CHAPTER 38

AN ACT concerning health care coverage, revising parts of statutory law, and making an appropriation.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C.26:15-1 Findings, declarations relative to health care coverage.

1. The Legislature finds and declares:

a. There are an estimated 1.25 million residents of the State who have no health insurance coverage, of which over 240,000 are children, and the number of uninsured residents is increasing each year;

b. While employer-sponsored health care coverage in the State is well above the national average and has been a major factor in keeping the number of uninsured lower than in many states, because of the rising cost of the coverage, increasing numbers of employers are considering dropping coverage for their employees and dependents, or are requiring employees to share in a greater percentage of premium costs and to bear larger copayments and coinsurance, which is making health care coverage increasingly unaffordable to low and moderate income working families;

c. Persons without health insurance coverage receive less preventive care, poorer treatment for both minor and serious chronic and acute illnesses, and in many cases live shorter lives than comparable insured populations;

d. Many uninsured are forced to seek health care in inappropriate settings such as hospital emergency rooms because they cannot obtain needed health care services in a convenient and more cost-effective setting such as a primary care provider's office or clinic, which contributes to higher health care costs;

e. The uninsured are commonly billed at higher rates than those who have health care coverage. Health care costs have become a leading cause of bankruptcy in this country, and those without insurance are most at risk;

f. The State has recognized the importance of increasing access to health care coverage and, over the last several years, has enacted several reforms to make health care coverage more affordable and accessible to residents of the State. Among these reforms are the expansions of coverage under the State Medicaid and NJ FamilyCare programs. Despite these efforts, too many low income parents and children lack access to health care coverage;

g. In order to ensure that more low income parents in the State have access to health care coverage and all children in the State are covered under a health plan, thus moving closer to providing universal coverage for all residents of this State, it is necessary to further expand coverage for parents under the NJ FamilyCare Program, and mandate that all children in the State have health care coverage, either through public programs or private coverage; and

h. In order to make insurance coverage more affordable to residents and small businesses in this State, and to stabilize enrollment in, and the costs of, individual and small employer health benefits plans, it is also necessary to adopt comprehensive reform measures to the insurance marketplace.

C.26:15-2 Coverage provided for residents 18 years of age and younger; terms defined.

2. a. Beginning one year after the date of enactment of this act, all residents of this State 18 years of age and younger shall obtain and maintain health care coverage that provides hospital and medical benefits. The coverage may be provided through an employer-sponsored or individual health benefits plan, the Medicaid program, NJ FamilyCare Program, or the NJ FamilyCare Advantage buy-in program.

C.30:4J-12 Purpose of program.

5. a. The purpose of the program shall be to provide subsidized health insurance coverage, and other health care benefits as determined by the commissioner, to children under 19 years of age and their parents or caretakers and to adults without dependent children, within the limits of funds appropriated or otherwise made available for the program.

The program shall require families to pay copayments and make premium contributions, based upon a sliding income scale. The program shall include the provision of well-child and other preventive services, hospitalization, physician care, laboratory and x-ray services,

prescription drugs, mental health services, and other services as determined by the commissioner.

b. The commissioner shall take such actions as are necessary to implement and operate the program in accordance with the State Children's Health Insurance Program established pursuant to 42 U.S.C.s.1397aa et seq.

c. The commissioner:

(1) shall, by regulation, establish standards for determining eligibility and other program requirements, including, but not limited to, restrictions on voluntary disenrollments from existing health insurance coverage;

(2) shall require that a parent or caretaker who is a qualified applicant purchase coverage, if available, through an employer-sponsored health insurance plan which is determined to be cost-effective and is approved by the commissioner, and shall provide assistance to the qualified applicant to purchase that coverage, except that the provisions of this paragraph shall not be construed to require an employer to provide health insurance coverage for any employee or employee's spouse or dependent child;

(3) may, by regulation, establish plans of coverage and benefits to be covered under the program, except that the provisions of this section shall not apply to coverage for medications used exclusively to treat AIDS or HIV infection; and

(4) shall establish, by regulation, other requirements for the program, including, but not limited to, premium payments and copayments, and may contract with one or more appropriate entities, including managed care organizations, to assist in administering the program. The period for which eligibility for the program is determined shall be the maximum period permitted under federal law.

d. The commissioner shall establish procedures for determining eligibility, which shall include, at a minimum, the following enrollment simplification practices:

(1) A streamlined application form as established pursuant to subsection k. of this section;

(2) Require new applicants to submit no more than one recent pay stub from the applicant's employer, or, if the applicant has more than one employer, no more than one from each of the applicant's employers, to verify income. In the event the applicant cannot provide a recent pay stub, the applicant may submit another form of income verification as deemed appropriate by the commissioner. If an applicant does not submit income verification in a timely manner, before determining the applicant ineligible for the program, the commissioner shall seek to verify the applicant's income by reviewing available Department of the Treasury or Department of Labor and Workforce Development records concerning the applicant, or such other records as the commissioner determines appropriate.

The commissioner may establish such retrospective auditing or income verification procedures as he deems appropriate, such as sample auditing and matching reported income with records of the Department of the Treasury or the Department of Labor and Workforce Development or such other records as the commissioner determines appropriate.

