The campaign treasurer of the political committee reporting shall certify to the correctness of each report.

Each campaign treasurer of a political committee shall file written notice with the commission of a contribution in excess of \$500 received during the period between the 13th day prior to the election and the date of the election, and of an expenditure of money or other thing of value in excess of \$500 made, incurred or authorized by the political committee to support or defeat a candidate in an election, or to aid the passage or defeat of any public question, during the period between the 13th day prior to the election and the date of the election. b. (1) A group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$2,500.00 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office or the passage or defeat of a public question or public questions and which expects to make contributions toward such aid or promotion, or toward such passage or defeat, during a subsequent election shall certify that fact to the commission, and the commission, upon receiving that certification and on the basis of any information as it may require of the group, corporation, partnership, association or other organization, shall determine whether the group, corporation, partnership, association or other organization is a continuing political committee for the purposes of this act. If the commission determines that the group, corporation, partnership, association or other organization is a continuing political committee, it shall so notify that continuing political committee.

No person serving as the chairman of a political party committee or a legislative leadership committee shall be eligible to be appointed or to serve as the chairman of a continuing political committee.

(2) A continuing political committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 and January 15 of each calendar year, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public question.

The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the amount and purpose of each such expenditure. The treasurer of the continuing political committee reporting shall certify to the correctness of each cumulative quarterly report.

Each continuing political committee shall provide immediate written notification to each candidate of all expenditures made or authorized on behalf of the candidate.

If any continuing political committee submitting cumulative quarterly reports as provided under this subsection receives a contribution from a single source of more than \$500 after the final day of a quarterly reporting period and on or before a primary, general, municipal, school or special election which occurs after that final day but prior to the final day of the next reporting period it shall, in writing or by telegram, report that contribution to the commission within 48 hours of the receipt thereof, including in that report the amount and date of the contribution; the name and mailing address of the contributor; and where the contributor is an

individual, the individual's occupation and the name and mailing address of the individual's employer. If any continuing political committee makes or authorizes an expenditure of money or other thing of value in excess of \$500, or incurs any obligation therefor, to support or defeat a candidate in an election, or to aid the passage or defeat of any public question, after March 31 and on or before the day of the primary election, or after September 30 and on or before the day of the general election, it shall, in writing or by telegram, report that expenditure to the commission within 48 hours of the making, authorizing or incurring thereof.

A continuing political committee which ceases making contributions toward the aiding or promoting of the candidacy of an individual, or of the candidacies of individuals, for elective public office in this State or the passage or defeat of a public question or public questions in this State shall certify that fact in writing to the commission, and that certification shall be accompanied by a final accounting of any fund relating to such aiding or promoting including the final disposition of any balance in such fund at the time of dissolution. Until that certification has been filed, the committee shall continue to file the quarterly reports as provided under this subsection.

c. Each political party committee and each legislative leadership committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 and January 15 of each calendar year, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public question.

The cumulative quarterly report shall contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this subsection, the report shall contain the name and address of each person who cosigns such loan, and where an individual has cosigned such loans, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the amount and purpose of each such expenditure. The treasurer of the political party committee or legislative leadership committee reporting shall certify to the correctness of each cumulative quarterly report.

If a political party committee or a legislative leadership committee submitting cumulative quarterly reports as provided under this subsection receives a contribution from a single source of more than \$500 after the final day of a quarterly reporting period and on or before a primary, general, municipal, school or special election which occurs after that final day but prior to the final day of the next reporting period it shall, in writing or by telegram, report that contribution to the commission within 48 hours of the receipt thereof, including in that report the amount and date of the contribution; the name and mailing address of the contributor; and where the contributor is an individual, the individual's occupation and the name and mailing address of the individual's employer.

d. In any report filed pursuant to the provisions of this section the organization or committee reporting may exclude from the report the name of and other information relating to any contributor whose contributions during the period covered by the report did not exceed \$300, provided, however, that (1) such exclusion is unlawful if any person responsible for the

preparation or filing of the report knew that it was made with respect to any person whose contributions relating to the same election or issue and made to the reporting organization or committee aggregate, in combination with the contribution in respect of which such exclusion is made, more than \$300 and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identification of a contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requiring any committee or organization reporting pursuant to this act to report the amounts, dates or other circumstantial data regarding contributions made to any other organization or political committee, political party committee or campaign organization of a candidate.

Any report filed pursuant to the provisions of this section shall include an itemized accounting of all receipts and expenditures relative to any testimonial affairs held since the date of the most recent report filed, which accounting shall include the name and mailing address of each contributor in excess of \$300 to such testimonial affair and the amount contributed by each; in the case of an individual contributor, the occupation of the individual and the name and mailing address of the individual's employer; the expenses incurred; and the disposition of the proceeds of such testimonial affair.

