A person who issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee, commits an offense as provided for in subsection c. of this section. For the purposes of this section as well as in any prosecution for theft committed by means of a bad check, an issuer is presumed to know that the check or money order (other than a post-dated check or order) would not be paid, if:

Notice of refusal may be given to the issuer orally or in writing in any reasonable manner by any person.

c. An offense under this section is:

- (1) a crime of the second degree if the check or money order is \$75,000.00 or more;

12. Section 1 of P.L.2001, c.39 (C.5:12-71.2) is amended to read as follows:

C.5:12-71.2 List of persons self-excluded from gaming activities.

1. a. The commission shall provide by regulation for the establishment of a list of persons self-excluded from gaming activities at all licensed casinos and simulcasting facilities. Any person may request placement on the list of self-excluded persons by acknowledging in a manner to be established by the commission that the person is a problem gambler and by agreeing that, during any period of voluntary exclusion, the person may not collect any winnings or recover any losses resulting from any gaming activity at such casinos and facilities.

b. The regulations of the commission shall establish procedures for placements on, and removals from, the list of self-excluded persons. Such regulations shall establish procedures for the transmittal to licensed casinos and simulcasting facilities of identifying information concerning self-excluded persons, and shall require licensed casinos and simulcasting facilities to establish procedures designed, at a minimum, to remove self-excluded persons from targeted mailings or other forms of advertising or promotions and deny self-excluded persons access to credit, complementaries, check cashing privileges club programs, and other similar benefits.

c. A licensed casino or simulcasting facility or employee thereof shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of:

(1) the failure of a licensed casino or simulcasting facility to withhold gaming privileges from, or restore gaming privileges to, a self-excluded person; or

(2) otherwise permitting a self-excluded person to engage in gaming activity in such licensed casino or simulcasting facility while on the list of self-excluded persons.

d. Notwithstanding the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) or any other law to the contrary, the commission's list of self-excluded persons shall not be open to public inspection. Nothing herein, however, shall be construed to prohibit a casino licensee from disclosing the identity of persons self-excluded pursuant to this section to affiliated gaming entities in this State or other jurisdictions for the limited purpose of assisting in the proper administration of responsible gaming programs operated by such gaming affiliated entities.

e. A licensed casino or simulcasting facility or employee thereof shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of disclosure or publication in any manner, other than a willfully unlawful disclosure or publication, of the identity of any self-excluded person.

13. Section 81 of P.L.1977, c.110 (C.5:12-81) is amended to read as follows:

C.5:12-81 Statement of compliance.

81. Statement of compliance.

a. (1) The commission may, in its discretion, issue a statement of compliance to an applicant for any license or for qualification status under this act at any time the commission is satisfied that the applicant has established by clear and convincing evidence that one or more particular eligibility criteria have been satisfied by an applicant. A request for the issuance of a statement of compliance pursuant to this paragraph shall be initiated by the applicant filing a petition with the commission. Before the commission refers any such petition to the division for investigation, the commission may require the applicant to establish to the satisfaction of the commission that the applicant actually intends, if found qualified, to engage in the business or activity that would require the issuance of the license or the determination of qualification status.

(2) Any person who must be qualified pursuant to the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.) in order to hold the securities of a casino licensee or any holding or intermediary company of a casino licensee may, prior to the acquisition of any such securities, request the issuance of a statement of compliance by the commission that the person is qualified to hold such securities. Any request for the issuance of a statement of compliance pursuant to

this paragraph shall be initiated by the person filing a petition with the commission in which the person shall be required to establish that there is a reasonable likelihood that, if qualified, the person will obtain and hold the securities of a casino licensee or any holding or intermediary company thereof to such extent as to require the qualification of the person. If the commission finds that this reasonable likelihood exists, and if the commission is satisfied, after an investigation by the division, that the qualifications of the person have been established by clear and convincing evidence, the commission may, in its discretion, issue a statement of compliance that the person is qualified to hold such securities. Any person who requests a statement of compliance pursuant to this paragraph shall be subject to the provisions of section 80 of P.L.1977, c.110 (C.5:12-80) and shall pay for the costs of all investigations and proceedings in relation to the request unless the person provides to the commission an agreement with one or more casino licensees which states that the licensee or licensees will pay those costs.

(3) A statement of compliance shall not be issued indicating that an applicant that is a corporation or other form of business organization has established by clear and convincing evidence its good character, honesty and integrity unless the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer, or the functional equivalent thereof; each director; each person who directly or indirectly holds any beneficial interest or ownership in the applicant, to the extent such person would be required to qualify under section 85 of P.L.1977, c.110 (C.5:12-85) if the applicant were a holding company or intermediary company of a casino licensee; and any other person whom the commission may consider appropriate for approval or qualification, would, but for residence, individually be qualified for approval as a casino key employee pursuant to the provisions of section 89 of P.L.1977, c.110 (C.5:12-89).

b. Any statement of compliance issued under P.L.1977, c.110 (C.5:12-1 et seq.) shall specify:

- (1) the particular eligibility criterion satisfied by the applicant or person;
- (2) the date as of which such satisfaction was determined by the commission;

(3) the continuing obligation of the applicant or person to file any information required by the commission or division as part of any application for a license or qualification status, including information related to the eligibility criterion for which the statement of compliance was issued; and

(4) the obligation of the applicant or person to reestablish its satisfaction of the eligibility criterion should there be a change in any material fact or circumstance that is relevant to the eligibility criterion for which the statement of compliance was issued.

c. A statement of compliance certifying satisfaction of all of the requirements of subsection e. of section 84 of this act with respect to a specific casino hotel proposal submitted by an eligible applicant may be accompanied by a written commitment from the commission that a casino license shall be reserved for a period not to exceed 30 months or within such additional time period as the commission may, upon a showing of good cause therefor, establish and shall be issued to such eligible applicant with respect to such proposal provided that such applicant (1) complies in all respects with the provisions of this act, (2) qualifies for a casino license within a period not to exceed 30 months of the date of such commitment or within such additional time period as the commission may, upon a showing of good cause therefor, establish, and (3) complies with such other conditions as the commission shall impose. The commission may revoke such reservation at any time it finds that the applicant is disqualified from receiving or holding a casino license or has failed to comply with any conditions imposed by the commission. Such reservation shall be automatically revoked if the applicant does not qualify for a casino license within the period of such commitment. No license other than a casino license shall be reserved by the commission.

d. Any statement of compliance issued pursuant to this section shall be withdrawn by the commission if:

(1) the applicant or person otherwise fails to satisfy the standards for licensure or qualification;

(2) the applicant or person fails to comply with any condition imposed by the commission;

or

(3) the commission finds cause to revoke the statement of compliance for any other reason.

e. Notwithstanding any other provision of this section, unless otherwise extended by the commission upon application by the recipient and for good cause shown, any statement of compliance issued by the commission pursuant to this section shall expire 48 months after its date of issuance, unless the recipient also has received a commitment for the reservation of a casino license, in which case the statement of compliance shall expire on the same date as the commitment.

f. Any statement of compliance issued by the commission prior to the effective date of this amendatory and supplementary act, P.L.2002, c.65, shall expire in accordance with the provisions of subsection e. of this section as if the statement had been issued on such effective date, unless the statement is otherwise extended, withdrawn or revoked prior to such date in accordance with the provisions of this section.

14. Section 83 of P.L.1977, c.110 (C.5:12-83) is amended to read as follows:

C.5:12-83 Approved hotel.

83. a. An approved hotel for purposes of this act shall be a hotel providing facilities in accordance with this section. Nothing in this section shall be construed to limit the authority of the commission to determine the suitability of facilities as provided in this act, and nothing in this section shall be construed to require a casino to be smaller than the maximum size herein provided.

b. (Deleted by amendment, P.L.2002, c.65).

c. A casino hotel shall include an approved hotel containing at least 500 qualifying sleeping units, as defined in section 27 of the "Casino Control Act," P.L.1977, c.110 (C.5:12-27), and a casino, the total square footage of which shall not exceed 60,000 square feet, except that for each additional 100 qualifying sleeping units above 500, the maximum amount of the casino space may be increased by 10,000 square feet, up to a maximum of 200,000 square feet of casino space. For the purpose of increasing casino space, an agreement approved by the commission for the addition of qualifying sleeping units within two years after the commencement of gaming operations in the additional casino space shall be deemed an addition of those sleeping units, but if the agreement is not fulfilled due to conditions within the control of the casino licensee, the casino licensee shall close the additional casino space or any portion thereof as directed by the commission.

d. Once a hotel is initially approved, the commission shall thereafter rely on the certification of the casino licensee with regard to the number of qualifying sleeping units and shall permit replacement, rehabilitation, renovation and alteration of any part of the approved hotel even if the replacement, rehabilitation, renovation, or alteration will mean that the casino licensee does not temporarily meet the requirements of subsection c. so long as the licensee certifies that the replacement, rehabilitation, renovation, or alteration shall be completed within one year or such other reasonable period of time as the commission may approve.

e. (Deleted by amendment, P.L.1987, c.352).

f. (Deleted by amendment, P.L.1991, c.182).

g. (Deleted by amendment, P.L.1991, c.182).

h. (Deleted by amendment, P.L.1991, c.182).

I. The commission shall not impose any criteria or requirements regarding the contents of the approved hotel in addition to the criteria and requirements expressly specified in the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that the commission shall be authorized to require each casino licensee to establish and maintain an approved hotel which is in all respects a superior, first-class facility of exceptional quality which will help restore Atlantic City as a resort, tourist and convention destination.

15. Section 85 of P.L.1977, c.110 (C.5:12-85) is amended to read as follows:

C.5:12-85 Additional requirements.