If the commissioner elects to match reported income with confidential records of the Department of the Treasury, the commissioner shall require an applicant to provide written authorization for the Division of Taxation in the Department of the Treasury to release applicable tax information to the commissioner for the purposes of establishing income eligibility for the program. The authorization, which shall be included on the program application form, shall be developed by the commissioner, in consultation with the State Treasurer;

(3) Online enrollment and renewal, in addition to enrollment and renewal by mail. The online enrollment and renewal forms shall include electronic links to other State and federal health and social services programs;

(4) Continuous enrollment;

(5) Simplified renewal by sending an enrollee a preprinted renewal form and requiring the enrollee to sign and return the form, with any applicable changes in the information provided in the form, no later than 30 days after the date the enrollee's annual eligibility expires. The commissioner may establish such auditing or income verification procedures as he deems appropriate, as provided in paragraph (2) of this subsection; and

(6) Provision of program eligibility-identification cards that are issued no more frequently than once a year.

e. The commissioner shall take, or cause to be taken, any action necessary to secure for the State the maximum amount of federal financial participation available with respect to the program, subject to the constraints of fiscal responsibility and within the limits of available funding in any fiscal year. In this regard, notwithstanding the definition of "qualified applicant," the commissioner may enroll in the program such children or their parents or caretakers who may otherwise be eligible for the Medicaid program in order to maximize use of federal funds that may be available pursuant to 42 U.S.C. s.1397aa et seq.

f. Subject to federal approval, a child shall be determined ineligible for the program if the child was voluntarily disenrolled from employer-sponsored group insurance coverage within six months prior to application to the program.

g. The commissioner shall provide, by regulation, for presumptive eligibility for the program in accordance with the following provisions:

(1) A child who presents himself for treatment at a general hospital, federally qualified or community health center, local health department that provides primary care, or other State licensed community-based primary care provider shall be deemed presumptively eligible for the program if a preliminary determination by hospital, health center, local health department or licensed health care provider staff indicates that the child meets program eligibility standards and is a member of a household with an income that does not exceed 350% of the poverty level;

(2) The provisions of paragraph (1) of this subsection shall also apply to a child who is deemed presumptively eligible for Medicaid coverage pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.);

(3) The parent or caretaker of a child deemed presumptively eligible pursuant to this subsection shall be required to submit a completed application for the program no later than the end of the month following the month in which presumptive eligibility is determined;

(4) A child shall be eligible to receive all services covered by the program during the period in which the child is presumptively eligible; and

(5) The commissioner may, by regulation, establish a limit on the number of times a child may be deemed presumptively eligible for NJ FamilyCare.

h. The commissioner, in consultation with the Commissioner of Education, shall administer an ongoing enrollment initiative to provide outreach to children throughout the State who may be eligible for the program.

(1) With respect to school-age children, the commissioner, in consultation with the Commissioner of Education and the Secretary of Agriculture, shall develop a form that provides information about the NJ FamilyCare and Medicaid programs and provides an opportunity for the parent or guardian who signs the school lunch application form to give consent for information to be shared with the Department of Human Services for the purpose

of determining eligibility for the programs. The form shall be attached to, included with, or incorporated into, the school lunch application form.

The commissioner, in consultation with the Commissioner of Education, shall establish procedures for schools to transmit information attached to, included with, or provided on the school lunch application form regarding the NJ FamilyCare and Medicaid programs to the Department of Human Services, in order to enable the department to determine eligibility for the programs.

(2) The commissioner or the Commissioner of Education, as applicable, shall:

(a) make available to each elementary and secondary school, licensed child care center, registered family day care home, unified child care agency, local health department that provides primary care, and community-based primary care provider, informational materials about the program, including instructions for applying online or by mail, as well as copies of the program application form.

The entity shall make the informational and application materials available, upon request, to persons interested in the program; and

(b) request each entity to distribute a notice at least annually, as developed by the commissioner, to households of children attending or receiving its services or care, informing them about the program and the availability of informational and application materials. In the case of elementary and secondary schools, the information attached to, included with, or incorporated into, the school lunch application form for school-age children pursuant to this subparagraph shall be deemed to meet the requirements of this paragraph.

i. Subject to federal approval, the commissioner shall, by regulation, establish that in determining income eligibility for a child, any gross family income above 200% of the poverty level, up to a maximum of 350% of the poverty level, shall be disregarded.

j. The commissioner shall establish a NJ FamilyCare coverage buy-in program through which a parent or caretaker whose family income exceeds 350% of the poverty level may purchase coverage under NJ FamilyCare for a child under the age of 19, who is uninsured and was not voluntarily disenrolled from employer-sponsored group insurance coverage within six months prior to application to the program. The program shall be known as NJ FamilyCare Advantage.

The commissioner shall establish the premium and cost sharing amounts required to purchase coverage, except that the premium shall not exceed the amount the program pays per month to a managed care organization under NJ FamilyCare for a child of comparable age whose family income is between 200% and 350% of the poverty level, plus a reasonable processing fee.

k. The commissioner, in consultation with the Rutgers Center for State Health Policy, shall develop a streamlined application form for the NJ FamilyCare and Medicaid programs.

l. Subject to federal approval, the Commissioner of Human Services shall establish a hardship waiver for part or all of the premium for an eligible child under the NJ FamilyCare program. A parent or caretaker may apply to the commissioner for a hardship waiver in a manner and form established by the commissioner. If the parent or caretaker can demonstrate to the satisfaction of the commissioner, pursuant to regulations adopted by the commissioner, that payment of all or part of the premium for the parent or caretaker's child presents a hardship, the commissioner shall grant the waiver for a prescribed period of time.

C.30:4J-11.1 Application for waiver.

5. The Commissioner of Human Services shall apply for such waivers as may be necessary to implement the provisions of section 4 of P.L.2005, c.156 (C.30:4J-11) and to

b. The department shall transmit to the Department of Human Services information permitting the Department of Human Services to identify taxpayers who are uninsured and may be eligible to enroll in the Medicaid or NJ FamilyCare program. (3) A contract or policy for a basic health benefits plan provided for in this section may contain or provide for coinsurance or deductibles, or both, except that no deductible shall be payable in excess of a total of $250 by an individual or $500 by a family unit during any benefit year; and no coinsurance shall be payable in excess of a total of $500 by an individual or by a family unit during any benefit year.

