C.19:44A-11.3 Contributions to candidates, limitations.

18. a. No individual, other than an individual who is a candidate, no corporation of any kind organized and incorporated under the laws of this State or any other state or any country other than the United States, no labor organization of any kind which exists or is constituted for the purpose, in whole or in part, of collective bargaining, or of dealing with employers concerning the grievances, terms or conditions of employment, or of other mutual aid or protection in connection with employment, or any group shall: (1) pay or make any contribution of money or other thing of value to a candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee which in the aggregate exceeds \$2,600 per election, or (2) pay or make any contribution of money or other thing of value to candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, which in the aggregate exceeds \$2,600 per election per candidate, or (3) pay or make any contribution of money or other thing of value to a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, which in the aggregate exceeds \$2,600 per election. No candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee shall knowingly accept from an individual, other than an individual who is a candidate, a corporation of any kind organized and incorporated under the laws of this State or any other state or any country other than the United States, a labor organization of any kind which exists or is constituted for the purpose, in whole or in part, of collective bargaining, or of dealing with employers concerning the grievances, terms or conditions of employment, or of other mutual aid or protection in connection with employment, or any group any contribution of money or other thing of value which in the aggregate exceeds \$2,600 per election, and no candidates who have established only a joint candidates committee, or their campaign treasurer, deputy campaign treasurer, or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$2,600 per election per candidate, and no candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$2,600 per election.

b. (1) No political committee or continuing political committee shall: (a) pay or make any contribution of money or other thing of value to a candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, which in the aggregate exceeds \$8,200 per election, or (b) pay or make any contribution of money or other thing of value to candidates who have established only a joint candidates committee, their campaign treasurer or deputy campaign treasurer, or the joint candidates committee, which in the aggregate exceeds \$8,200 per election per candidate, or (c) pay or make any contribution of money or other thing of value to a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, which in the aggregate exceeds \$8,200 per election. No candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, shall knowingly accept from any political committee or continuing political committee any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per

election, and no candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election per candidate, and no candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election.

(2) The limitation upon the knowing acceptance by a candidate, campaign treasurer, deputy campaign treasurer, candidate committee or joint candidates committee of any contribution of money or other thing of value from a political committee or continuing political committee under the provisions of paragraph (1) of this subsection shall also be applicable to the knowing acceptance of any such contribution from the county committee of a political party by a candidate or the campaign treasurer, deputy campaign treasurer, candidate committee or joint candidates committee of a candidate for any elective public office in another county or, in the case of a candidate for nomination for election or for election to the office of member of the Legislature, in a legislative district in which, according to the federal decennial census upon the basis of which legislative districts shall have been established, less than 20% of the population resides within the county of that county committee. In addition, all contributor reporting requirements and other restrictions and regulations applicable to a contribution of money or other thing of value by a political committee or continuing political committee under the provisions of P.L.1973, c.83 (C.19:44A-1 et al.) shall likewise be applicable to the making or payment of such a contribution by such a county committee.

The limitation upon the knowing acceptance by a candidate, campaign treasurer, deputy campaign treasurer, candidate committee or joint candidates committee of any contribution of money or other thing of value from a political committee or continuing political committee under the provisions of paragraph (1) of this subsection, except that the amount of any contribution of money or other thing of value shall be in an amount which in the aggregate does not exceed \$25,000, shall also be applicable to the knowing acceptance of any such contribution from the county committee of a political party by a candidate, or the campaign treasurer, deputy campaign treasurer, candidate committee or joint candidates committee of a candidate, for nomination for election or for election to the office of member of the Legislature in a legislative district in which, according to the federal decennial census upon the basis of which legislative districts shall have been established, at least 20% but less than 40% of the population resides within the county of that county committee. In addition, all contributor reporting requirements and other restrictions and regulations applicable to a contribution of money or other thing of value by a political committee or continuing political committee under the provisions of P.L.1973, c.83 (C.19:44A-1 et al.) shall likewise be applicable to the making or payment of such a contribution by such a county committee.

