

## CHAPTER 94

**AN ACT** exempting pay for election board work on election day from the calculation of unemployment benefits and amending R.S.43:21-4 and R.S.43:21-19.

**BE IT ENACTED** by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-4 is amended to read as follows:

Benefit eligibility conditions.

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if:

(a) The individual has filed a claim at an unemployment insurance claims office and thereafter continues to report at an employment service office or unemployment insurance claims office, as directed by the division in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided that no such regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R.S.43:21-6.

(c) (1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual's own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual's control.

(4) (A) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual's employment opportunities or because the individual failed or refused to accept work while attending such program.

(B) For the purpose of this paragraph (4), any training program shall be regarded as approved by the division for the individual if the program and the individual meet the following requirements:

(i) The training is for a labor demand occupation and is likely to enhance the individual's marketable skills and earning power;

(ii) The training is provided by a competent and reliable private or public entity approved by the Commissioner of Labor pursuant to the provisions of section 8 of the "1992 New Jersey Employment and Workforce Development Act," P.L.1992, c.43 (C.34:15D-8);

(iii) The individual can reasonably be expected to complete the program, either during or after the period of benefits;

(iv) The training does not include on the job training or other training under which the individual is paid by an employer for work performed by the individual during the time that the individual receives benefits; and

(v) The individual enrolls in vocational training, remedial education or a combination of both on a full-time basis.

(c) If the requirements of subparagraph (B) of this paragraph (4) are met, the division shall not withhold approval of the training program for the individual for any of the following reasons:

(i) The training includes remedial basic skills education necessary for the individual to successfully complete the vocational component of the training;

(ii) The training is provided in connection with a program under which the individual may obtain a college degree, including a post-graduate degree;

(iii) The length of the training period under the program; or

(iv) The lack of a prior guarantee of employment upon completion of the training.

(D) For the purpose of this paragraph (4), "labor demand occupation" means an occupation for which there is or is likely to be an excess of demand over supply for adequately trained workers, including, but not limited to, an occupation designated as a labor demand occupation by the New Jersey Occupational Information Coordinating Committee pursuant to the provisions of subsection h. of section 1 of P.L.1987, c.457 (C.34:1A-76) or section 12 of P.L.1992, c.43 (C.34:1A-78).

(5) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance before a court in response to a summons for service on a jury.

(6) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance at the funeral of an immediate family member, provided that the duration of the attendance does not extend beyond a two-day period.

For purposes of this paragraph, "immediate family member" includes any of the following individuals: father, mother, mother-in-law, father-in-law, grandmother, grandfather, grandchild, spouse, child, foster child, sister or brother of the unemployed individual and any relatives of the unemployed individual residing in the unemployed individual's household.

(7) No individual, who is otherwise eligible, shall be deemed ineligible or unavailable for work with respect to any week because, during that week, the individual fails or refuses to accept work while the individual is participating on a full-time basis in self-employment assistance activities authorized by the division, whether or not the individual is receiving a self-employment allowance during that week.

(8) Any individual who is determined to be likely to exhaust regular benefits and need reemployment services based on information obtained by the worker profiling system shall not be eligible to receive benefits if the individual fails to participate in available reemployment services to which the individual is referred by the division or in similar services, unless the division determines that:

(A) The individual has completed the reemployment services; or

(B) There is justifiable cause for the failure to participate, which shall include participation in employment and training, self-employment assistance activities or other activities authorized by the division to assist reemployment or enhance the marketable skills and earning power of the individual and which shall include any other circumstance indicated pursuant to this section in which an individual is not required to be available for and actively seeking work to receive benefits.

(9) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's work as a board worker for a county board of elections on an election day.

(d) With respect to any benefit year commencing before January 1, 2002, the individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided that the requirements of this paragraph shall be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) If it has constituted a waiting period week under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.);

(3) Unless the individual fulfills the requirements of subsections (a) and © of this section;

(4) If with respect thereto, claimant was disqualified for benefits in accordance with the provisions of subsection (d) of R.S.43:21-5.

The waiting period provided by this subsection shall not apply to benefit years commencing on or after January 1, 2002. An individual whose total benefit amount was reduced by the application of the waiting period to a claim which occurred on or after January 1, 2002 and before the effective date of P.L.2002, c.13, shall be permitted to file a claim for the additional

benefits attributable to the waiting period in the form and manner prescribed by the division, but not later than the 180th day following the effective date of P.L.2002, c.13 unless the division determines that there is good cause for a later filing.

(e) (1) (Deleted by amendment, P.L.2001, c.17).

(2) With respect to benefit years commencing on or after January 1, 1996 and before January 7, 2001, except as otherwise provided in paragraph (3) of this subsection, the individual has, during his base year as defined in subsection © of R.S.43:21-19:

(A) Established at least 20 base weeks as defined in paragraph (2) of subsection (t) of R.S.43:21-19; or

(B) If the individual has not met the requirements of subparagraph (A) of this paragraph (2), earned remuneration not less than an amount 12 times the Statewide average weekly remuneration paid to workers, as determined under R.S.43:21-3(c), which amount shall be adjusted to the next higher multiple of \$100.00 if not already a multiple thereof; or

© If the individual has not met the requirements of subparagraph (A) or (B) of this paragraph (2), earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of \$100.00 if not already a multiple thereof.

(3) With respect to benefit years commencing before January 7, 2001, notwithstanding the provisions of paragraph (2) of this subsection, an unemployed individual claiming benefits on the basis of service performed in the production and harvesting of agricultural crops shall, subject to the limitations of subsection (i) of R.S.43:21-19, be eligible to receive benefits if during his base year, as defined in subsection © of R.S.43:21-19, the individual:

(A) Has established at least 20 base weeks as defined in paragraph (2) of subsection (t) of R.S.43:21-19; or

(B) Has earned 12 times the Statewide average weekly remuneration paid to workers, as determined under R.S.43:21-3(c), raised to the next higher multiple of \$100.00 if not already a multiple thereof, or more; or

(C) Has performed at least 770 hours of service in the production and harvesting of agricultural crops.

(4) With respect to benefit years commencing on or after January 7, 2001, except as otherwise provided in paragraph (5) of this subsection, the individual has, during his base year as defined in subsection © of R.S.43:21-19:

(A) Established at least 20 base weeks as defined in paragraphs (2) and (3) of subsection (t) of R.S.43:21-19; or

(B) If the individual has not met the requirements of subparagraph (A) of this paragraph (4), earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of \$100 if not already a multiple thereof.

(5) With respect to benefit years commencing on or after January 7, 2001, notwithstanding the provisions of paragraph (4) of this subsection, an unemployed individual claiming benefits on the basis of service performed in the production and harvesting of agricultural crops shall, subject to the limitations of subsection (i) of R.S.43:21-19, be eligible to receive benefits if during his base year, as defined in subsection © of R.S.43:21-19, the individual:

(A) Has established at least 20 base weeks as defined in paragraphs (2) and (3) of subsection (t) of R.S.43:21-19; or

(B) Has earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of \$100 if not already a multiple thereof; or

(C) Has performed at least 770 hours of service in the production and harvesting of agricultural crops.

(6) The individual applying for benefits in any successive benefit year has earned at least six times his previous weekly benefit amount and has had four weeks of employment since the

beginning of the immediately preceding benefit year. This provision shall be in addition to the earnings requirements specified in paragraph (2), (3), (4) or (5) of this subsection, as applicable.

(f) (1) The individual has suffered any accident or sickness not compensable under the workers' compensation law, R.S.34:15-1 et seq. and resulting in the individual's total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R.S.43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for the inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d); provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in R.S.43:21-27(b); provided further that no benefits shall be payable under this subsection to any individual:

(A) For any period during which such individual is not under the care of a legally licensed physician, dentist, optometrist, podiatrist, practicing psychologist or chiropractor;

(B) (Deleted by amendment, P.L.1980, c.90.)

(C) For any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a crime of the first, second or third degree;

(D) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(E) For any week with respect to which or part of which the individual has received or is seeking disability benefits under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.);

(F) For any period of disability commencing while such individual is a "covered individual," as defined in subsection (b) of section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27).

(2) Benefit payments under this subsection (f) shall be charged to and paid from the State disability benefits fund established by the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and © of R.S.43:21-19 (i)(1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the "unemployment compensation law"; except that, notwithstanding any other provisions of the "unemployment compensation law":

(1) With respect to service performed after December 31, 1977, in an instructional research, or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual if such individual performs such services in the first of such academic years (or terms) and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms;

(2) With respect to weeks of unemployment beginning after September 3, 1982, on the basis of service performed in any other capacity for an educational institution, benefits shall not be paid on the basis of such services to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms, except that if benefits are denied to any individual under this paragraph (2) and the individual was not offered an opportunity to perform these services for the educational institution for the second

of any academic years or terms, the individual shall be entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this clause;

(3) With respect to those services described in paragraphs (1) and (2) above, benefits shall not be paid on the basis of such services to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such period or holiday recess;

(4) With respect to any services described in paragraphs (1) and (2) above, benefits shall not be paid as specified in paragraphs (1), (2), and (3) above to any individual who performed those services in an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing those services to one or more educational institutions.

(h) Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sports seasons (or similar periods) if such individual performed such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such seasons (or similar periods).

(i) (1) Benefits shall not be paid on the basis of services performed by an alien unless such alien is an individual who was lawfully admitted for permanent residence at the time the services were performed and was lawfully present for the purpose of performing the services or otherwise was permanently residing in the United States under color of law at the time the services were performed (including an alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) (8 U.S.C. s.1182 (d)(5)) of the Immigration and Nationality Act (8 U.S.C. s.1101 et seq.)); provided that any modifications of the provisions of section 3304(a)(14) of the Federal Unemployment Tax Act (26 U.S.C. s.3304 (a)(14)), as provided by Pub.L.94-566, which specify other conditions or other effective dates than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under State law as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act, shall be deemed applicable under the provisions of this section.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of alien status shall be made except upon a preponderance of the evidence.

(j) Notwithstanding any other provision of this chapter, the director may, to the extent that it may be deemed efficient and economical, provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to Article III (State plan) of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

2. R.S.43:21-19 is amended to read as follows:

Definitions.

43:21-19. Definitions. As used in this chapter (R.S.43:21-1 et seq.), unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three or five preceding calendar years, whichever average is higher, except that any year

or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior three or five calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of R.S.43:21-7 means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund for the last three or five preceding calendar years, whichever average is higher; provided further that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12-month period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R.S.43:21-1 et seq.), with respect to his unemployment.

(c) (1) "Base year" with respect to benefit years commencing on or after July 1, 1986, shall mean the first four of the last five completed calendar quarters immediately preceding an individual's benefit year.

With respect to a benefit year commencing on or after July 1, 1995, if an individual does not have sufficient qualifying weeks or wages in his base year to qualify for benefits, the individual shall have the option of designating that his base year shall be the "alternative base year," which means the last four completed calendar quarters immediately preceding the individual's benefit year; except that, with respect to a benefit year commencing on or after October 1, 1995, if the individual also does not have sufficient qualifying weeks or wages in the last four completed calendar quarters immediately preceding his benefit year to qualify for benefits, "alternative base year" means the last three completed calendar quarters immediately preceding his benefit year and, of the calendar quarter in which the benefit year commences, the portion of the quarter which occurs before the commencing of the benefit year.

The division shall inform the individual of his options under this section as amended by P.L.1995, c.234. If information regarding weeks and wages for the calendar quarter or quarters immediately preceding the benefit year is not available to the division from the regular quarterly reports of wage information and the division is not able to obtain the information using other means pursuant to State or federal law, the division may base the determination of eligibility for benefits on the affidavit of an individual with respect to weeks and wages for that calendar quarter. The individual shall furnish payroll documentation, if available, in support of the affidavit. A determination of benefits based on an alternative base year shall be adjusted when the quarterly report of wage information from the employer is received if that information causes a change in the determination.

(2) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period defined as a period of disability by section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27). An individual who files a claim under the provisions of this paragraph (2) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(3) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the workers' compensation law (chapter 15 of Title 34 of the Revised Statutes), "base year" shall mean the first four of the last five completed calendar quarters immediately

preceding the individual's period of disability, if the period of disability was not longer than two years, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and if the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period from the time at which the individual becomes unable to work because of the compensable disability until the time that the individual becomes able to resume work and continue work on a permanent basis. An individual who files a claim under the provisions of this paragraph (3) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of R.S.43:21-6 shall be deemed to be a "valid claim" for the purpose of this subsection if (1) he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of R.S.43:21-4.

(e) (1) "Division" means the Division of Unemployment and Temporary Disability Insurance of the Department of Labor, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R.S.43:21-1 et seq.), shall be deemed to be performed by the division.

(2) "Controller" means the Office of the Assistant Commissioner for Finance and Controller of the Department of Labor, established by the 1982 Reorganization Plan of the Department of Labor.

(f) "Contributions" means the money payments to the State Unemployment Compensation Fund, required by R.S.43:21-7. "Payments in lieu of contributions" means the money payments to the State Unemployment Compensation Fund by employers electing or required to make payments in lieu of contributions, as provided in section 3 or section 4 of P.L.1971, c.346 (C.43:21-7.2 or 43:21-7.3).

(g) "Employing unit" means the State or any of its instrumentalities or any political subdivision thereof or any of its instrumentalities or any instrumentality of more than one of the foregoing or any instrumentality of any of the foregoing and one or more other states or political subdivisions or any individual or type of organization, any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains two or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R.S.43:21-1 et seq.). Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter (R.S.43:21-1 et seq.), whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided the employing unit had actual or constructive knowledge of the work.

(h) "Employer" means:

(2) Any employing unit (whether or not an employing unit at the time of acquisition) which acquired the organization, trade or business, or substantially all the assets thereof, of another which, at the time of such acquisition, was an employer subject to this chapter (R.S.43:21-1 et seq.);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with one or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same

interests, or which owns or controls one or more other employing units (by legally enforceable means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit for which service in employment as defined in R.S.43:21-19 (i) (1) (B) (i) is performed after December 31, 1971; and as defined in R.S.43:21-19 (i) (1) (B) (ii) is performed after December 31, 1977;

(7) Any employing unit not an employer by reason of any other paragraph of this subsection (h) for which, within either the current or preceding calendar year, service is or was performed with respect to which such employing unit is liable for any federal tax against which credit may be taken for contributions required to be paid into a state unemployment fund; or which, as a condition for approval of the "unemployment compensation law" for full tax credit against the tax imposed by the Federal Unemployment Tax Act, is required pursuant to such act to be an employer under this chapter (R.S.43:21-1 et seq.);

(12) Any employing unit for which agricultural labor in employment as defined in R.S.43:21-19 (i) (1) (i) is performed after December 31, 1977;

(13) Any employing unit for which domestic service in employment as defined in R.S.43:21-19 (i) (1) (J) is performed after December 31, 1977;

(14) Any employing unit which having become an employer under the "unemployment compensation law" (R.S.43:21-1 et seq.), has not under R.S.43:21-8 ceased to be an employer; or for the effective period of its election pursuant to R.S.43:21-8, any other employing unit which has elected to become fully subject to this chapter (R.S.43:21-1 et seq.).

(i) (1) "Employment" means:

(A) Any service performed prior to January 1, 1972, which was employment as defined in the "unemployment compensation law" (R.S.43:21-1 et seq.) prior to such date, and, subject to the other provisions of this subsection, service performed on or after January 1, 1972, including service in interstate commerce, performed for remuneration or under any contract of hire, written or oral, express or implied.