(4) Notwithstanding the provisions of paragraph (3) of this subsection or any other law to the contrary, a carrier may provide for increased deductibles or coinsurance for a basic health benefits plan if approved by the board or if the board increases deductibles or coinsurance included in the basic health benefits plan.

In addition to the rider packages provided for in subsection c. of section 6 of P.L.1992, c.161 (C.17B:27A-7), every carrier may offer, in connection with the health benefits plans required to be offered by this section, any number of riders which may add benefits or increase the actuarial value of any of the plans. Any such rider or amendment thereof shall be filed with the board for informational purposes before the rider may be sold. The added premium for each rider shall be listed separately from the premium for the standard plan.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner's determination shall be in writing and shall be appealable.

12. Section 2 of P.L.2001, c.368 (C.17B:27A-4.5) is amended to read as follows:

Rates applicable to policies or contracts issued pursuant to this section shall reflect past and prospective loss experience for benefits included in such policies or contracts, and shall be formulated in a manner that does not result in an unfair subsidization of rates applicable to policies issued pursuant to the provisions of P.L.1992, c.161 (C.17B:27A-2 et seq.) as the result of differences in levels of benefits offered.

d. Carriers may offer enhanced or additional benefits for an additional premium amount in the form of a rider or riders, each of which shall be comprised of a combination of enhanced or additional benefits, in a manner which will avoid adverse selection to the extent possible.

e. The provisions of P.L.1992, c.161 (C.17B:27A-2 et al.) shall apply to this section to the extent that they are not contrary to the provisions of this section, including but not limited to, provisions relating to preexisting conditions, guaranteed issue, and calculation of loss ratio.

(2) the policy or contract holder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.

c. A carrier may not renew a health benefits plan only under the following circumstances:

(3) approval by the commissioner of a request by the individual carrier to not renew a particular type of health benefits plan, in accordance with rules adopted by the commissioner. After receiving approval by the commissioner, a carrier may not renew a type of health benefits plan only if the carrier: (a) provides notice to each covered individual provided coverage of this type of the nonrenewal at least 90 days prior to the date of the

nonrenewal of the coverage; (b) offers to each individual provided coverage of this type the option to purchase any other individual health benefits plan currently being offered by the carrier; and (c) in exercising the option to not renew coverage of this type and in offering coverage as required under (b) above, the carrier acts uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for coverage;

(4) approval by the commissioner of a request by the individual carrier to cease doing business in the individual health benefits market. A carrier may not renew all individual health benefits plans only if the carrier: (a) first receives approval from the commissioner; and (b) provides notice to each individual of the nonrenewal at least 180 days prior to the date of the expiration of such coverage. A carrier ceasing to do business in the individual health benefits market may not provide for the issuance of any health benefits plan in the individual or small employer markets during the five-year period beginning on the date of the termination of the last health benefits plan not so renewed; and

(5) In the case of a health benefits plan made available by a health maintenance organization carrier, the carrier shall not be required to renew coverage to an eligible individual who no longer resides, lives, or works in the service area, or in an area for which the carrier is authorized to do business, but only if coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

(1) to an individual who has, under creditable coverage, with no intervening lapse in coverage of more than 31 days, been treated or diagnosed by a physician for a condition under that plan or satisfied a 12-month preexisting condition limitation; or

(2) to a federally defined eligible individual who applies for an individual health benefits plan within 63 days of termination of the prior coverage.

c. In addition to the standard individual health benefits plans provided for in section 3 of P.L.1992, c.161 (C.17B:27A-4), the board may develop up to five rider packages. Premium rates for the rider packages shall be determined in accordance with section 8 of P.L.1992, c.161 (C.17B:27A-9).

The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

16. Section 8 of P.L.1992, c.161 (C.17B:27A-9) is amended to read as follows:

C.17B:27A-9 Determination of rates.

8. a. (Deleted by amendment, P.L.2008, c.38).

b. The board shall make application on behalf of all carriers for any other subsidies, discounts, or funds that may be provided for under State or federal law or regulation. A carrier may include subsidies or funds granted to the board to reduce its premium rates for individual health benefits plans subject to this act.

c. A carrier shall not issue individual health benefits plans on a new contract or policy form pursuant to this act until an informational filing of a full schedule of rates which applies to the contract or policy form has been filed with the commissioner. The commissioner shall provide a copy of the informational filing to the Attorney General and the board.

d. A carrier desiring to increase or decrease premiums for any contract or policy form may implement that increase or decrease upon making an informational filing with the commissioner of that increase or decrease, along with the actuarial assumptions and methods used by the carrier in establishing that increase or decrease. The commissioner may

disapprove any informational filing on a finding that it is incomplete and not in substantial compliance with P.L.1992, c.161 (C.17B:27A-2 et al.), or that the rates are inadequate or unfairly discriminatory.

e. (1) Rates shall be formulated on contracts or policies required pursuant to section 3 of this act so that the anticipated minimum loss ratio for a contract or policy form shall not be less than 80% of the premium. The carrier shall submit with its rate filing supporting data, as determined by the commissioner, and a certification by a member of the American Academy of Actuaries, or other individuals in a format acceptable to the commissioner, that the carrier is in compliance with the provisions of this subsection.