The \$300 limits established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

e. A political committee shall be exempt from any requirement to file reports pursuant to this section of contributions received or expenditures made in behalf of two or more joint candidates in any election if the committee files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended on behalf of their candidacies shall not exceed \$4,000.00; provided, that if a committee which has filed such a sworn statement receives contributions from any one source aggregating more than \$300, it shall forthwith report that fact, including the name and mailing address of the source; where the source is an individual, the occupation of the individual and the name and mailing address of the individual's employer; and the aggregate total of contributions from the source to the commission. Any sworn statement under this subsection may be filed with the notice of designation by a political committee of a campaign treasurer and campaign depository under section 10 of P.L.1973, c.83 (C.19:44A-10), if that committee knows or has reason to believe, at the time when the notice of designation is given, that the total amount to be so expended shall not exceed \$4,000.00.

The \$300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

4. Section 11 of P.L.1973, c.83 (C.19:44A-11) is amended to read as follows:

C.19:44A-11 Procedures for contributions, expenditures; requirements.

11. No contribution of money or other thing of value, nor obligation therefor, including but not limited to contributions, loans or obligations of a candidate himself or of his family, shall be made or received, and no expenditure of money or other thing of value, nor obligation therefor, including expenditures, loans or obligations of a candidate himself or of his family, shall be made or incurred, directly or indirectly, to support or defeat a candidate in any election, or to aid the passage or defeat of any public question, except through:

b. The duly appointed organizational treasurer or deputy organizational treasurers of a

political party committee or a continuing political committee;

c. The duly appointed campaign treasurer or deputy campaign treasurers of a political committee; or

d. The duly appointed organizational treasurer or deputy organizational treasurer of a legislative leadership committee.

It shall be lawful, however, for any person, not acting in concert with any other person or group, to expend personally from his own funds a sum which is not to be repaid to him for any purpose not prohibited by law, or to contribute his own personal services and personal traveling expenses, to support or defeat a candidate or to aid the passage or defeat of a public question; provided, however, that any person making such expenditure shall be required to report his or her name and mailing address and the amount of all such expenditures and expenses, except personal traveling expenses, if the total of the money so expended, exclusive of such traveling expenses, exceeds \$500, and also, where the person is an individual, to report the individual's occupation and the name and mailing address of the individual's employer, to the Election Law Enforcement Commission at the same time and in the same manner as a political committee subject to the provisions of section 8 of this act.

No contribution of money shall be made in currency, except contributions in response to a public solicitation, provided that cumulative currency contributions of up to \$200 may be made to a candidate committee or joint candidates committee, a political committee, a continuing political committee, a legislative leadership committee or a political party committee if the contributor submits with the currency contribution a written statement of a form as prescribed by the commission, indicating the contributor's name, mailing address and occupation and the amount of the contribution, including the contributor's signature and the name and mailing address of the contributor's employer. Adjustments to the \$200 limit established in this paragraph which have been made by the Election Law Enforcement Commission, pursuant to section 22 of P.L.1993, c.65 (C.19:44A-7.2), prior to the effective date of P.L.2004, c.28 are rescinded. The \$200 limit established in this paragraph shall remain as stated in this paragraph without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

Any anonymous contribution received by a campaign treasurer or deputy campaign treasurer shall not be used or expended, but shall be returned to the donor, if his identity is known, and if no donor is found, the contribution shall escheat to the State.

No person, partnership or association, either directly or through an agent, shall make any loan or advance, the proceeds of which that person, partnership or association knows or has reason to know or believe are intended to be used by the recipient thereof to make a contribution or expenditure, except by check or money order identifying the name, mailing address and occupation or business of the maker of the loan, and, if the maker is an individual, the name and mailing address of that individual's employer; provided, however, that such loans or advances to a single individual, up to a cumulative amount of \$50 in any calendar year, may be made in currency.

5. Section 16 of P.L.1973, c.83 (C.19:44A-16) is amended to read as follows:

C.19:44A-16 Candidates' reports of contributions and expenditures.

16. a. The campaign treasurer of each candidate committee and joint candidates committee shall make a full cumulative report, upon a form prescribed by the Election Law Enforcement Commission, of all contributions in the form of moneys, loans, paid personal services or other things of value, made to him or to the deputy campaign treasurers of the candidate committee or joint candidates committee, and all expenditures paid out of the election fund of the candidate or candidates, during the period ending with the second day preceding the date of the cumulative

report and beginning on the date of the first of those contributions, the date of the first of those expenditures, or the date of the appointment of the campaign treasurer, whichever occurred first. The report shall also contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value were contributed after the second day preceding the date of the previous cumulative report and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this section, the report shall further contain the name and mailing address of each person who cosigns such loan, the occupation of the person and the name and mailing address of the person's employer. If no moneys, loans, paid personal services or other things of value were contributed, the report shall so indicate, and if no expenditures were paid or incurred, the report shall likewise so indicate. The campaign treasurer and the candidate or several candidates shall certify the correctness of the report.