85. Additional Requirements. a. In addition to other information required by this act, a corporation applying for a casino license shall provide the following information:

(1) The organization, financial structure and nature of all businesses operated by the corporation; the names and personal employment and criminal histories of all officers, directors and principal employees of the corporation; the names of all holding, intermediary and subsidiary companies of the corporation; and the organization, financial structure and nature of all businesses operated by such of its holding, intermediary and subsidiary companies as the commission may require, including names and personal employment and criminal histories of such officers, directors and principal employees of such corporations and companies as the commission may require;

(3) The terms upon which securities have been or are to be offered;

(4) The terms and conditions of all outstanding loans, mortgages, trust deeds, pledges or any other indebtedness or security devices utilized by the corporation;

(5) The extent of the equity security holding in the corporation of all officers, directors and underwriters, and their remuneration in the form of salary, wages, fees or otherwise;

(7) A description of all bonus and profit-sharing arrangements;

(9) A listing of stock options existing or to be created.

b. If a corporation or other form of business organization applying for a casino license is, or if a corporation or other form of business organization holding a casino license is to become, a subsidiary, each holding company and each intermediary company with respect thereto must, as a condition of the said subsidiary acquiring or retaining such license, as the case may be:

(1) Qualify to do business in the State of New Jersey; and

(2) If it is a corporation, register with the commission and furnish the commission with all the information required of a corporate licensee as specified in subsection a. (1), (2) and (3) of this section and such other information as the commission may require; or

(3) If it is not a corporation, register with the commission and furnish the commission with such information as the commission may prescribe.

c. No corporation shall be eligible to hold a casino license unless each officer; each director; each person who directly or indirectly holds any beneficial interest or ownership of the securities issued by the corporation; any person who in the opinion of the commission has the ability to control the corporation or elect a majority of the board of directors of that corporation, other than a banking or other licensed lending institution which makes a loan or holds a mortgage or other lien acquired in the ordinary course of business; each principal employee; and any lender, underwriter, agent, employee of the corporation, or other person whom the commission may consider appropriate for approval or qualification would, but for residence, individually be qualified for approval as a casino key employee pursuant to the provisions of this act.

d. No corporation or other form of business organization which is a subsidiary shall be eligible to receive or hold a casino license unless each holding and intermediary company with respect thereto:

(1) If it is a corporation, shall comply with the provisions of subsection c. of this section as if said holding or intermediary company were itself applying for a casino license; provided, however, that the commission with the concurrence of the director may waive compliance with the provisions of subsection c. hereof on the part of a holding company as to any officer, director, lender, underwriter, agent or employee thereof, or person directly or indirectly holding a beneficial interest or ownership of the securities of such corporation, where the commission and the director are satisfied that such officer, director, lender, underwriter, agent or employee is not significantly involved in the activities of the corporate licensee, and in the case of security holders, does not have the ability to control the holding company or elect one or more directors thereof; or

(2) If it is not a corporation, shall comply with the provisions of subsection e. of this section

as if said company were itself applying for a casino license; provided, however, that the commission with the concurrence of the director may waive compliance with the provisions of subsection e. of this section on the part of a noncorporate business organization which is a holding company as to any person who directly or indirectly holds any beneficial interest or ownership in such company, when the commission and the director are satisfied that such person does not have the ability to control the company.

e. Any noncorporate applicant for a casino license shall provide the information required in subsection a. of this section in such form as may be required by the commission. No such applicant shall be eligible to hold a casino license unless each person who directly or indirectly holds any beneficial interest or ownership in the applicant, or who in the opinion of the commission has the ability to control the applicant, or whom the commission may consider appropriate for approval or qualification, would, but for residence, individually be qualified for approval as a casino key employee pursuant to the provisions of this act.

f. Notwithstanding the provisions of subsections c. and d. of this section, and in the absence of a prima facie showing by the director that there is any cause to believe that the institutional investor may be found unqualified, an institutional investor holding either (1) under 10% of the equity securities of a casino licensee's holding or intermediary companies, or (2) debt securities of a casino licensee's holding or intermediary companies, or another subsidiary company of a casino licensee's holding or intermediary companies which is related in any way to the financing of the casino licensee, where the securities represent a percentage of the outstanding debt of the company not exceeding 20%, or a percentage of any issue of the outstanding debt of the company not exceeding 50%, shall be granted a waiver of qualification if such securities are those of a publicly traded corporation and its holdings of such securities were purchased for investment purposes only and upon request by the commission it files with the commission a certified statement to the effect that it has no intention of influencing or affecting the affairs of the issuer, the casino licensee or its holding or intermediary companies; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. The commission may grant a waiver of qualification to an institutional investor holding a higher percentage of such securities upon a showing of good cause and if the conditions specified above are met. Any institutional investor granted a waiver under this subsection which subsequently determines to influence or affect the affairs of the issuer shall provide not less than 30 days' notice of such intent and shall file with the commission an application for qualification before taking any action that may influence or affect the affairs of the issuer; provided, however, that it shall be permitted to vote on matters put to the vote of the outstanding security holders. If an institutional investor changes its investment intent, or if the commission finds reasonable cause to believe that the institutional investor may be found unqualified, no action other than divestiture shall be taken by such investor with respect to its security holdings until there has been compliance with the provisions of P.L.1987, c.409 (C.5:12-95.12 et seq.), including the execution of a trust agreement. The casino licensee and its relevant holding, intermediary or subsidiary company shall immediately notify the commission and the division of any information about, or actions of, an institutional investor holding its equity or debt securities where such information or action may impact upon the eligibility of such institutional investor for a waiver pursuant to this subsection.

g. If at any time the commission finds that an institutional investor holding any security of a holding or intermediary company of a casino licensee, or, where relevant, of another subsidiary company of a holding or intermediary company of a casino licensee which is related in any way to the financing of the casino licensee, fails to comply with the terms of subsection f. of this section, or if at any time the commission finds that, by reason of the extent or nature of its holdings, an institutional investor is in a position to exercise such a substantial impact upon the controlling interests of a licensee that qualification of the institutional investor is necessary to protect the public interest, the commission may, in accordance with the provisions of subsections a. through e. of this section or subsections d. and e. of section 105 of P.L.1977, c.110 (C.5:12-105), take any necessary action to protect the public interest, including requiring such an institutional investor to be qualified pursuant to the provisions of the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.).

16. Section 91 of P.L.1977, c.110 (C.5:12-91) is amended to read as follows:

C.5:12-91 Registration of casino service employees.

91. Registration of Casino Service Employees.

a. No person may commence employment as a casino service employee unless the person has been registered with the commission, which registration shall be in accordance with subsection f. of this section.

b. Any applicant for casino service employee registration shall produce such information as the commission may require. Subsequent to the registration of a casino service employee, the commission may revoke, suspend, limit, or otherwise restrict the registration upon a finding that the registrant is disqualified on the basis of the criteria contained in section 86 of P.L.1977, c.110 (C.5:12-86).

c. The commission may, by regulation, require that all applicants for casino service employee registration be residents of this State for a period not to exceed three months immediately prior to such registration, but application may be made prior to the expiration of the required period of residency. The commission shall waive the required residency period for an applicant upon a showing that the residency period would cause undue hardship upon the casino licensee which intends to employ said applicant, or upon a showing of other good cause.

d. Notwithstanding the provisions of subsection b. of this section, no casino service employee registration shall be revoked on the basis of a conviction of any of the offenses enumerated in this act as disqualification criteria or the commission of any act or acts which would constitute any offense under subsection c. of section 86 of P.L.1977, c.110 (C.5:12-86), as specified in subsection g. of that section, provided that the registrant has affirmatively demonstrated the registrant's rehabilitation. In determining whether the registrant has affirmatively demonstrated the registrant's rehabilitation the commission shall consider the following factors:

- (1) The nature and duties of the registrant's position;
- (2) The nature and seriousness of the offense or conduct;
- (3) The circumstances under which the offense or conduct occurred;
- (4) The date of the offense or conduct;
- (5) The age of the registrant when the offense or conduct was committed;
- (6) Whether the offense or conduct was an isolated or repeated incident;
- (7) Any social conditions which may have contributed to the offense or conduct;
- (8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have or have had the registrant under their supervision.

e. The commission may waive any disqualification criterion for a casino service employee consistent with the public policy of this act and upon a finding that the interests of justice so require.

f. Upon petition by the holder of a casino license, casino service employee registration shall be granted to each applicant for such registration named therein, provided that the petition certifies that each such applicant has filed a completed application for casino service employee registration as required by the commission.

All casino hotel employee registrations shall expire 120 days after the effective date of this amendatory and supplementary act, P.L.2002, c.65. Any holder of a casino hotel employee registration may until that date convert that registration to a casino service employee registration without fee.

17. Section 92 of P.L.1977, c.110 (C.5:12-92) is amended to read as follows:

C.5:12-92 Licensing and registration of casino service industries.

92. Licensing and Registration of Casino Service Industries.

a. (1) All casino service industries offering goods or services which directly relate to casino or gaming activity, including gaming equipment and simulcast wagering equipment

manufacturers, suppliers, repairers and independent testing laboratories, schools teaching gaming and either playing or dealing techniques, and casino security services, shall be licensed in accordance with the provisions of this act prior to conducting any business whatsoever with a casino applicant or licensee, its employees or agents, and in the case of a school, prior to enrollment of any students or offering of any courses to the public whether for compensation or not; provided, however, that upon a showing of good cause by a casino applicant or licensee for each business transaction, the commission may permit an applicant for a casino service industry license to conduct business transactions with such casino applicant or licensee prior to the licensure of that service industry applicant under this subsection.

(2) In addition to the requirements of paragraph (1) of this subsection, any casino service industry intending to manufacture, sell, distribute, test or repair slot machines within New Jersey, other than antique slot machines as defined in N.J.S.2C:37-7, shall be licensed in accordance with the provisions of this act prior to engaging in any such activities; provided, however, that upon a showing of good cause by a casino applicant or licensee for each business transaction, the commission may permit an applicant for a casino service industry license to conduct business transactions with the casino applicant or licensee prior to the licensure of that service industry applicant under this subsection; and provided further, however, that upon a showing of good cause by an applicant required to be licensed as a casino service industry pursuant to this paragraph, the commission may permit the service industry applicant to initiate the manufacture of slot machines or engage in the sale, distribution, testing or repair of slot machines with any person other than a casino applicant or licensee, its employees or agents, prior to the licensure of that service industry applicant under this subsection.

b. Each casino service industry in subsection a. of this section, as well as its owners; management and supervisory personnel; and principal employees if such principal employees have responsibility for services to a casino licensee, must qualify under the standards, except residency, established for qualification of a casino key employee under this act.

c. All casino service industries not included in subsection a. of this section shall be licensed in accordance with rules of the commission prior to commencement or continuation of any business with a casino applicant or licensee or its employees or agents. Such casino service industries, whether or not directly related to gaming operations, shall include junket enterprises; suppliers of alcoholic beverages, food and nonalcoholic beverages; in-State and out-of-State sending tracks as defined in section 2 of the "Casino Simulcasting Act," P.L.1992, c.19 (C.5:12-192); garbage handlers; vending machine providers; linen suppliers; maintenance companies; shopkeepers located within the approved hotels; limousine services; construction companies; and gaming schools contracting with casino applicants or licensees or their employees or agents. The commission may exempt any person or field of commerce from the licensing requirements of this subsection if the person or field of commerce demonstrates (1) that it is regulated by a public agency or that it will provide goods or services in insubstantial or insignificant amounts or quantities, and (2) that licensing is not deemed necessary in order to protect the public interest or to accomplish the policies established by this act.

Upon granting an exemption or at any time thereafter, the commission may limit or place such restrictions thereupon as it may deem necessary in the public interest, and shall require the exempted person to cooperate with the commission and the division and, upon request, to provide information in the same manner as required of a casino service industry licensed pursuant to this subsection; provided, however, that no exemption be granted unless the casino service industry complies with the requirements of sections 134 and 135 of this act.

d. Licensure pursuant to subsection c. of this section of any casino service industry may be denied to any applicant disqualified in accordance with the criteria contained in section 86 of this act.

e. No casino service industry license shall be issued pursuant to subsection a. or subsection c. of this section to any person unless that person shall provide proof of valid business registration with the Division of Revenue in the Department of the Treasury.

f. A casino service industry licensed pursuant to subsection a. or subsection c. of this section shall require proof, from a subcontractor to a casino service industry contract with a casino applicant or casino licensee, of valid business registration with the Division of Revenue;

verification information shall be forwarded by the casino service industry to the Division of Taxation in the Department of the Treasury. No subcontract to a casino service industry contract with a casino applicant or casino licensee shall be entered into by any casino service contractor unless the subcontractor first provides proof of valid business registration.

18. Section 93 of P.L.1977, c.110 (C.5:12-93) is amended to read as follows:

C.5:12-93 Registration of labor organizations.

93. Registration of Labor Organizations.

a. Each labor organization, union or affiliate seeking to represent employees who are employed in a casino hotel, casino or casino simulcasting facility by a casino licensee shall register with the commission biennially, and shall disclose such information to the commission as the commission may require, including the names of all affiliated organizations, pension and welfare systems and all officers and agents of such organizations and systems; provided, however, that no labor organization, union, or affiliate shall be required to furnish such information to the extent such information is included in a report filed by any labor organization, union, or affiliate with the Secretary of Labor pursuant to 29 U.S.C.s.431 et seq. or s. 1001 et seq. if a copy of such report, or of the portion thereof containing such information, is furnished to the commission pursuant to the aforesaid federal provisions. The commission may in its discretion exempt any labor organization, union, or affiliate from the registration requirements of this subsection where the commission finds that such organization, union or affiliate is not the certified bargaining representative of any employee who is employed in a casino hotel, casino or casino simulcasting facility by a casino licensee, is not involved actively, directly or substantially in the control or direction of the representation of any such employee, and is not seeking to do so.

b. No person may act as an officer, agent or principal employee of a labor organization, union or affiliate registered or required to be registered pursuant to this section if the person has been found disqualified by the commission in accordance with the criteria contained in section 86 of that act. The commission may, for purposes of this subsection, waive any disqualification criterion consistent with the public policy of this act and upon a finding that the interests of justice so require.

c. Neither a labor organization, union or affiliate nor its officers and agents not otherwise individually licensed or registered under this act and employed by a casino licensee may hold any financial interest whatsoever in the casino hotel, casino, casino simulcasting facility or casino licensee whose employees they represent.

d. Any person, including any labor organization, union or affiliate, who shall violate, aid and abet the violation, or conspire or attempt to violate this section is guilty of a crime of the fourth degree.

e. The commission or the division may maintain a civil action and proceed in a summary manner, without posting bond, against any person, including any labor organization, union or affiliate, to compel compliance with this section, or to prevent any violations, the aiding and abetting thereof, or any attempt or conspiracy to violate this section.

f. In addition to any other remedies provided in this section, a labor organization, union or affiliate registered or required to be registered pursuant to this section may be prohibited by the commission from receiving any dues from any employee licensed or registered under that act and employed by a casino licensee or its agent, if any officer, agent or principal employee of the labor organization, union or affiliate has been found disqualified and if such disqualification has not been waived by the commission in accordance with subsection b. of this section. The commission or the division may proceed in the manner provided by subsection e. of this section to enforce an order of the commission prohibiting the receipt of dues.

g. Nothing contained in this section shall limit the power of the commission to proceed in accordance with subsection c. of section 107 of P.L.1977, c.110 (C.5:12-107).

19. Section 95 of P.L.1977, c.110 (C.5:12-95) is amended to read as follows:

C.5:12-95 Renewal of licenses and registrations.

95. Renewal of Licenses and Registrations. Subject to the power of the commission to deny, revoke or suspend any license or registration, any license other than a casino license or any registration may be renewed upon proper application for renewal and the payment of fees in accordance with the rules of the commission, but in no event later than the date of expiration of the current license or registration.

Notwithstanding the foregoing, in order to facilitate the efficient operation of the commission and the division, the commission shall have the authority, with the concurrence of the director of the division, to extend the period of any license other than a casino license, but in no event shall the expiration date be extended for more than two years.

20. Section 97 of P.L.1977, c.110 (C.5:12-97) is amended to read as follows:

C.5:12-97 Hours of operation.

97. Hours of Operation. a. Each casino licensed pursuant to this act shall be permitted to operate 24 hours a day unless otherwise directed by the commission in accordance with its authority under P.L.1977, c.110 (C.5:12-1 et seq.).

b. A casino licensee shall file with the commission a schedule of hours prior to the issuance of an initial operation certificate. If the casino licensee proposes any change in scheduled hours, such change may not be effected until such licensee files a notice of the new schedule of hours with the commission. Such filing must be made 30 days prior to the effective date of the proposed change in hours.

c. Nothing herein shall be construed to limit a casino licensee in opening its casino later than, or closing its casino earlier than, the times stated in its schedule of operating hours; provided, however, that any such alterations in its hours shall comply with the provisions of subsection a. of this section and with regulations of the commission pertaining to such alterations.

21. Section 99 of P.L.1977, c.110 (C.5:12-99) is amended to read as follows:

C.5:12-99 Internal controls.

99. Internal Controls.

a. Each applicant for a casino license shall submit to the commission a description of its initial system of internal procedures and administrative and accounting controls for gaming and simulcast wagering operations accompanied by a certification by its Chief Legal Officer or equivalent that the submitted procedures conform to the requirements of this act, P.L.1977, c.110 (C.5:12-1 et seq.), and the regulations promulgated thereunder, and a certification by its Chief Financial Officer or equivalent that the submitted procedures provide adequate and effective controls, establish a consistent overall system of internal procedures and administrative and accounting controls and conform to generally accepted accounting principles. Each applicant shall make its initial submission at least 30 days before such operations are to commence unless otherwise directed by the commission. Except as otherwise provided in subsection b. of this section, a casino licensee, upon submission to the commission of a narrative description of a change in its system of internal procedures and controls and the two certifications described above, may, following the 15th day after submission, implement the change. Each initial internal control submission shall contain a narrative description of the internal control system to be utilized by the casino, including, but not limited to:

(1) Accounting controls, including the standardization of forms and definition of terms to be utilized in the gaming and simulcast wagering operations;

(2) Procedures, forms, and, where appropriate, formulas covering the calculation of hold percentages; revenue drop; expense and overhead schedules; complimentary services, except as provided in paragraph (3) of subsection m. of section 102 of P.L.1977, c.110 (C.5:12-102); junkets; and cash equivalent transactions;

(3) Job descriptions and the system of personnel and chain-of-command, establishing a diversity of responsibility among employees engaged in casino or simulcasting facility operations

and identifying primary and secondary supervisory positions for areas of responsibility, which areas shall not be so extensive as to be impractical for an individual to monitor; salary structure; and personnel practices;

(4) Procedures within the cashier's cage and simulcast facility for the receipt, storage and disbursal of chips, cash, and other cash equivalents used in gaming and simulcast wagering; the cashing of checks; the redemption of chips and other cash equivalents used in gaming and simulcast wagering; the pay-off of jackpots and simulcast wagers; and the recording of transactions pertaining to gaming and simulcast wagering operations;

(5) Procedures for the collection and security of moneys at the gaming tables and in the simulcasting facility;

(6) Procedures for the transfer and recordation of chips between the gaming tables and the cashier's cage and the transfer and recordation of moneys within the simulcasting facility;

(7) Procedures for the transfer of moneys from the gaming tables to the counting process and the transfer of moneys within the simulcasting facility for the counting process;

(8) Procedures and security for the counting and recordation of revenue;

(9) Procedures for the security, storage and recordation of cash, chips and other cash equivalents utilized in the gaming and simulcast wagering operations;

(10) Procedures for the transfer of moneys or chips from and to the slot machines;

(11) Procedures and standards for the opening and security of slot machines;

(12) Procedures for the payment and recordation of slot machine jackpots;

(13) Procedures for the cashing and recordation of checks exchanged by casino and simulcasting facility patrons;

(14) Procedures governing the utilization of the private security force within the casino and simulcasting facility;

(15) Procedures and security standards for the handling and storage of gaming apparatus including cards, dice, machines, wheels and all other gaming equipment;

(16) Procedures and rules governing the conduct of particular games and simulcast wagering and the responsibility of casino personnel in respect thereto; and

(17) Procedures for separately recording all transactions pursuant to section 101 of this act involving the Governor, any State officer or employee, or any special State officer or employee, any member of the Judiciary, any member of the Legislature, any officer of a municipality or county in which casino gaming is authorized, or any gaming related casino employee, and for the quarterly filing with the Attorney General of a list reporting all such transactions.

b. The commission shall review a submission made pursuant to subsection a. to determine whether it conforms to the requirements of this act and to the regulations promulgated thereunder and provides adequate and effective controls for the operations of the particular casino hotel submitting it. If during its review, the commission preliminarily determines that a procedure in the submission contains a substantial and material insufficiency likely to have a direct and materially adverse impact on the integrity of gaming or simulcast wagering operations or the control of gross revenue, the chairman, by written notice to the casino licensee, shall: (1) specify the precise nature of the insufficiency and, when possible, an acceptable alternative procedure, (2) schedule a hearing before the full commission no later than 15 days after the date of such written notice to plenary and finally determine whether the procedure in question contains the described insufficiency, and (3) direct that the internal controls in issue not yet implemented not be implemented until approved by the commission. Upon receipt of the notice, the casino licensee shall proceed to the scheduled hearing before the full commission and may submit a revised procedure addressing the concerns specified in the notice.

c. Notwithstanding the provisions of subsections a. and b. hereof, the commission shall, by regulation, permit changes to those internal controls required by subsection a. hereof that cannot have a material impact upon the integrity of gaming or simulcast wagering operations or the control and reporting of gross revenue, including those internal controls described in paragraph (3) of subsection a. hereof, to be implemented by a casino licensee immediately upon the preparation and internal filing of such internal controls.

d. Each casino licensee and applicant shall submit a narrative description of its system of internal procedures and administrative and accounting controls for the recording and reporting

of all business transactions and agreements governed by sections 92 and 104 of P.L.1977, c.110 (C.5:12-92 and 5:12-104, as amended) no later than five days after those operations commence or after any change in those procedures or controls takes effect.

22. Section 100 of P.L.1977, c.110 (C.5:12-100) is amended to read as follows:

C.5:12-100 Games and gaming equipment.

100. Games and Gaming Equipment.

a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room in accordance with this act and the regulations promulgated hereunder and in a simulcasting facility to the extent provided by the "Casino Simulcasting Act," P.L.1992, c.19 (C.5:12-191 et al.). Notwithstanding the foregoing, if the commission approves the game of keno as an authorized game pursuant to section 5 of P.L.1977, c.110 (C.5:12-5), as amended, keno tickets may be sold or redeemed in accordance with commission regulations at any location in a casino hotel approved by the commission for such activity.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel except in a casino room, in the simulcasting facility, or in restricted casino areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the commission. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility but does not permit or require patron access, such as computers, may be possessed and maintained by a casino licensee in restricted casino areas specifically designated for that purpose by the casino licensee with the approval of the commission. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room or simulcasting facility by any person unless such equipment is necessary to the conduct of an authorized game, has permanently affixed, imprinted, impressed or engraved thereon an identification number or symbol authorized by the commission, is under the exclusive control of a casino licensee or his employees, and is brought into or removed from the casino room or simulcasting facility following 24-hour prior notice given to an authorized agent of the commission.

Notwithstanding any other provision of this section, equipment which supports a multi-casino progressive slot system and links and interconnects slot machines of two or more casino licensees but is inaccessible to patrons, such as computers, may, with the approval of the commission, be possessed, maintained and operated by a casino licensee either in a restricted area on the premises of a casino hotel or in a secure facility specifically designed for that purpose off the premises of a casino hotel but within the city limits of the City of Atlantic City.

Notwithstanding the foregoing, a person may, with the prior approval of the commission and under such terms and conditions as may be required by the commission, possess, maintain or exhibit gaming equipment in any other area of the casino hotel; provided such equipment is used for nongaming purposes.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the commission for the counting and storage of cash, coins, tokens and checks received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other representatives of value. All drop boxes and other devices wherein cash, coins, or tokens are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, shall be equipped with two locking devices, one key to which shall be under the exclusive control of the commission and the other under the exclusive control of the casino licensee, and said drop boxes and other devices shall not be brought into or removed from a casino room or simulcasting facility, or locked or unlocked, except at such times, in such places, and according to such procedures as the commission may require.

d. All chips used in gaming shall be of such size and uniform color by denomination as the commission shall require by regulation.

e. All gaming shall be conducted according to rules promulgated by the commission. All wagers and pay-offs of winning wagers shall be made according to rules promulgated by the commission, which shall establish such limitations as may be necessary to assure the vitality of casino operations and fair odds to patrons. Each slot machine shall have a minimum payout of

83%.

f. Each casino licensee shall make available in printed form to any patron upon request the complete text of the rules of the commission regarding games and the conduct of gaming, pay-offs of winning wagers, an approximation of the odds of winning for each wager, and such other advice to the player as the commission shall require. Each casino licensee shall prominently post within a casino room and simulcasting facility, as appropriate, according to regulations of the commission such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the commission shall require.

g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. (1) No slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested by the division and licensed for use by the commission. The division may, in its discretion, and for the purpose of expediting the approval process, refer testing to any testing laboratory with a plenary license as a casino service industry pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92). The division shall give priority to the testing of slot machines which a casino licensee has certified it will use in its casino in this State. The commission shall, by regulation, establish such technical standards for licensure of slot machines, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. The denominations of such machines shall be set by the licensee; the licensee shall simultaneously notify the commission of the settings.

(2) The commission shall, by regulation, determine the permissible number and density of slot machines in a licensed casino so as to:

- (a) promote optimum security for casino operations;
- (b) avoid deception or frequent distraction to players at gaming tables;
- © promote the comfort of patrons;
- (d) create and maintain a gracious playing environment in the casino; and
- (e) encourage and preserve competition in casino operations by assuring that a variety of gaming opportunities is offered to the public.

Any such regulation promulgated by the commission which determines the permissible number and density of slot machines in a licensed casino shall provide that all casino floor space and all space within a casino licensee's casino simulcasting facility shall be included in any calculation of the permissible number and density of slot machines in a licensed casino.

I. (Deleted by amendment, P.L.1991, c.182).

j. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except for currency, negotiable personal checks, negotiable counter checks, other chips, coupons or complimentary vouchers distributed by the casino licensee, or, if authorized by regulation of the commission, a valid charge to a credit or debit card account. A casino licensee shall, upon the request of any person, redeem that licensee's gaming chips surrendered by that person in any amount over \$100 with a check drawn upon the licensee's account at any banking institution in this State and made payable to that person.

l. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or barker to induce any person to enter a casino or simulcasting facility or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose, unless otherwise permitted by the rules of the commission.

n. It shall be unlawful for any casino key employee or any person who is required to hold a casino key employee license as a condition of employment or qualification to wager in any

casino or simulcasting facility in this State, or any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, to wager in a casino or simulcasting facility in the casino hotel in which the employee is employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee. Any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, must wait at least 30 days following the date that the employee either leaves employment with a casino licensee or is terminated from employment with a casino licensee before the employee may gamble in a casino or simulcasting facility in the casino hotel in which the employee was formerly employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit, any tip or gratuity from any player or patron at the casino hotel or simulcasting facility where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, accounted for, and placed in a pool for distribution pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked, except that the commission may permit a separate pool to be established for dealers in the game of poker, or may permit tips or gratuities to be retained by individual dealers in the game of poker.

23. Section 101 of P.L.1977, c.110 (C.5:12-101) is amended to read as follows:

C.5:12-101 Credit.

101. Credit. a. Except as otherwise provided in this section, no casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall:

(1) Cash any check, make any loan, or otherwise provide or allow to any person any credit or advance of anything of value or which represents value to enable any person to take part in gaming or simulcast wagering activity as a player; or

(2) Release or discharge any debt, either in whole or in part, or make any loan which represents any losses incurred by any player in gaming or simulcast wagering activity, without maintaining a written record thereof in accordance with the rules of the commission.

b. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, may accept a check, other than a recognized traveler's check or other cash equivalent from any person to enable such person to take part in gaming or simulcast wagering activity as a player, or may give cash or cash equivalents in exchange for such check unless:

(1) The check is made payable to the casino licensee;

(2) The check is dated, but not postdated;

(3) The check is presented to the cashier or the cashier's representative at a location in the casino approved by the commission and is exchanged for cash or slot tokens which total an amount equal to the amount for which the check is drawn, or the check is presented to the cashier's representative at a gaming table in exchange for chips which total an amount equal to the amount for which the check is drawn; and

(4) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

Nothing in this subsection shall be deemed to preclude the establishment of an account by any person with a casino licensee by a deposit of cash, recognized traveler's check or other cash equivalent, or a check which meets the requirements of subsection g. of this section, or to preclude the withdrawal, either in whole or in part, of any amount contained in such account.

c. When a casino licensee or other person licensed under this act, or any person acting on

behalf of or under any arrangement with a casino licensee or other person licensed under this act, cashes a check in conformity with the requirements of subsection b. of this section, the casino licensee shall cause the deposit of such check in a bank for collection or payment, or shall require an attorney or casino key employee with no incompatible functions to present such check to the drawer's bank for payment, within (1) seven calendar days of the date of the transaction for a check in an amount of \$1,000.00 or less; (2) 14 calendar days of the date of the transaction for a check in an amount greater than \$1,000.00 but less than or equal to \$5,000.00; or (3) 45 calendar days of the date of the transaction for a check in an amount greater than \$5,000.00. Notwithstanding the foregoing, the drawer of the check may redeem the check by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section in an amount equal to the amount for which the check is drawn; or he may redeem the check in part by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section and another check which meets the requirements of subsection b. of this section for the difference between the original check and the cash, cash equivalents, chips, or check tendered; or he may issue one check which meets the requirements of subsection b. of this section in an amount sufficient to redeem two or more checks drawn to the order of the casino licensee. If there has been a partial redemption or a consolidation in conformity with the provisions of this subsection, the newly issued check shall be delivered to a bank for collection or payment or presented to the drawer's bank for payment by an attorney or casino key employee with no incompatible functions within the period herein specified. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall accept any check or series of checks in redemption or consolidation of another check or checks in accordance with this subsection for the purpose of avoiding or delaying the deposit of a check in a bank for collection or payment or the presentment of the check to the drawer's bank within the time period prescribed by this subsection.

In computing a time period prescribed by this subsection, the last day of the period shall be included unless it is a Saturday, Sunday, or a State or federal holiday, in which event the time period shall run until the next business day.

d. No casino licensee or any other person licensed under this act, or any other person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall transfer, convey, or give, with or without consideration, a check cashed in conformity with the requirements of this section to any person other than:

- (1) The drawer of the check upon redemption or consolidation in accordance with subsection c. of this section;
- (2) A bank for collection or payment of the check;
- (3) A purchaser of the casino license as approved by the commission; or
- (4) An attorney or casino key employee with no incompatible functions for presentment to the drawer's bank.

The limitation on transferability of checks imposed herein shall apply to checks returned by any bank to the casino licensee without full and final payment.

e. No person other than one licensed as a casino key employee or as a casino employee may engage in efforts to collect upon checks that have been returned by banks without full and final payment, except that an attorney-at-law representing a casino licensee may bring action for such collection.

f. Notwithstanding the provisions of any law to the contrary, checks cashed in conformity with the requirements of this act shall be valid instruments, enforceable at law in the courts of this State. Any check cashed, transferred, conveyed or given in violation of this act shall be invalid and unenforceable for the purposes of collection but shall be included in the calculation of gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24).

g. Notwithstanding the provisions of subsection b. of this section to the contrary, a casino licensee may accept a check from a person to enable the person to take part in gaming or simulcast wagering activity as a player, may give cash or cash equivalents in exchange for such a check, or may accept a check in redemption or partial redemption of a check issued in accordance with subsection b., provided that:

(1) (a) The check is drawn by a casino licensee pursuant to the provisions of subsection k. of section 100 of P.L.1977, c.110 (C.5:12-100) or upon a withdrawal of funds from an account established in accordance with the provisions of subsection b. of this section or is drawn by a casino licensee as payment for winnings from an authorized game or simulcast wagers;

(b) The check is issued by a banking institution which is chartered in a country other than the United States on its account at a federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

© The check is issued by a banking institution which is chartered in the United States on its account at another federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

(d) The check is issued by an annuity jackpot trust as payment for winnings from an annuity jackpot; or

(e) The check is issued by an affiliate of a casino licensee that holds a gaming license in any jurisdiction;

(2) The check is identifiable in a manner approved by the commission as a check issued for a purpose listed in paragraph (1) of this subsection;

(3) The check is dated, but not postdated;

(4) The check is presented to the cashier or the cashier's representative by the original payee and its validity is verified by the drawer in the case of a check drawn pursuant to subparagraph (a) of paragraph (1) of this subsection, or the check is verified in accordance with regulations promulgated by the commission in the case of a check issued pursuant to subparagraph (b), (c), (d) or (e) of paragraph (1) of this subsection; and

(5) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

No casino licensee shall issue a check for the purpose of making a loan or otherwise providing or allowing any advance or credit to a person to enable the person to take part in gaming or simulcast wagering activity as a player.

h. Notwithstanding the provisions of subsection b. and subsection c. of this section to the contrary, a casino licensee may, at a location outside the casino, accept a personal check or checks from a person for up to \$5,000 in exchange for cash or cash equivalents, and may, at such locations within the casino or casino simulcasting facility as may be permitted by the commission, accept a personal check or checks for up to \$5,000 in exchange for cash, cash equivalents, tokens, chips, or plaques to enable the person to take part in gaming or simulcast wagering activity as a player, provided that:

(a) The check is drawn on the patron's bank or brokerage cash management account;

(b) The check is for a specific amount;

© The check is made payable to the casino licensee;

(d) The check is dated but not post-dated;

(e) The patron's identity is established by examination of one of the following: valid credit card, driver's license, passport, or other form of identification credential which contains, at a minimum, the patron's signature;

(f) The check is restrictively endorsed "For Deposit Only" to the casino licensee's bank account and deposited on the next banking day following the date of the transaction;

(g) The total amount of personal checks accepted by any one licensee pursuant to this subsection that are outstanding at any time, including the current check being submitted, does not exceed \$5,000;

(h) The casino licensee has an approved system of internal controls in place that will enable it to determine the amount of outstanding personal checks received from any patron pursuant to this subsection at any given point in time; and

(I) The casino licensee maintains a record of each such transaction in accordance with regulations established by the commission.

I. Checks cashed pursuant to the provisions of subsection h. of this section which are subsequently uncollectible may not be deducted from the total of all sums received in calculating gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24).

j. A person may request the commission to put that person's name on a list of persons to

whom the extension of credit by a casino as provided in this section would be prohibited by submitting to the commission the person's name, address, and date of birth. The person does not need to provide a reason for this request. The commission shall provide this list to the credit department of each casino; neither the commission nor the credit department of a casino shall divulge the names on this list to any person or entity other than those provided for in this subsection. If such a person wishes to have that person's name removed from the list, the person shall submit this request to the commission, which shall so inform the credit departments of casinos no later than three days after the submission of the request.

k. Notwithstanding the provisions of paragraph (4) of subsection b. of this section to the contrary, a casino licensee may, prior to the completion of the verifications that are otherwise required by the rules of the commission for a casino licensee to issue credit, accept a check from a person to enable such person to take part in gaming or simulcast wagering as a player, or may give cash or cash equivalents in exchange for such check, provided that:

(1) the casino licensee records in the credit file of the person:

(a) the efforts that were made to complete the required verifications and the reasons why the verifications could not be completed; and

(b) a description of the criteria that were relied upon in determining to issue credit to the person prior to the completion of the required verifications;

(2) the check otherwise complies with the requirements of subsection b. of this section and is processed by the casino licensee in accordance with all other provisions of this section and the regulations of the commission; and

(3) any check accepted by a casino licensee pursuant to the provisions of this subsection:

(a) is clearly marked as such in a manner approved by the commission; and

(b) may not be deducted from the total of all sums received in calculating gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24), even if such check should subsequently prove uncollectible or the casino licensee completes all of the required verifications prior to its deposit or presentment.

24. Section 102 of P.L.1977, c.110 (C.5:12-102) is amended to read as follows:

C.5:12-102 Junkets and complimentary services.

102. Junkets and Complimentary Services.

a. No junkets may be organized or permitted except in accordance with the provisions of this act. No person may act as a junket representative or junket enterprise except in accordance with this section.

b. A junket representative employed by a casino licensee, an applicant for a casino license or an affiliate of a casino licensee shall be licensed as a casino employee in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that said licensee need not be a resident of this State. Any person who holds a current and valid casino employee license may act as a junket representative while employed by a casino licensee or an affiliate. No casino licensee or applicant for a casino license may employ or otherwise engage a junket representative who is not so licensed.

c. Junket enterprises which, and junket representatives not employed by a casino licensee or an applicant for a casino license or by a junket enterprise who, are engaged in activities governed by this section shall be subject to the provisions of subsection c. of section 92 and subsection b. of section 104 of P.L.1977, c.110 (C.5:12-92 and 5:12-104) with regard to those activities, unless otherwise directed by the commission pursuant to subsection k. of this section. Such of the owners, management and supervisory personnel, and other principal employees of a junket enterprise as the commission may consider appropriate for qualification shall qualify under the standards, except for residency, established for qualification of a casino key employee under P.L.1977, c.110 (C.5:12-1 et seq.).

d. Prior to the issuance of any license required by this section, an applicant for licensure shall submit to the jurisdiction of the State of New Jersey and shall demonstrate to the satisfaction of the commission that he is amenable to service of process within this State. Failure to establish or maintain compliance with the requirements of this subsection shall constitute

sufficient cause for the denial, suspension or revocation of any license issued pursuant to this section.

e. Upon petition by the holder of a casino license, an applicant for junket representative licensure may be issued a temporary license by the commission, provided that:

(1) the applicant for licensure is employed by a casino licensee;

(2) the applicant for licensure has filed a completed application as required by the commission;

(3) the division either certifies to the commission that the completed application for licensure as specified in paragraph (2) of this subsection has been in the possession of the division for at least 60 days or agrees to allow the commission to consider the application in some lesser time; and

(4) the division does not object to the temporary licensure of the applicant; provided, however, that failure of the division to object prior to the temporary licensure of the applicant shall not be construed to reflect in any manner upon the qualifications of the applicant for licensure.

In addition to any other authority granted by P.L.1977, c.110 (C.5:12-1 et seq.), the commission shall have the authority, upon receipt of a representation by the division that it possesses information which raises a reasonable possibility that a junket representative does not qualify for licensure, to immediately suspend, limit or condition any temporary license issued pursuant to this subsection, pending a hearing on the qualifications of the junket representative, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.).

Unless otherwise terminated pursuant to P.L.1977, c.110 (C.5:12-1 et seq.), any temporary license issued pursuant to this subsection shall expire 12 months from the date of its issuance, and shall be renewable by the commission, in the absence of an objection by the division, as specified in paragraph (4) of this subsection, for one additional six-month period.

f. Every agreement concerning junkets entered into by a casino licensee and a junket representative or junket enterprise shall be deemed to include a provision for its termination without liability on the part of the casino licensee, if the commission orders the termination upon the suspension, limitation, conditioning, denial or revocation of the licensure of the junket representative or junket enterprise, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.). Failure to expressly include such a condition in the agreement shall not constitute a defense in any action brought to terminate the agreement.

g. A casino licensee shall be responsible for the conduct of any junket representative or junket enterprise associated with it and for the terms and conditions of any junket engaged in on its premises, regardless of the fact that the junket may involve persons not employed by such a casino licensee.

h. A casino licensee shall be responsible for any violation or deviation from the terms of a junket. Notwithstanding any other provisions of this act, the commission may, after hearings in accordance with this act, order restitution to junket participants, assess penalties for such violations or deviations, prohibit future junkets by the casino licensee, junket enterprise or junket representative, and order such further relief as it deems appropriate.

I. The commission shall, by regulation, prescribe methods, procedures and forms for the delivery and retention of information concerning the conduct of junkets by casino licensees. Without limitation of the foregoing, each casino licensee, in accordance with the rules of the commission, shall:

(1) Maintain on file a report describing the operation of any junket engaged in on its premises;

(2) (Deleted by amendment, P.L.1995, c.18.).

(3) Submit to the commission and division a list of all its employees who are acting as junket representatives.

j. Each casino licensee, junket representative or junket enterprise shall, in accordance with the rules of the commission, file a report with the division with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the casino licensee, junket representative or enterprise.

k. The commission shall have the authority to determine, either by regulation, or upon

petition by the holder of a casino license, that a type of arrangement otherwise included within the definition of "junket" established by section 29 of P.L.1977, c.110 (C.5:12-29) shall not require compliance with any or all of the requirements of this section. The commission shall seek the opinion of the division prior to granting any exemption. In granting exemptions, the commission shall consider such factors as the nature, volume and significance of the particular type of arrangement, and whether the exemption would be consistent with the public policies established by this act. In applying the provisions of this subsection, the commission may condition, limit, or restrict any exemption as the commission may deem appropriate.

l. No junket enterprise or junket representative or person acting as a junket representative may:

(1) Engage in efforts to collect upon checks that have been returned by banks without full and final payment;

(2) Exercise approval authority with regard to the authorization or issuance of credit pursuant to section 101 of P.L.1977, c.110 (C.5:12-101);

(3) Act on behalf of or under any arrangement with a casino licensee or a gaming patron with regard to the redemption, consolidation, or substitution of the gaming patron's checks awaiting deposit pursuant to subsection c. of section 101 of P.L.1977, c.110 (C.5:12-101);

(4) Individually receive or retain any fee from a patron for the privilege of participating in a junket;

(5) Pay for any services, including transportation, or other items of value provided to, or for the benefit of, any patron participating in a junket.

m. No casino licensee shall offer or provide any complimentary services, gifts, cash or other items of value to any person unless:

(1) The complimentary consists of room, food, beverage or entertainment expenses provided directly to the patron and his guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party; or

(2) The complimentary consists of documented transportation expenses provided directly to the patron and his guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party, provided that the licensee complies with regulations promulgated by the commission to ensure that a patron's and his guests' documented transportation expenses are paid for or reimbursed only once; or

(3) The complimentary consists of coins, tokens, cash or other complimentary items or services provided through a bus coupon or other complimentary distribution program which, notwithstanding the requirements of section 99 of P.L.1977, c.110 (C.5:12-99), shall be filed with the commission upon the implementation of the program or maintained pursuant to commission regulation.

Notwithstanding the foregoing, a casino licensee may offer and provide complimentary cash or noncash gifts which are not otherwise included in paragraphs (1) through (3) of this subsection to any person, provided that any such gifts in excess of \$2,000.00 per trip, or such greater amount as the commission may establish by regulation, are supported by documentation regarding the reason the gift was provided to the patron and his guests, including where applicable, a patron's player rating, which documentation shall be maintained by the casino licensee. For the purposes of this paragraph, all gifts presented to a patron and the patron's guests directly by the licensee or indirectly on behalf of the licensee by a third party within any five-day period shall be considered to have been made during a single trip.

Each casino licensee shall maintain a regulated complimentary service account, for those complimentary services which are permitted pursuant to this section, and shall submit a quarterly report to the commission based upon such account and covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. Such reports shall include identification of the regulated complimentary services and their respective costs, the number of persons by category of service who received the same, and such other information as the commission may require.

n. As used in this subsection, "person" means any State officer or employee subject to financial disclosure by law or executive order and any other State officer or employee with responsibility for matters affecting casino activity; any special State officer or employee with

responsibility for matters affecting casino activity; the Governor; any member of the Legislature or full-time member of the Judiciary; any full-time professional employee of the Office of the Governor, or the Legislature; members of the Casino Reinvestment Development Authority; the head of a principal department; the assistant or deputy heads of a principal department, including all assistant and deputy commissioners; the head of any division of a principal department; any member of the governing body, or the municipal judge or the municipal attorney of a municipality wherein a casino is located; any member of or attorney for the planning board or zoning board of adjustment of a municipality wherein a casino is located, or any professional planner or consultant regularly employed or retained by such planning board or zoning board of adjustment.

No casino applicant or licensee shall provide directly or indirectly to any person any complimentary service or discount which is other than such service or discount that is offered to members of the general public in like circumstance.

o. Any person who, on the effective date of this 1992 amendatory act, P.L.1992, c.9, holds a current and valid plenary junket representative license, a junket representative license with a sole owner-operator endorsement, or a junket enterprise license authorizing the conduct of junket activities, shall be considered licensed in accordance with the provisions of this section and subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92) for the remaining term of his current license.

25. Section 103 of P.L.1977, c.110 (C.5:12-103) is amended to read as follows:

C.5:12-103 Alcoholic beverages in casino hotel facilities.

103. Alcoholic Beverages in Casino Hotel Facilities.

a. Notwithstanding any law to the contrary, the authority to grant any license for, or to permit or prohibit the presence of, alcoholic beverages in, on, or about any premises licensed as part of a casino hotel shall exclusively be vested in the commission.

b. Unless otherwise stated, and except where inconsistent with the purpose or intent of this act or the common understanding of usage thereof, definitions contained in Title 33 of the Revised Statutes shall apply to this section. Any definition contained therein shall apply to the same word in any form.

c. Notwithstanding any provision of Title 33 of the Revised Statutes, the rules, regulations and bulletins promulgated by the director of the Division of Alcoholic Beverage Control, or any provision promulgated by any local authority, the authority to issue, renew, transfer, revoke or suspend a Casino Hotel Alcoholic Beverage License or any portion, location, privilege or condition thereof; to fine or penalize a Casino Hotel Alcoholic Beverage Licensee; to enforce all statutes, laws, rulings, or regulations relating to such license; and to collect license fees and establish application standards therefor, shall be, consistent with this act, exclusively vested in the commission or the division.

d. Except as otherwise provided in this section, the provisions of Title 33 of the Revised Statutes and the rules, regulations and bulletins promulgated by the Director of the Division of Alcoholic Beverage Control shall apply to a Casino Hotel and Casino Hotel Alcoholic Beverage Licensee licensed under this act.

e. Notwithstanding any provision to the contrary, the commission may promulgate any regulations and special rulings and findings as may be necessary for the proper enforcement, regulation, and control of alcoholic beverages in casino hotels when the commission finds that the uniqueness of casino operations and the public interest require that such regulations, rulings, and findings are appropriate. Regulations of the commission may include but are not limited to: designation and duties of enforcement personnel; all forms necessary or convenient in the administration of this section; inspections, investigations, searches, seizures; licensing and disciplinary standards; requirements and standards for any hearings or disciplinary or other proceedings that may be required from time to time; the assessment of fines or penalties for violations; hours of sale; sales in original containers; sales on credit; out-of-door sales; limitations on sales; gifts and promotional materials; locations or places for sale; control of signs and other displays; identification of licensees and their employees; employment of aliens and

minors; storage, transportation and sanitary requirements; records to be kept by the Casino Hotel Alcoholic Beverage Licensees and availability thereof; practices unduly designed to increase consumption of alcoholic beverages; and such other matters whatsoever as are or may become necessary and consistent with the administration of this act.

f. (1) It shall be unlawful for any person, including any casino licensee or any of its lessees, agents or employees, to expose for sale, solicit or promote the sale of, possess with intent to sell, sell, give, dispense, or otherwise transfer or dispose of alcoholic beverages in, on or about any portion of the premises of a casino hotel, unless said person possesses a Casino Hotel Alcoholic Beverage License. Nothing herein or in any other law to the contrary, however, shall prohibit a casino beverage server in the course of his or her employment from inquiring of a casino patron whether such patron desires a beverage, whether or not such inquiry is phrased in terms of any word which may connote that the beverage is an alcoholic beverage.

(2) It shall be unlawful for any person issued a Casino Hotel Alcoholic Beverage License to expose, possess, sell, give, dispense, transfer, or otherwise dispose of alcoholic beverages, other than within the terms and conditions of the Casino Hotel Alcoholic Beverage License issued, the provisions of Title 33 of the Revised Statutes, the rules and regulations promulgated by the Director of the Division of Alcoholic Beverage Control, and, when applicable, the regulations promulgated pursuant to this act.

g. In issuing a Casino Hotel Alcoholic Beverage License the commission shall describe the scope of the particular license and the restrictions and limitations thereon as it deems necessary and reasonable. The commission may, in a single Casino Hotel Alcoholic Beverage License, permit the holder of such a license to perform any or all of the following activities, subject to applicable laws, rules and regulations:

(1) To sell any alcoholic beverage by the glass or other open receptacle including, but not limited to, an original container, for on-premise consumption within a casino or simulcasting facility; provided, however, that no alcoholic beverage shall be sold or given for consumption; delivered or otherwise brought to a patron; or consumed at a gaming table unless so requested by the patron.

(2) To sell any alcoholic beverage by the glass or other open receptacle for on-premise consumption within a casino hotel, but not in a casino or simulcasting facility, or from a fixed location outside a building or structure containing a casino but on a casino hotel premises.

(3) To sell any alcoholic beverage in original containers for consumption outside the licensed area from an enclosed package room not in a casino or simulcasting facility.

(4) To sell any alcoholic beverage by the glass or other open receptacle or in original containers from a room service location within an enclosed room not in a casino or simulcasting facility; provided, however, that any sale of alcoholic beverages is delivered only to a guest room or to any other room in the casino hotel authorized by the commission, other than any room authorized by the commission pursuant to paragraph (1), (3), or (5) of this subsection.

(5) To possess or to store alcoholic beverages in original containers intended but not actually exposed for sale at a fixed location on a casino hotel premises, not in a casino or simulcasting facility; and to transfer or deliver such alcoholic beverages only to a location approved pursuant to this section; provided, however, that no access to or from a storage location shall be permitted except during the normal course of business by employees or agents of the licensee, or by licensed employees or agents of wholesalers or distributors licensed pursuant to Title 33 of the Revised Statutes and any applicable rules and regulations; and provided further, however, that no provision of this section shall be construed to prohibit a Casino Hotel Alcoholic Beverage Licensee from obtaining an off-site storage license from the Division of Alcoholic Beverage Control.

h. (1) No Casino Hotel Alcoholic Beverage License which authorizes the sale of alcoholic beverages within a casino pursuant to subsection g.(1) of this section shall issue to any applicant who does not hold a casino license issued pursuant to this act.

(2) No Casino Hotel Alcoholic Beverage License which authorizes the possession, sale or storage of alcoholic beverages pursuant to subsection g.(2), (3), (4), or (5) of this section shall issue to any applicant who would not qualify under the standards for licensure of a casino service industry pursuant to subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92).

(3) No Casino Hotel Alcoholic Beverage License which authorizes the possession or storage of alcoholic beverages pursuant to subsection g. of this section shall issue to any applicant who does not hold a Casino Hotel Alcoholic Beverage License, permitting any activity pursuant to subsection g.(1), (2), (3), or (4) of this section.

I. The commission may revoke, suspend, refuse to renew or refuse to transfer any Casino Hotel Alcoholic Beverage License, or fine or penalize any Casino Hotel Alcoholic Beverage Licensee for violations of any provision of Title 33 of the Revised Statutes, the rules and regulations promulgated by the Director of the Division of Alcoholic Beverage Control, and the regulations promulgated by the commission.

j. Jurisdiction over all alcoholic beverage licenses previously issued with respect to the casino hotel facility is hereby vested in the commission, which in its discretion may by regulation provide for the conversion thereof into a Casino Hotel Alcoholic Beverage License as provided in this section.

26. Section 104 of P.L.1977, c.110 (C.5:12-104) is amended to read as follows:

C.5:12-104 Casino licensee leases and contracts.

104. a. Unless otherwise provided in this subsection, no agreement shall be lawful which provides for the payment, however defined, of any direct or indirect interest, percentage or share of: any money or property gambled at a casino or simulcasting facility; any money or property derived from casino gaming activity or wagering at a simulcasting facility; or any revenues, profits or earnings of a casino or simulcasting facility. Notwithstanding the foregoing:

(1) Agreements which provide only for the payment of a fixed sum which is in no way affected by the amount of any such money, property, revenues, profits or earnings shall not be subject to the provisions of this subsection; and receipts, rentals or charges for real property, personal property or services shall not lose their character as payments of a fixed sum because of contract, lease, or license provisions for adjustments in charges, rentals or fees on account of changes in taxes or assessments, cost-of-living index escalations, expansion or improvement of facilities, or changes in services supplied.

(2) Agreements between a casino licensee and a junket enterprise or junket representative licensed, qualified or registered in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) and the regulations of the commission which provide for the compensation of the junket enterprise or junket representative by the casino licensee based upon the actual casino gaming or simulcast wagering activities of a patron procured or referred by the junket enterprise or junket representative shall be lawful if filed with the division prior to the conduct of any junket that is governed by the agreement.

(3) Agreements between a casino licensee and its employees which provide for casino employee or casino key employee profit sharing shall be lawful if the agreement is in writing and filed with the commission prior to its effective date. Such agreements may be reviewed by the commission under any relevant provision of P.L.1977, c.110 (C.5:12-1 et seq.).

(4) Agreements to lease an approved casino hotel or the land thereunder and agreements for the complete management of all casino gaming operations in a casino hotel shall not be subject to the provisions of this subsection but shall rather be subject to the provisions of subsections b. and c. of section 82 of this act.

(5) Agreements which provide for percentage charges between the casino licensee and a holding company or intermediary company of the casino licensee shall be in writing and filed with the commission but shall not be subject to the provisions of this subsection.

(6) Agreements relating to simulcast racing and wagering between a casino licensee and an in-State or out-of-State sending track licensed or exempt from licensure in accordance with subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92) shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the parimutuel pool wagered at a simulcasting facility to be paid to the sending track shall not be subject to the provisions of this subsection.

(7) Agreements relating to simulcast racing and wagering between a casino licensee and a

casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) as a hub facility, as defined in joint regulations of the Casino Control Commission and the New Jersey Racing Commission, shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the hub facility shall not be subject to the provisions of this subsection.