(2) Each calendar year, a carrier shall return, in the form of aggregate benefits for all of the policy or contract forms offered by the carrier pursuant to subsection a. of section 3 of P.L.1992, c.161 (C.17:B:27A-4), at least 80% of the aggregate premiums collected for all of the policy or contract forms during that calendar year. Carriers shall annually report, no later than August 1 of each year, the loss ratio calculated pursuant to this section for all of the policy or contract forms for the previous calendar year. In each case in which the loss ratio fails to comply with the 80% loss ratio requirement, the carrier shall issue a dividend or credit against future premiums for all policy or contract holders, as applicable, in an amount sufficient to assure that the aggregate benefits paid in the previous calendar year plus the amount of the dividends and credits equal 80% of the aggregate premiums collected for the policy or contract forms in the previous calendar year. All dividends and credits shall be distributed by December 31 of the year following the calendar year in which the loss ratio requirements were not satisfied. The annual report required by this subsection shall include a carrier's calculation of the dividends and credits applicable to all policy or contract forms, as well as an explanation of the carrier's plan to issue dividends or credits. The instructions and format for calculating and reporting loss ratios and issuing dividends or credits shall be specified by the commissioner by regulation. Those regulations shall include provisions for the distribution of a dividend or credit in the event of cancellation or termination by a policyholder.

f. (Deleted by amendment, P.L.2008, c.38).

17. Section 10 of P.L.1992, c.161 (C.17B:27A-11) is amended to read as follows:

C.17B:27A-11 Powers, authority of program, board.

10. The program shall have the general powers and authority granted under the laws of New Jersey to insurance companies, health service corporations and health maintenance organizations licensed or approved to transact business in this State, except that the program shall not have the power to issue health benefits plans directly to either groups or individuals.

The board shall have the specific authority to:

a. assess members their proportionate share of program losses and administrative expenses in accordance with the provisions of section 11 of this act, and make advance interim assessments, as may be reasonable and necessary for organizational and reasonable operating expenses and estimated losses. An interim assessment shall be credited as an offset against any regular assessment due following the close of the fiscal year;

b. establish rules, conditions, and procedures pertaining to the sharing of program losses and administrative expenses among the members of the program;

c. (Deleted by amendment, P.L.2008, c.38).

d. define the provisions of individual health benefits plans in accordance with the requirements of this act;

e. enter into contracts which are necessary or proper to carry out the provisions and purposes of this act;

f. establish a procedure for the joint distribution of information on individual health benefits plans issued pursuant to section 3 of this act;

g. establish, at the board's discretion, standards for the application of a means test for individual health benefits plans issued pursuant to section 3 of this act;

h. establish, at the board's discretion, reasonable guidelines for the purchase of new individual health benefits plans by persons who already are enrolled in or insured by another individual health benefits plan;

i. establish minimum requirements for performance standards for carriers that are reimbursed for losses submitted to the program and provide for performance audits from time to time;

j. sue or be sued, including taking any legal actions necessary or proper for recovery of an assessment for, on behalf of, or against the program or a member;

k. appoint from among its members appropriate legal, actuarial, and other committees as necessary to provide technical and other assistance in the operation of the program, in policy and other contract design, and any other function within the authority of the program;

l. borrow money to effect the purposes of the program. Any notes or other evidence of indebtedness of the program not in default shall be legal investments for carriers and may be carried as admitted assets; and

m. contract for an independent actuary and any other professional services the board deems necessary to carry out its duties under P.L.1992, c.161 (C.17B:27A-2 et al.).

18. Section 11 of P.L.1992, c.161 (C.17B:27A-12) is amended to read as follows:

C.17B:27A-12 Procedures for equitable sharing of program losses.

11. The board shall establish procedures for the equitable sharing of program losses among all members in accordance with their total market share as follows:

a. (1) By March 1, 1999, and following the close of each two-year calculation period thereafter, or on a different date established by the board:

(a) every carrier issuing health benefits plans in this State shall file with the board its net earned premium for the preceding two-year calculation period; and

(b) every carrier issuing individual health benefits plans in the State shall file with the board the net earned premium on health benefits plans issued pursuant to paragraph (1) of subsection b. of section 2 and section 3 of this act and the claims paid. If the claims paid for all health benefits plans during the two-year calculation period exceed 115% of the net earned premium and any investment income thereon for the two-year calculation period, the amount of the excess shall be the net paid loss for the carrier that shall be reimbursable under this act.

(2) Every member shall be liable for an assessment to reimburse carriers issuing individual health benefits plans in this State which sustain net paid losses during the two-year calculation period, unless the member has received an exemption from the board pursuant to subsection d. of this section and has written a minimum number of non-group person life years as provided for in that subsection. The assessment of each member shall be in the proportion that the net earned premium of the member for the two-year calculation period preceding the assessment bears to the net earned premium of all members for the two-year calculation period preceding the assessment. Notwithstanding the provisions of this

subsection to the contrary, a medical service corporation or a hospital service corporation shall not be liable for an assessment to reimburse carriers which sustain net paid losses.

(3) A member that is financially impaired may seek from the commissioner a deferment in whole or in part from any assessment issued by the board. The commissioner may defer, in whole or in part, the assessment of the member if, in the opinion of the commissioner, the payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. If an assessment against a member is deferred in whole or in part, the amount by which the assessment is deferred may be assessed against the other members in a manner consistent with the basis for assessment set forth in this section. The member receiving the deferment shall remain liable to the program for the amount deferred.

b. The participation in the program as a member, the establishment of rates, forms or procedures, or any other joint or collective action required by this act shall not be the basis of any legal action, criminal or civil liability, or penalty against the program, a member of the board or a member of the program either jointly or separately except as otherwise provided in this act.

c. Payment of an assessment made under this section shall be a condition of issuing health benefits plans in the State for a carrier. Failure to pay the assessment shall be grounds for forfeiture of a carrier's authorization to issue health benefits plans of any kind in the State, as well as any other penalties permitted by law.

