properties in the area, with a persistent arrearage of property tax payments thereon or (2) more than half of the housing stock in the delineated area is at least 50 years old, or a majority of the water and sewer infrastructure in the delineated area is at least 50 years old and is in need of repair or substantial maintenance; and (3) a program of rehabilitation, as defined in section 3 of P.L.1992, c.79 (C.40A:12A-3), may be expected to prevent further deterioration and promote the overall development of the community. Where warranted by consideration of the overall conditions and requirements of the community, a finding of need for rehabilitation may extend to the entire area of a municipality. Prior to adoption of the resolution, the governing body shall submit it to the municipal planning board for its review. Within 45 days of its receipt of the proposed resolution, the municipal planning board shall submit its recommendations regarding the proposed resolution, including any modifications which it may recommend, to the governing body for its consideration. Thereafter, or after the expiration of the 45 days if the municipal planning board does not submit recommendations, the governing body may adopt the resolution, with or without modification.

b. A delineated area shall be deemed to have been determined to be an area in need of rehabilitation in accordance with the provisions of this act if it has heretofore been determined to be an area in need of rehabilitation pursuant to P.L.1975, c.104 (C.54:4-3.72 et seq.), P.L.1977, c.12 (C.54:4-3.95 et seq.) or P.L.1979, c.233 (C.54:4-3.121 et seq.).