(8) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to conduct casino simulcasting in a simulcasting facility shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the casino service industry shall not be subject to the provisions of this subsection.

(9) Existing agreements or any renewals thereof relating to the operation of multi-casino progressive slot machine systems between one or more casino licensees and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) and provided such agreements are approved by the commission.

b. Each casino applicant or licensee shall maintain, in accordance with the rules of the commission, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the commission on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of this act. If the commission disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the commission may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if the commission shall require termination of an agreement pursuant to this subsection, such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate the agreement. If the agreement is not maintained or presented to the commission in accordance with commission regulations, or the disapproved agreement is not terminated, the commission may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the commission for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

c. Nothing in this act shall be deemed to permit the transfer of any license, or any interest in any license, or any certificate of compliance or any commitment or reservation.

27. Section 113 of P.L.1977, c.110 (C.5:12-113) is amended to read as follows:

C.5:12-113 Swindling and cheating; penalties.

113. Swindling and Cheating; Penalties.

a. A person is guilty of swindling and cheating if the person purposely or knowingly by any trick or sleight of hand performance or by a fraud or fraudulent scheme, cards, dice or device, for himself or herself or for another, wins or attempts to win money or property or a representative of either or reduces a losing wager or attempts to reduce a losing wager in connection to casino gaming.

b. Consolidation of offenses. Conduct denominated swindling and cheating in this section constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of swindling and cheating may be supported by evidence that it was committed in any manner that would be swindling and cheating under this section, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure a fair trial by granting a bill of particulars, discovery, continuance, or other appropriate relief when the conduct of the defense would be prejudiced by a lack of fair notice or by surprise.

c. Grading of swindling and cheating offenses.

(1) Swindling and cheating constitutes a crime of the second degree if the amount involved is \$75,000 or more.

(2) Swindling and cheating constitutes a crime of the third degree if the amount involved exceeds \$500.

(3) Swindling and cheating constitutes a crime of the fourth degree if the amount involved is at least \$200 but not more than \$500.

(4) Swindling and cheating constitutes a disorderly persons offense if the amount involved is less than \$200.

(5) The amount involved in swindling and cheating shall be determined by the trier of fact. Amounts involved in acts of swindling and cheating committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

28. Section 46 of P.L.1991, c.182 (C.5:12-113.1) is amended to read as follows:

C.5:12-113.1 Use of certain devices in playing games, grading of offense; forfeiture of devices.

46. a. A person commits a third degree offense if, in playing a game in a licensed casino or simulcasting facility, the person uses, or assists another in the use of, a computerized, electronic, electrical or mechanical device which is designed, constructed, or programmed specifically for use in obtaining an advantage at playing any game in a licensed casino or simulcasting facility, unless the advantage obtained can be assessed a monetary value or loss of \$75,000 or greater in which case the offense is a crime of the second degree.

b. Any computerized, electronic, electrical or mechanical device used in violation of subsection a. of this section shall be considered prima facie contraband and shall be subject to the provisions of N.J.S. 2C:64-2. A device used by any person in violation of this section shall be subject to forfeiture pursuant to the provisions of N.J.S.2C:64-1 et seq.

c. Each casino licensee shall post notice of this prohibition and the penalties of this section in a manner determined by the commission.

29. Section 118 of P.L.1977, c.110 (C.5:12-118) is amended to read as follows:

C.5:12-118 Regulations requiring exclusion or rejection of certain persons from licensed casinos; unlawful entry by person whose name has been placed on list; penalty.

118. Regulations Requiring Exclusion or Rejection of Certain Persons from Licensed Casinos; Unlawful Entry by Person Whose Name Has Been Placed on List; Penalty. Any person whose name is on the list of persons promulgated by the commission pursuant to the provisions of section 71 of this act, P.L.1977, c.110 (C.5:12-71), who knowingly enters the premises of a licensed casino is guilty of a crime of the fourth degree.

30. Section 119 of P.L.1977, c.110 (C.5:12-119) is amended to read as follows:

C.5:12-119 Gaming by certain persons prohibited; penalties; defenses.

119. Gaming by Certain Persons Prohibited; Penalties; Defenses.

a. No person under the age at which a person is authorized to purchase and consume alcoholic beverages shall enter, or wager in, a licensed casino or simulcasting facility; provided,

however, that such a person may enter a casino or simulcasting facility by way of passage to another room, and provided further, however, that any such person who is licensed or registered under the provisions of the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), may enter a casino or simulcasting facility in the regular course of the person's permitted activities.

Any person who violates this subsection shall be guilty of a disorderly persons offense and shall be fined not less than \$500 and not more than \$1,000. In addition, the court shall suspend or postpone the person's license to operate a motor vehicle for six months.

Upon the conviction of any person under this section, the court shall forward a report to the Division of Motor Vehicles stating the first and last day of the suspension or postponement period imposed by the court pursuant to this section. If a person at the time of the imposition of a sentence is less than 17 years of age, the period of license postponement, including a suspension or postponement of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period of six months after the person reaches the age of 17 years.

If a person at the time of the imposition of a sentence has a valid driver's license issued by this State, the court shall immediately collect the license and forward it to the division along with the report. If for any reason the license cannot be collected, the court shall include in the report the complete name, address, date of birth, eye color, and sex of the person as well as the first and last date of the license suspension period imposed by the court.

The court shall inform the person orally and in writing that if the person is convicted of operating a motor vehicle during the period of license suspension or postponement, the person shall be subject to the penalties set forth in R.S.39:3-40. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40.

If the person convicted under this section is not a New Jersey resident, the court shall suspend or postpone, as appropriate given the age at the time of sentencing, the non-resident driving privilege of the person and submit to the division the required report. The court shall not collect the license of a non-resident convicted under this section. Upon receipt of a report by the court, the division shall notify the appropriate officials in the licensing jurisdiction of the suspension or postponement.

b. Any licensee or employee of a casino who allows a person under the age at which a person is authorized to purchase and consume alcoholic beverages to remain in or wager in a casino or simulcasting facility is guilty of a disorderly persons offense; except that the establishment of all of the following facts by a licensee or employee allowing any such underage person to remain shall constitute a defense to any prosecution therefor:

(1) That the underage person falsely represented in writing that he or she was at or over the age at which a person is authorized to purchase and consume alcoholic beverages;

(2) That the appearance of the underage person was such that an ordinary prudent person would believe him or her to be at or over the age at which a person is authorized to purchase and consume alcoholic beverages; and

(3) That the admission was made in good faith, relying upon such written representation and appearance, and in the reasonable belief that the underage person was actually at or over the age at which a person is authorized to purchase and consume alcoholic beverages.

c. A person who knowingly allows or permits another person who is under his or her lawful care, custody, or control and who is under the age at which a person is authorized to purchase and consume alcoholic beverages to wager or attempt to wager in a licensed casino or simulcasting facility in violation of subsection a. of this section is guilty of a disorderly persons offense.

C.5:12-141.1 Fees to recoup costs of the division or commission.

31. Fees to Recoup Costs of the Division or Commission. The commission may, by regulation, establish fees to recoup the costs of services, equipment or other expenses that are rendered, utilized or incurred by the division or commission, including any unusual or out of pocket expenses directly related thereto, in response to requests arising under P.L.1977, c. 110

(C. 5:12-1 et seq.) that are unrelated to the investigation or consideration of the issuance or renewal of a registration or license.

32. Section 3 of P.L.1984, c.218 (C.5:12-144.1) is amended to read as follows:

C.5:12-144.1 Imposition of investment alternative tax.

3. a. (1) Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1983, there is imposed an investment alternative tax on the gross revenues as defined in section 24 of P.L.1977, c.110 (C.5:12-24) of the licensee in the amount of 2.5% of those gross revenues. The tax imposed with respect to each calendar year shall be due and payable on the last day of April next following the end of the calendar year. The State Treasurer shall have a lien against the property constituting the casino of a licensee for the amount of any tax not paid when due. No tax shall be imposed, however, on the gross revenues received by a licensee during the first 12 months of the operation of any casino that commences operation after January 1, 1984, but prior to the effective date of this act, P.L.1996, c.118 (C.5:12-173.3a et al.).

(2) A licensee shall pay to the State Treasurer on or before the 15th day of the first, fourth, seventh, and 10th months of each year as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection an amount equal to 1.25% of the estimated gross revenues for the three-month period immediately preceding the first day of those months. The moneys received shall be placed in an escrow account and shall be held until the licensee directs that the moneys be transferred to the Casino Reinvestment Development Authority for the purchase of bonds issued by or offered through the Casino Reinvestment Development Authority or pursuant to a contract for such a purchase, be made available to the licensee for a direct investment approved by the authority, or be transferred to the Casino Revenue Fund as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection. Any interest derived from the moneys in the escrow account shall be paid or made available to the Casino Revenue Fund. If a licensee fails to pay the amount due or underpays by an unjustifiable amount, the Casino Control Commission shall impose a fine of 5% of the amount due or of the underpayment, as the case may be, for each month or portion thereof the licensee is in default of payment, up to 25% of the amount in default. Any fine imposed shall be paid to the Casino Reinvestment Development Authority and shall be used for the purposes of this 1984 amendatory and supplementary act.

b. Each licensee shall be entitled to an investment tax credit against the tax imposed by subsection a. of this section, provided the licensee shall pay over the moneys required pursuant to section 5 of P.L.1993, c.159 (C.5:12-173.5): (1) for the first 10 years of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and (2) for the remainder of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and twice the amount of investments made by a licensee in other approved eligible investments made pursuant to section 25 of this act. The Casino Reinvestment Development Authority shall have the power to enter into a contract or contracts with a licensee pursuant to which the Casino Reinvestment Development Authority agrees to issue and sell bonds to the licensee, and the licensee agrees to purchase the bonds issued by or offered through the Casino Reinvestment Development Authority, in annual purchase price amounts as will constitute a credit against at least 50% of the tax to become due in any future year or years. The contract may contain those terms and conditions relating to the terms of the bonds and to the issuance and sale of the bonds to the licensee as the Casino Reinvestment Development Authority shall deem necessary or desirable. The contract shall not be deemed to be in violation of section 104 of P.L.1977, c.110 (C.5:12-104). After the first 10 years of a licensee's investment alternative tax obligation, a licensee will have the option of entering into a contract with the Casino Reinvestment

Development Authority to have its tax credit comprised of direct investments in approved eligible projects. These direct investments shall not comprise more than 50% of a licensee's eligible tax credit in any one year.