b. During the period between the appointment of the campaign treasurer and the election with respect to which contributions are accepted or expenditures made by him, the campaign treasurer shall file his cumulative campaign report (1) on the 29th day preceding the election, and (2) on the 11th day preceding the election; and after the election he shall file his report on the 20th day following such election. Concurrent with the report filed on the 20th day following an election, or at any time thereafter, the campaign treasurer of a candidate committee or joint candidates committee may certify to the Election Law Enforcement Commission that the election fund of such candidate committee or joint candidates committee has wound up its business and been dissolved, or that business regarding the late election has been wound up but the candidate committee or joint candidates committee will continue for the deposit and use of contributions in accordance with section 17 of P.L.1993, c.65 (C.19:44A-11.2). Certification shall be accompanied by a final accounting of such election fund, or of the transactions relating to such election, including the final disposition of any balance remaining in such fund at the time of dissolution or the arrangements which have been made for the discharge of any obligations remaining unpaid at the time of dissolution. Until the candidate committee or joint candidates committee is dissolved, each such treasurer shall continue to file reports in the form and manner herein prescribed.

The Election Law Enforcement Commission shall promulgate regulations providing for the termination of post-election campaign reporting requirements applicable to political committees, candidate committees and joint candidates committees. The requirements to file quarterly reports after the first post-election report may be waived by the commission, notwithstanding that the certification has not been filed, if the commission determines under any regulations so promulgated that the outstanding obligations of the political committee, candidate committee or joint candidates committee do not exceed 10% of the expenditures of the campaign fund with respect to the election or \$1,000.00, whichever is less, or are likely to be discharged or forgiven.

A candidate committee or joint candidates committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 of each calendar year in which the candidate or candidates in control of the committee does or do not run for election or reelection and January 15 of each calendar year in which the candidate or candidates does or do run for election or reelection, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it or to the candidate or candidates during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it or the candidate or candidates during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public

question. The commission may by regulation require any such candidate committee or joint candidates committee to file during any calendar year one or more additional cumulative reports of such contributions received and expenditures made as may be necessary to ensure that no more than five months shall elapse between the last day of a period covered by one such report and the last day of the period covered by the next such report.

The commission, on any form it shall prescribe for the reporting of expenditures by a candidate committee or joint candidates committee, shall provide for the grouping together of all expenditures under the category of "campaign expenses" under paragraph (1) of subsection a. of section 17 of P.L.1993, c.65, identified as such, and for the grouping together, separately, of all other expenditures under the categories prescribed by paragraphs (2) through (6) of that subsection. The cumulative quarterly report due on April 15 in a year immediately after the year in which the candidate or candidates does or do run for election or reelection shall contain a report of all of the contributions received and expenditures made by the candidate or candidates since the 18th day after that election.

The cumulative quarterly report shall contain the name and mailing address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed and the amount contributed by each person or group, and where an individual has made such contributions, the report shall indicate the occupation of the individual and the name and mailing address of the individual's employer. In the case of any loan reported pursuant to this section, the report shall contain the name and address of each person who cosigns such loan, and where an individual has cosigned such loans, the report shall indicate the occupation of the individual and the name and mailing address of his employer. The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the amount and purpose of each such expenditure. The treasurer of the candidate committee or joint candidates committee and the candidate or candidates shall certify to the correctness of each cumulative quarterly report.

c. In the case of an election of a candidate for an office elected by a municipal or countywide constituency or a school district a duplicate copy of the campaign treasurer's report, duly certified, shall be filed at the same time with the county clerk of the county in which the candidate resides and the county clerk shall retain a written record of that filing for a period of not less than four years following the date of the election.

d. There shall be no obligation to file the reports required by this section on behalf of a candidate if such candidate files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended in behalf of his candidacy by the candidate committee, by any political party committee, by any political committee, or by any person shall not in the aggregate exceed \$2,000.00 or \$4,000 for any joint candidates committee containing two candidates or \$6,000 for any joint candidates committee containing three or more candidates. The sworn statement may be submitted at the time when the name and address of the campaign treasurer and depository is filed with the Election Law Enforcement Commission, provided that in any case the sworn statement is filed no later than the 29th day before an election. If a candidate who has filed such a sworn statement receives contributions from any one source aggregating more than \$300 he shall forthwith make report of the same, including the name and mailing address of the source and the aggregate total of contributions therefrom, and where the source is an individual, the occupation of the individual and the name and mailing address of the individual's employer, to the Election Law Enforcement Commission. The \$300 limit established in this subsection shall remain as stated in this subsection without further adjustment by the commission in the manner prescribed by section 22 of P.L.1993, c.65 (C.19:44A-7.2).

e. There shall be no obligation imposed upon a candidate seeking election to a public office of a school district to file either the reports required under subsection b. of this section or the