d. (1) Notwithstanding the provisions of this act to the contrary, a carrier may apply to the board, by a date established by the board, for an exemption from the assessment and reimbursement for losses provided for in this section. A carrier which applies for an exemption shall agree to cover a minimum number of non-group person life years on an open enrollment community rated basis, under a managed care or indemnity plan, as specified in this subsection, provided that any indemnity plan so issued conforms with sections 2 through 7, inclusive, of P.L.1992, c.161 (C.17B:27A-3 through 17B:27A-8). For the purposes of this subsection, non-group persons include individually enrolled persons, conversion policies issued pursuant to this act, Medicare cost and risk lives and Medicaid recipients; except that in determining whether the carrier meets the minimum number of non-group person life years required to be covered pursuant to this subsection, the number of Medicaid recipients and Medicare cost and risk lives shall not exceed 50% of the total. Pursuant to regulations adopted by the board, the carrier shall determine the number of non-group person life years it has covered by adding the number of non-group persons covered on the last day of each calendar quarter of the two-year calculation period, taking into account the limitations on counting Medicaid recipients and Medicare cost and risk lives, and dividing the total by eight.

(2) Notwithstanding the provisions of paragraph (1) of this subsection to the contrary, a health maintenance organization qualified pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.) and tax exempt pursuant to paragraph (3) of subsection (c) of section 501 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.501, may include up to one third Medicaid recipients and up to one third Medicare recipients in determining whether it meets its minimum number of non-group person life years.

(3) The minimum number of non-group person life years required to be covered, as determined by the board, shall equal the total number of non-group person life years of community rated, individually enrolled or insured persons, including Medicare cost and risk lives and enrolled Medicaid lives, of all carriers subject to this act for the two-year calculation period, multiplied by the proportion that that carrier's net earned premium bears

to the net earned premium of all carriers for that two-year calculation period, including those carriers that are exempt from the assessment.

(4) On or before March 1 of the first year of each two-year calculation period, every carrier seeking an exemption pursuant to this subsection shall file with the board a statement of its net earned premium for the two-year calculation period. The board shall determine each carrier's minimum number of non-group person life years in accordance with this subsection.

(5) On or before March 1 of each year immediately following the close of a two-year calculation period, every carrier that was granted an exemption for the preceding two-year calculation period shall file with the board the number of non-group person life years, by category, covered for the two-year calculation period.

To the extent that the carrier has failed to cover the minimum number of non-group person life years established by the board, the carrier shall be assessed by the board on a pro rata basis for any differential between the minimum number established by the board and the actual number covered by the carrier.

(6) A carrier that applies for the exemption shall be deemed to be in compliance with the requirements of this subsection if it has covered 100% of the minimum number of non-group person life years required.

(7) Any carrier that writes both managed care and indemnity business that is granted an exemption pursuant to this subsection may satisfy its obligation to cover a minimum number of non-group person life years by issuing either managed care or indemnity business, or both.

e. (Deleted by amendment, P.L.1997, c.146).

f. The loss assessment for the 2007-2008 two-year calculation period shall be the last loss assessment authorized under this section, and no further loss assessments shall be calculated or collected; provided, however, that nothing in this subsection shall relieve a carrier of its obligations for loss assessments authorized under this section prior to the effective date of this section of P.L.2008, c.38.

19. Section 5 of P.L.1995, c.196 (C.17B:27A-16.5) is amended to read as follows:

C.17B:27A-16.5 Hospital, medical insurance policy renewals; filing of rates.

5. A domestic mutual insurer which has converted from a health service corporation pursuant to the provisions of sections 2 through 4 of P.L.1995, c.196 (C.17:48E-46 through C.17:48E-48) shall not renew individual hospital or medical insurance policies or health service contracts originally issued prior to November 30, 1992, until it has made an informational filing with the commissioner. The rates shall be formulated so that the anticipated minimum loss ratio for such policy or contract form shall not be less than 80% of the premium. Such domestic mutual insurer shall submit with its rate filing supporting data and a certification that the insurer is in compliance with the anticipated loss ratio requirement. The content and form of the supporting data and certification required pursuant to subsection e. of section 8 of P.L.1992, c.161 (C.17B:27A-9) shall satisfy the requirements of this section. Any other insurer may irrevocably elect to become subject to the provisions of this section by written notice to the commissioner in a format specified by the commissioner.

20. Section 1 of P.L.1992, c.162 (C.17B:27A-17) is amended to read as follows:

"Anticipated loss ratio" means the ratio of the present value of the expected benefits, not including dividends, to the present value of the expected premiums, not reduced by dividends, over the entire period for which rates are computed to provide coverage. For purposes of this ratio, the present values must incorporate realistic rates of interest which are determined before federal taxes but after investment expenses.

"Board" means the board of directors of the program.

"Carrier" means any entity subject to the insurance laws and regulations of this State, or subject to the jurisdiction of the commissioner, that contracts or offers to contract to provide, deliver, arrange for, pay for, or reimburse any of the costs of health care services, including an insurance company authorized to issue health insurance, a health maintenance organization, a hospital service corporation, medical service corporation and health service corporation, or any other entity providing a plan of health insurance, health benefits or health services. The term "carrier" shall not include a joint insurance fund established pursuant to State law. For purposes of this act, carriers that are affiliated companies shall be treated as one carrier, except that any insurance company, health service corporation, hospital service corporation, or medical service corporation that is an affiliate of a health maintenance organization located in New Jersey or any health maintenance organization located in New Jersey that is affiliated with an insurance company, health service corporation, hospital service corporation, or medical service corporation shall treat the health maintenance organization as a separate carrier.

liability insurance and automobile liability insurance; workers' compensation or similar insurance; automobile medical payment insurance; credit only insurance; coverage for on-site medical clinics; coverage, as specified in federal regulation, under which benefits for medical care are secondary or incidental to the insurance benefits; and other coverage expressly excluded from the definition of health benefits plan.

"Eligible employee" means a full-time employee who works a normal work week of 25 or more hours. The term includes a sole proprietor, a partner of a partnership, or an independent contractor, if the sole proprietor, partner, or independent contractor is included as an employee under a health benefits plan of a small employer, but does not include employees who work less than 25 hours a week, work on a temporary or substitute basis or are participating in an employee welfare arrangement established pursuant to a collective bargaining agreement.

"Enrollment date" means, with respect to a person covered under a health benefits plan, the date of enrollment of the person in the health benefits plan or, if earlier, the first day of the waiting period for such enrollment.

"Financially impaired" means a carrier which, after the effective date of this act, is not insolvent, but is deemed by the commissioner to be potentially unable to fulfill its contractual obligations or a carrier which is placed under an order of rehabilitation or conservation by a court of competent jurisdiction.

care, or any combination thereof; and such other similar, limited benefits as are specified in federal regulations. Health benefits plan shall not include hospital confinement indemnity coverage if the benefits are provided under a separate policy, certificate or contract of insurance, there is no coordination between the provision of the benefits and any exclusion of benefits under any group health benefits plan maintained by the same plan sponsor, and those benefits are paid with respect to an event without regard to whether benefits are provided with respect to such an event under any group health plan maintained by the same plan sponsor. An eligible employee or dependent shall not be considered a late enrollee if the individual: a. was covered under another employer's health benefits plan at the time he was eligible to enroll and stated at the time of the initial enrollment that coverage under that other employer's health benefits plan was the reason for declining enrollment, but only if the plan sponsor or carrier required such a statement at that time and provided the employee with notice of that requirement and the consequences of that requirement at that time; b. has lost coverage under that other employer's health benefits plan as a result of termination of employment or eligibility, reduction in the number of hours of employment, involuntary termination, the termination of the other plan's coverage, death of a spouse, or divorce or legal separation; and c. requests enrollment within 90 days after termination of coverage provided under another employer's health benefits plan. An eligible employee or dependent also shall not be considered a late enrollee if the individual is employed by an employer which offers multiple health benefits plans and the individual elects a different plan during an open enrollment period; the individual had coverage under a COBRA continuation provision and the coverage under that provision was exhausted and the employee requests enrollment not later than 30 days after the date of exhaustion of COBRA coverage; or if a court of competent jurisdiction has ordered coverage to be provided for a spouse or minor child under a covered employee's health benefits plan and request for enrollment is made within 30 days after issuance of that court order.

All persons treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of the Internal Revenue Code of 1986 (26 U.S.C.s.414) shall be treated as one employer. Subsequent to the issuance of a health benefits plan to a small employer and for the purpose of determining continued eligibility, the size of a small employer shall be determined annually. Except as otherwise specifically provided, provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) that apply to a small employer shall continue to apply at least until the plan anniversary following the date the small employer no longer meets the requirements of this definition. In the case of an employer that was not in existence during the preceding calendar year, the determination of whether the employer is a small or large employer shall be based on the average number of employees that it is reasonably expected that the employer will employ on business days in the current calendar year. 21. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to read as follows:

C.17B:27A-19 Health benefits plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer at least three of the health benefit plans established by the board, as provided in this section, and also offer and make a good faith effort to market individual health benefits plans as provided in section 3 of P.L.1992, c.161 (C.17B:27A-4). The board shall establish a standard policy form for each of the plans, which except as otherwise provided in subsection j. of this section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:

(1) Basic inpatient and outpatient hospital care;

(2) Basic and extended medical-surgical benefits;

(3) Diagnostic tests, including X-rays;

(4) Maternity benefits, including prenatal and postnatal care; and

(5) Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees' small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available to all small employers on a continuing basis. Every small employer which elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).

e. (Deleted by amendment, P.L.2008, c.38).

f. Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.s.300e et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the plans required pursuant to this section.

Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is approved pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the plans required pursuant to this section, except that the plans shall provide the same level of benefits as required for a federally qualified health maintenance organization, including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance organization or otherwise affiliate with a health maintenance organization in order to comply with the provisions of this section, but the carrier shall be required to offer at least three of the health benefits plans which are formulated by the board and approved by the commissioner, including one plan which contains benefits and cost sharing levels that are equivalent to those required for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may modify the benefits provided for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3).

i. (1) In addition to the rider packages provided for in subsection d. of this section, every carrier may offer, in connection with the health benefits plans required to be offered by this section, any number of riders which may revise the coverage offered by the plans in any way, provided, however, that any form of such rider or amendment thereof which decreases benefits or decreases the actuarial value of a plan shall be filed for informational purposes with the board and for approval by the commissioner before such rider may be sold. Any rider or amendment thereof which adds benefits or increases the actuarial value of a plan shall be filed with the board for informational purposes before such rider may be sold. The added premium or reduction in premium for each rider, as applicable, shall be listed separately from the premium for the standard plan.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner shall not approve any rider which reduces benefits below those required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and required to be sold pursuant to this section. The commissioner's determination shall be in writing and shall be appealable.

(2) The benefit riders provided for in paragraph (1) of this subsection shall be subject to the provisions of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19, 17B:27A-22, 17B:27A-23, 17B:27A-24, 17B:27A-25, and 17B:27A-27).

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued by or through a carrier, association, or multiple employer arrangement prior to January 1, 1994 or, if the requirements of subparagraph (c) of paragraph (6) of this subsection are met, issued by or through an out-of-State trust prior to January 1, 1994, at the option of a small employer policy or contract holder, may be renewed

or continued after February 28, 1994, or in the case of such a health benefits plan whose anniversary date occurred between March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-19.1 et al.), may be reinstated within 60 days of that anniversary date and renewed or continued if, beginning on the first 12-month anniversary date occurring on or after the sixtieth day after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) and, regardless of the situs of delivery of the health benefits plan, the health benefits plan renewed, continued or reinstated pursuant to this subsection complies with the provisions of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19, 17B:27A-22, 17B:27A-23, 17B:27A-24, 17B:27A-25 and 17B:27A-27) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

Nothing in this subsection shall be construed to require an association, multiple employer arrangement or out-of-State trust to provide health benefits coverage to small employers that are not contemplated by the organizational documents, bylaws, or other regulations governing the purpose and operation of the association, multiple employer arrangement or out-of-State trust. Notwithstanding the foregoing provision to the contrary, an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members' employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;

(b) shall not use actual or expected health status in determining its membership; and

(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.

(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(4) (Deleted by amendment, P.L.1995, c.340).

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the

rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall monitor compliance of any such plan with the requirements of this subsection, except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2, 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph, shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer groups that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(9) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et al.) to the contrary, any individual, who is eligible for small employer coverage under a policy issued, renewed, continued or reinstated pursuant to this subsection, but who would be subject to a preexisting condition exclusion under the small employer health benefits plan, or who is a member of a small employer group who has been denied coverage under the small employer group health benefits plan for health reasons, may elect to purchase or continue coverage under an individual health benefits plan until such time as the group health benefits plan covering the small employer group of which the individual is a member complies with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the

effective date of P.L.1995, c.340, the new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

(12) In a case in which a small employer purchased a health benefits plan directly from a carrier on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan's issuing carrier pursuant to the provisions of this paragraph, shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

k. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to this section, including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

(1) Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

(2) All childhood immunizations as recommended by the Advisory Committee on Immunization Practices of the United States Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

(3) Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset hearing loss, pursuant to P.L.2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection; however, with respect to a small employer health benefits plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), a deductible shall not be applied for any benefits that represent preventive care as permitted by that federal law, and shall not be applied as provided pursuant to section 16 of P.L.2005, c.248

(C.17B:27A-19.14). This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

l. The board shall consider including benefits for speech-language pathology and audiology services, as rendered by speech-language pathologists and audiologists within the scope of their practices, in at least one of the standard policies and in at least one of the five riders to be developed under this section.

m. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits plans required pursuant to this section that provide benefits for expenses incurred in the purchase of prescription drugs shall provide benefits for expenses incurred in the purchase of specialized non-standard infant formulas, when the covered infant's physician has diagnosed the infant as having multiple food protein intolerance and has determined such formula to be medically necessary, and when the covered infant has not been responsive to trials of standard non-cow milk-based formulas, including soybean and goat milk. The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

n. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a small employer health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to this section that qualify as high deductible health plans for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in connection with any medically necessary benefits provided in-network that represent preventive care as permitted by that federal law.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

22. Section 5 of P.L.2001, c.368 (C.17B:27A-19.11) is amended to read as follows:

C.17B:27A-19.11 Carrier offering plans pursuant to C.17B:27A-17 et seq. may offer additional plan with certain limited benefits.

5. In addition to the standard health benefits plans offered by a carrier on the effective date of this act, a carrier that writes small employer health benefits plans pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.) may also offer one or more of the plans through the carrier's network of providers, with no reimbursement for any out-of-network benefits other than emergency care, urgent care, and continuity of care. A carrier's network of providers shall be subject to review and approval or disapproval by the Commissioner of Banking and Insurance, in consultation with the Commissioner of Health and Senior Services, pursuant to

regulations promulgated by the Department of Banking and Insurance, including review and approval or disapproval before plans with benefits provided through a carrier's network of providers pursuant to this section may be offered by the carrier. Policies or contracts written on this basis shall be rated in a separate rating pool for the purposes of establishing a premium, but for the purpose of determining a carrier's losses, these policies or contracts shall be aggregated with the losses on the carrier's other business written pursuant to the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

23. Section 7 of P.L.1992, c.162 (C.17B:27A-23) is amended to read as follows:

C.17B:27A-23 Policies, contracts renewable; exceptions.

7. Every policy or contract issued to small employers in this State pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.) shall be renewable with respect to all eligible employees or dependents at the option of the policy or contract holder, or small employer except that a carrier may discontinue or not renew a health benefits plan in accordance with the provisions of this section:

a. A carrier may discontinue such coverage only if:

(1) The policyholder, contract holder, or employer has failed to pay premiums or contributions in accordance with the terms of the health benefits plan or the carrier has not received timely premium payments; or

(2) The policyholder, contract holder, or employer has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage;

b. (Deleted by amendment, P.L.1997, c.146).

c. The number of employees covered under the health benefits plan is less than the number or percentage of employees required by participation requirements under the health benefits policy or contract;

d. Noncompliance with a carrier's employment contribution requirements;

e. Any carrier doing business pursuant to the provisions of this act ceases doing business in the small employer market, if the following conditions are satisfied:

(1) The carrier gives notice to cease doing business in the small employer market to the commissioner not later than eight months prior to the date of the planned withdrawal from the small employer market, during which time the carrier shall continue to be governed by this act with respect to business written pursuant to this act. For the purposes of this subsection, "date of withdrawal" means the date upon which the first notice to small employers is sent by the carrier pursuant to paragraph (2) of this subsection;

(2) No later than two months following the date of the notification to the commissioner that the carrier intends to cease doing business in the small employer market, the carrier shall mail a notice to every small business employer insured by the carrier, and all covered persons, that the policy or contract of insurance will not be renewed. This notice shall be sent by certified mail to the small business employer not less than six months in advance of the effective date of the nonrenewal date of the policy or contract;