The entering of a contract pursuant to this section shall be sufficient to entitle a licensee to an investment tax credit for the appropriate tax year.

c. A contract entered into between a licensee and the Casino Reinvestment Development Authority may provide for a deferral of payment for and delivery of bonds required to be purchased and for a deferral from making approved eligible investments in any year, but no deferral shall occur more than two years consecutively. A deferral of payment for any bonds required to be purchased by a licensee and a deferral from making approved eligible investments may be granted by the Casino Reinvestment Development Authority only upon a determination by the Casino Control Commission that purchase of these bonds or making approved eligible investments would cause extreme financial hardship to the licensee and a determination by the Casino Reinvestment Development Authority that the deferral of the payment would not violate any covenant or agreement or impair any financial obligation of the Casino Reinvestment Development Authority. The contract may establish a late payment charge to be paid in the event of deferral or other late payment at a rate as shall be agreed to by the Casino Reinvestment Development Authority. If a deferral of purchase or investment is granted, the licensee shall be deemed to have made the purchase or investment at the time required by the contract, except that if the purchase is not made at the time to which the purchase or investment was deferred, then the licensee shall be deemed not to have made the purchase or investment. The Casino Control Commission shall adopt regulations establishing a uniform definition of extreme financial hardship applicable to all these contracts. If a licensee petitions the Casino Reinvestment Development Authority for a deferral, the Casino Reinvestment Development Authority shall give notice of that petition to the Casino Control Commission and to the Division of Gaming Enforcement within three days of the filing of the petition. The Casino Control Commission shall render a decision within 60 days of notice as to whether the licensee has established extreme financial hardship, after consultation with the Division of Gaming Enforcement. The Casino Reinvestment Development Authority shall render a decision as to the availability of the deferral within 10 days of the receipt by it of the decision of the Casino Control Commission and shall notify the Division of Gaming Enforcement and the Casino Control Commission of that decision. If a deferral is granted, the Casino Reinvestment Development Authority may determine whether the purchases or investments shall be made in a lump sum, made over a period of years, or whether the period of obligation shall be extended an additional period of time equivalent to the period of time deferred.

d. The license of any licensee which has defaulted in its obligation to make any purchase of bonds or investment in any approved eligible project under a contract entered into pursuant to subsection b. of this section for a period of 90 days may be suspended by the Casino Control Commission until that purchase is made or deferred in accordance with subsection b. of this section, or a fine or other penalty may be imposed upon the licensee by the commission. If the Casino Control Commission elects not to suspend the license of a licensee after the licensee has first defaulted in its obligation but instead imposes some lesser penalty and the licensee continues to be in default of its obligation after a period of 30 additional days and after any additional 30-day period, the commission may impose another fine or penalty upon the licensee, which may include suspension of that licensee's license. The fine shall be 5% of the amount of the obligation owed for each month or portion thereof a licensee is in default, up to 25% of that obligation; shall be paid to the Casino Reinvestment Development Authority; and shall be used for the purposes of this 1984 amendatory and supplementary act.

e. A contract entered into by a licensee and the Casino Reinvestment Development Authority pursuant to subsection b. of this section may provide that after the first 10 years of a licensee's investment alternative tax obligation imposed by subsection a. of this section, the Casino Reinvestment Development Authority may repurchase bonds previously sold to the licensee, which were issued after the 10th year of a licensee's investment alternative tax obligation, by the Casino Reinvestment Development Authority, if the Casino Reinvestment Development Authority determines that the repurchase will not violate any agreement or

covenant or impair any financial obligation of the Casino Reinvestment Development Authority and that the licensee will reinvest the proceeds of the resale in an eligible project approved by the Casino Reinvestment Development Authority.

f. (1) During the 35 years a licensee is obligated to pay an investment alternative tax pursuant to subsection k. of this section, the total of (a) the proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment Development Authority and (b) all approved investments in eligible projects by a licensee shall be devoted to the financing of projects in the following areas and amounts:

Areas	Yrs. 1-3	Yrs. 4-5	Yrs. 6-10	Yrs. 11-15	Yrs. 16-20	Yrs. 21-25	Yrs. 26-30	Yrs. 31-35
a) Atlantic City	100%	90%	80%	50%	30%	20%		
b) South Jersey		8%	12%	28%	43%	45%		25%
c) North Jersey		2%	8%	22%	27%	35%	35%	50%
d) Atlantic City through the Atlantic City Fund							65%	25%

except that, with respect to the obligations for calendar years 1994 through 1998, the amount allocated for the financing of projects in North Jersey from each casino licensee's obligation shall be the amount allocated for calendar year 1993, and the difference between that amount and the amount to be allocated to North Jersey, on the basis of the above schedule, from each casino licensee's obligations for calendar years 1994 through 1998 shall be paid into or credited to the Atlantic City Fund established by section 44 of P.L.1995, c.18 (C.5:12-161.1) and be devoted to the financing of projects in Atlantic City through that fund. For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem; and "North Jersey" means the remaining 12 counties of the State. For the purposes of this 1984 amendatory and supplementary act, bond "proceeds" means all funds received from the sale of bonds and any funds generated or derived therefrom.

In the financing of projects outside Atlantic City, the Casino Reinvestment Development Authority shall give priority to the revitalization of the urban areas of this State in the ways specified in section 12 of this 1984 amendatory and supplementary act. Those areas shall include, but not be limited to, all municipalities qualifying for aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.).

Within nine months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in South Jersey for the first seven years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first seven years of the receipt of funds by South Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the seventh year of the receipt of funds by South Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of

eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

Within 36 months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in North Jersey for the first five years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first five years of the receipt of funds by North Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the fifth year of the receipt of funds by North Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

(2) Commencing with the first year in which a licensee incurs a tax obligation pursuant to this section, and for the period of two years thereafter, 100% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City pursuant to paragraph (1) of this subsection shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, as defined in this subsection. For the purposes of this subsection, the "rehabilitation, development, or construction of housing facilities" shall include expenses attributable to site preparation, infrastructure needs and housing-related community facilities and services, including supporting commercial development. Commencing with the fourth year in which a licensee incurs a tax obligation pursuant to this subsection, 50% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income. Commencing with the 11th year in which a licensee incurs a tax obligation pursuant to this section, 50% of the annual aggregate of the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City

and investments in approved eligible projects commenced by a licensee in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income.

(3) The Legislature finds that it is necessary to provide for a balanced community and develop a comprehensive housing program. The Casino Reinvestment Development Authority shall determine the need for housing in the city of Atlantic City, in consultation with the city of Atlantic City and specifically its zoning and planning boards. This shall include determining the types and classes of housing to be constructed and the number of units of each type and class of housing to be built. The Casino Reinvestment Development Authority shall give priority to the housing needs of the persons and their families residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act. The actual percentage of the proceeds of bonds and investments in approved eligible projects commenced by a licensee in the city of Atlantic City, which shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, shall be based upon the authority's determination of the need for housing in the city of Atlantic City conducted pursuant to this subsection. Once the housing needs of the persons residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act have been met, as determined by the Casino Reinvestment Development Authority pursuant to this subsection, any required percentages for such housing in the city of Atlantic City may, in its sole discretion, be waived by the Casino Reinvestment Development Authority. To aid the Casino Reinvestment Development Authority in making these determinations, the Casino Reinvestment Development Authority shall review the proposal for a housing redevelopment program and strategy for the city of Atlantic City approved and adopted by the Casino Control Commission and shall give priority to same and any other plan or project which is consistent with the standards of this subsection and is acceptable to the Casino Reinvestment Development Authority, pursuant to section 25 of this 1984 amendatory and supplementary act. The Casino Reinvestment Development Authority may determine whether the funds used to finance housing facilities in the city of Atlantic City for persons or families of low, moderate, median range, and middle income are derived from the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority to be devoted to the financing of projects in the city of Atlantic City, investments in approved eligible projects commenced by a licensee in the city of Atlantic City, or a combination of both. Any investment made by a licensee in excess of 100% of its eligible investment tax credit during the first three years and in excess of 50% thereafter in either the purchase of bonds or direct investments in approved eligible projects for low, moderate, median range, and middle income family housing facilities in the city of Atlantic City may be carried forward and credited against the licensee's obligation to make a 100% investment during the first three years and 50% thereafter in low, moderate, median range, and middle income family housing in any future year, with the approval of the Casino Reinvestment Development Authority. For the purposes of this act, "low income families" means families whose income does not exceed 50% of the median income of the area, with adjustments for smaller and larger families. "Moderate income families" means families whose income does not exceed 80% and is not less than 50% of the median income for the area, with adjustments for smaller and larger families. "Median range income families" means families whose income does not exceed 120% and is not less than 80% of the median income for the area, with adjustments for smaller and larger families. "Middle income families" means families whose income does not exceed 150% and not less than 120% of the median income for the area, with adjustments for smaller and larger families. "Median income" means an income defined as median within the Standard Metropolitan Statistical Area for Atlantic City by the United States Department of Housing and Urban Development.

In order to achieve a balanced community, the authority shall ensure that the development of housing for families of low and moderate income shall proceed at the same time as housing for families of median range and middle income, until such time as there is no longer a need for such

facilities in the city of Atlantic City, as determined by the Casino Reinvestment Development Authority.

(4) Notwithstanding any other law or section to the contrary, particularly this subsection regarding the waiver of the required percentages for housing in the city of Atlantic City, subsection I. of section 14, and sections 26, 27, 28, 29, and 31 of this 1984 amendatory and supplementary act, nothing shall be implemented or waived by the Casino Reinvestment Development Authority which would reduce, impair, or prevent the fulfillment of the priorities established and contained in this subsection of this 1984 amendatory and supplementary act.

g. If a person is a licensee with regard to more than one approved hotel pursuant to section 82 of P.L.1977, c.110 (C.5:12-82), the person shall separately account for the gross revenues, the investment alternative tax obligations, and the investments for a tax credit against the investment alternative tax for each approved hotel, and the tax obligations of the licensee under this section shall be determined separately for each approved hotel. The licensee may apportion investments between its approved hotels; provided that no amount of investment shall be credited more than once. If a licensee receives the prior approval of the Casino Reinvestment Development Authority, the licensee may make eligible investments in excess of the investments necessary to receive a tax credit against the investment alternative tax for a given calendar year, and the licensee may carry forward this excess investment and have it credited to its next investment alternative tax obligation. If the Casino Reinvestment Development Authority approves of such excess investment and approves the carry forward of this excess investment, and a licensee elects to purchase bonds of the Casino Reinvestment Development Authority or makes direct investments in approved eligible projects in excess of the investments necessary to receive a tax credit against the investment alternative tax for its current obligation, the licensee shall be entitled to a reduction of the amount of investments necessary in future years, which amount shall be determined annually by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase or investment to the date the purchase or investment would have been required to be made.

h. Each casino licensee shall prepare and file, in a form prescribed by the Casino Reinvestment Development Authority, an annual return reporting that financial information as shall be deemed necessary by the Casino Reinvestment Development Authority to carry out the provisions of this act.