With respect to the limitations in this paragraph, the Legislature finds and declares that:

(a) Persons making contributions to the county committee of a political party have a right to expect that their money will be used, for the most part, to support candidates for elective office who will most directly represent the interest of that county;

(b) The practice of allowing a county committee to use funds raised with this expectation to make unlimited contributions to candidates for the Legislature who may have a limited, or even nonexistent, connection with that county serves to undermine public confidence in the integrity of the electoral process;

(c) Furthermore, the risk of actual or perceived corruption is raised by the potential for contributors to circumvent limits on contributions to candidates by funnelling money to candidates through county committees;

(d) The State has a compelling interest in preventing the actuality or appearance of corruption and in protecting public confidence in democratic institutions by limiting amounts which a county committee may contribute to legislative candidates whose districts are not located in close proximity to that county; and

(e) It is, therefore, reasonable for the State to promote this compelling interest by limiting

the amount a county committee may give to a legislative candidate based upon the degree to which the population of the legislative district overlaps with the population of that county.

c. (1) No candidate who has established only a candidate committee, his campaign treasurer, deputy treasurer or candidate committee shall (a) pay or make any contribution of money or other thing of value to another candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, which in the aggregate exceeds \$8,200 per election, or (b) pay or make any contribution of money or other thing of value to candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, which in the aggregate exceeds \$8,200 per election per candidate in the recipient committee, or (c) pay or make any contribution of money or other thing of value to a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, which in the aggregate exceeds \$8,200 per election. No candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election to the office of the Governor, shall knowingly accept from another candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election, and no candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election per candidate in the recipient committee, and no candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election.

(2) No candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee shall (a) pay or make any contribution of money or other thing of value to another candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, which in the aggregate exceeds, on the basis of each candidate in the contributing joint candidates committee, \$8,200 per election, or (b) pay or make any contribution of money or other thing of value to candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer or joint candidates committee, which in the aggregate exceeds, on the basis of each candidate in the contributing joint candidates committee, \$8,200 per election per candidate in the recipient joint candidates committee, or (c) pay or make any contribution of money or other thing of value to a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers or candidate committee or joint candidates committee, which in the aggregate exceeds, on the basis of each candidate in the contributing joint candidates committee, \$8,200 per election. No candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer, or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, shall knowingly accept from other candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer or joint candidates committee, any contribution of money or other thing of value which in the aggregate exceeds, on the basis of each candidate in the contributing committee, \$8,200 per election, and no candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds, on the basis of each candidate in the contributing joint candidates committee, \$8,200 per election per candidate in the recipient joint candidates committee, and no candidate who has established both a candidate committee and a joint

candidate committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds, on the basis of each candidate in the contributing joint candidates committee, \$8,200 per election.

(3) No candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee shall (a) pay or make any contribution of money or other thing of value to another candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, which in the aggregate exceeds \$8,200 per election, or (b) pay or make any contribution of money or other thing of value to candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer or joint candidates committee, which in the aggregate exceeds \$8,200 per election per candidate in the recipient joint candidates committee, or (c) pay or make any contribution of money or other thing of value to a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, which in the aggregate exceeds \$8,200 per election. No candidate who has established only a candidate committee, his campaign treasurer, deputy campaign treasurer, or candidate committee, other than a candidate for nomination for election or for election for the office of Governor, shall knowingly accept from a candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee, any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election, and no candidates who have established only a joint candidates committee, their campaign treasurer, deputy campaign treasurer, or joint candidates committee, shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election per candidate in the recipient joint candidates committee, and no candidate who has established both a candidate committee and a joint candidates committee, the campaign treasurers, deputy campaign treasurers, or candidate committee or joint candidates committee shall knowingly accept from any such source any contribution of money or other thing of value which in the aggregate exceeds \$8,200 per election.

(4) Expenditures by a candidate for nomination for election or for election to the office of member of the Legislature or to an office of a political subdivision of the State, or by the campaign treasurer, deputy treasurer, candidate committee or joint candidates committee of such a candidate, which are made in furtherance of the nomination or election, respectively, of another candidate for the same office in the same legislative district or the same political subdivision shall not be construed to be subject to any limitation under this subsection; for the purposes of this sentence, the offices of member of the State Senate and member of the General Assembly shall be deemed to be the same office.

d. Nothing contained in this section shall be construed to impose any limitation on contributions by a candidate, or by a corporation, 100% of the stock in which is owned by a candidate or the candidate's spouse, child, parent or sibling residing in the same household, to that candidate's campaign.

e. For the purpose of determining the amount of a contribution to be attributed as given to or by each candidate in a joint candidates committee, the amount of the contribution to or by such a committee shall be divided equally among all the candidates in the committee.

4. Section 19 of P.L.1993, c.65 (C.19:44A-11.4) is amended to read as follows:
