c. Payments for the foregoing services, goods and supplies furnished pursuant to this act shall be made to the extent authorized by this act, the rules and regulations promulgated pursuant thereto and, where applicable, subject to the agreement of insurance provided for under this act. Said payments shall constitute payment in full to the provider on behalf of the recipient. Every provider making a claim for payment pursuant to this act shall certify in writing on the claim submitted that no additional amount will be charged to the recipient, his family, his representative or others on his behalf for the services, goods and supplies furnished pursuant to this act.

No provider whose claim for payment pursuant to this act has been denied because the services, goods or supplies were determined to be medically unnecessary shall seek reimbursement from the recipient, his family, his representative or others on his behalf for such services, goods and supplies provided pursuant to this act; provided, however, a provider may seek reimbursement from a recipient for services, goods or supplies not authorized by this act, if the recipient elected to receive the services, goods or supplies with the knowledge that they were not authorized.

d. Any individual eligible for medical assistance (including drugs) may obtain such assistance from any person qualified to perform the service or services required (including an organization which provides such services, or arranges for their availability on a prepayment basis), who undertakes to provide him such services.

No copayment or other form of cost-sharing shall be imposed on any individual eligible for medical assistance, except as mandated by federal law as a condition of federal financial participation.

e. Anything in this act to the contrary notwithstanding, no payments for medical assistance shall be made under this act with respect to care or services for any individual who:

(1) Is an inmate of a public institution (except as a patient in a medical institution); provided, however, that an individual who is otherwise eligible may continue to receive services for the month in which he becomes an inmate, should the commissioner determine to expand the scope of Medicaid eligibility to include such an individual, subject to the limitations imposed by federal law and regulations, or

(2) Has not attained 65 years of age and who is a patient in an institution for mental diseases, or

(3) Is over 21 years of age and who is receiving inpatient psychiatric hospital services

in a psychiatric facility; provided, however, that an individual who was receiving such services immediately prior to attaining age 21 may continue to receive such services until he reaches age 22. Nothing in this subsection shall prohibit the commissioner from extending medical assistance to all eligible persons receiving inpatient psychiatric services; provided that there is federal financial participation available.

f. (1) A third party as defined in section 3 of P.L.1968, c.413 (C.30:4D-3) shall not consider a person's eligibility for Medicaid in this or another state when determining the person's eligibility for enrollment or the provision of benefits by that third party.

(2) In addition, any provision in a contract of insurance, health benefits plan or other health care coverage document, will, trust agreement, court order or other instrument which reduces or excludes coverage or payment for health care-related goods and services to or for an individual because of that individual's actual or potential eligibility for or receipt of Medicaid benefits shall be null and void, and no payments shall be made under this act as a result of any such provision.

(3) Notwithstanding any provision of law to the contrary, the provisions of paragraph (2) of this subsection shall not apply to a trust agreement that is established pursuant to 42 U.S.C. s.1396p(d)(4)(A) or (C) to supplement and augment assistance provided by government entities to a person who is disabled as defined in section 1614(a)(3) of the federal Social Security Act (42 U.S.C. s.1382c (a)(3)).

g. The following services shall be provided to eligible medically needy individuals as follows:

(5) (a) Inpatient hospital services, subsection a.(1) of this section, shall only be provided to eligible medically needy individuals, other than pregnant women, if the federal Department of Health and Human Services discontinues the State's waiver to establish inpatient hospital reimbursement rates for the Medicare and Medicaid programs under the authority of section 601(c)(3) of the Social Security Act Amendments of 1983, Pub.L.98-21 (42 U.S.C. s.1395ww(c)(5)). Inpatient hospital services may be extended to other eligible medically needy individuals if the federal Department of Health and Human Services directs that these services be included.

(b) Outpatient hospital services, subsection a.(2) of this section, shall only be provided to eligible medically needy individuals if the federal Department of Health and Human Services discontinues the State's waiver to establish outpatient hospital reimbursement rates for the Medicare and Medicaid programs under the authority of section 601(c)(3) of the Social Security Act Amendments of 1983, Pub.L.98-21 (42 U.S.C. s.1395ww(c)(5)). Outpatient hospital services may be extended to all or to certain medically needy individuals if the federal Department of Health and Human Services directs that these services be included. However, the use of outpatient hospital services shall be limited to clinic services and to emergency room services for injuries and significant acute medical conditions.

(c) The division shall monitor the use of inpatient and outpatient hospital services by medically needy persons.

j. In the case of a qualified individual pursuant to 42 U.S.C. s.1396a(aa), the only medical assistance provided under this act shall be payment for authorized services provided during the period in which the individual requires treatment for breast or cervical cancer, in accordance with criteria established by the commissioner.

2. The Commissioner of Human Services, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate the purposes of this act.

3. This act shall take effect on the 180th day after enactment, except that the Commissioner of Human Services may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.