(3) Any carrier that ceases to do business pursuant to this act shall be prohibited from writing new business in the small employer and individual health benefits plan markets for a period of five years from the date of termination of the last health insurance coverage not so renewed;

f. In the case of policies or contracts issued in connection with membership in an association or trust of employers, an employer ceases to maintain its membership in the

association or trust, but only if such coverage is terminated under this provision uniformly without regard to any health status-related factor relating to any covered individual;

g. (Deleted by amendment, P.L.1995, c.50).

h. A decision by the small employer carrier to cease offering and not renew a particular type of group health benefits plan in the small employer market, if the board discontinues a standard health benefits plan or as permitted or required pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19), and pursuant to regulations adopted by the commissioner;

i. In the case of a health maintenance organization plan issued to a small employer:

(1) an eligible person who no longer resides, lives, or works in the carrier's approved service area, but only if coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals; or

(2) a small employer that no longer has any enrollee in connection with such plan who lives, resides, or works in the service area of the carrier and the carrier would deny enrollment with respect to such plan pursuant to subsection a. of section 10 of P.L.1992, c.162 (C.17B:27A-26).

24. Section 9 of P.L.1992, c.162 (C.17B:27A-25) is amended to read as follows:

C.17B:27A-25 Premium rates; other plan requirements.

9. a. (1) (Deleted by amendment, P.L.1997, c.146).

(2) (Deleted by amendment, P.L.1997, c.146).

(3) (a) For all policies or contracts providing health benefits plans for small employers issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19), and including policies or contracts offered by a carrier to a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.) the premium rate charged by a carrier to the highest rated small group purchasing a small employer health benefits plan issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19) shall not be greater than 200% of the premium rate charged for the lowest rated small group purchasing that same health benefits plan; provided, however, that the only factors upon which the rate differential may be based are age, gender and geography. Such factors shall be applied in a manner consistent with regulations adopted by the commissioner. For the purposes of this paragraph (3), policies or contracts offered by a carrier to a small employer who is a member of a Small Employer Purchasing Alliance shall be rated separately from the carrier's other small employer health benefits policies or contracts.

(b) A health benefits plan issued pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall be rated in accordance with the provisions of section 7 of P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the requirements of this paragraph.

(4) (Deleted by amendment, P.L.1994, c.11).

(5) Any policy or contract issued after January 1, 1994 to a small employer who was not previously covered by a health benefits plan issued by the issuing small employer carrier, shall be subject to the same premium rate restrictions as provided in paragraph (3) of this subsection, which rate restrictions shall be effective on the date the policy or contract is issued.

(6) The board shall establish, pursuant to section 17 of P.L.1993, c.162 (C.17B:27A-51):

(a) up to six geographic territories, none of which is smaller than a county; and

(b) age classifications which, at a minimum, shall be in five-year increments.

b. (Deleted by amendment, P.L.1993, c.162).

c. (Deleted by amendment, P.L.1995, c.298).

d. Notwithstanding any other provision of law to the contrary, this act shall apply to a carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers.

A carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers after the effective date of P.L.1992, c.162 (C.17B:27A-17 et seq.), shall be required to offer small employer health benefits plans to non-association or trust employers in the same manner as any other small employer carrier is required pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.).

e. Nothing contained herein shall prohibit the use of premium rate structures to establish different premium rates for individuals and family units.

f. No insurance contract or policy subject to this act, including a contract or policy entered into with a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be entered into unless and until the carrier has made an informational filing with the commissioner of a schedule of premiums, not to exceed 12 months in duration, to be paid pursuant to such contract or policy, of the carrier's rating plan and classification system in connection with such contract or policy, and of the actuarial assumptions and methods used by the carrier in establishing premium rates for such contract or policy.

g. (1) Beginning January 1, 1995, a carrier desiring to increase or decrease premiums for any policy form or benefit rider offered pursuant to subsection i. of section 3 of P.L.1992, c.162 (C.17B:27A-19) subject to this act may implement such increase or decrease upon making an informational filing with the commissioner of such increase or decrease, along with the actuarial assumptions and methods used by the carrier in establishing such increase or decrease, provided that the anticipated minimum loss ratio for all policy forms shall not be less than 80% of the premium therefor as provided in paragraph (2) of this subsection. The commissioner may disapprove any informational filing on a finding that it is incomplete and not in substantial compliance with P.L.1992, c.162 (C.17B:27A-17 et seq.), or that the rates are inadequate or unfairly discriminatory. Until December 31, 1996, the informational filing shall also include the carrier's rating plan and classification system in connection with such increase or decrease.

(2) Each calendar year, a carrier shall return, in the form of aggregate benefits for all of the standard policy forms offered by the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162 (C.17B:27A-19), at least 80% of the aggregate premiums collected for all of the standard policy forms, other than alliance policy forms, and at least 80% of the aggregate premiums collected for all of the non-standard policy forms during that calendar year. A carrier shall return at least 80% of the premiums collected for all of the alliances during that calendar year, which loss ratio may be calculated in the aggregate for all of the alliances or separately for each alliance. Carriers shall annually report, no later than August 1st of each year, the loss ratio calculated pursuant to this section for all of the standard, other than alliance policy forms, non-standard policy forms and alliance policy forms for the previous calendar year, provided that a carrier may annually report the loss ratio calculated pursuant to this section for all of the alliances in the aggregate or separately for each alliance. In each case where the loss ratio fails to substantially comply with the 80% loss ratio requirement, the carrier shall issue a dividend or credit against future premiums for all policyholders with the standard, other than alliance policy forms, nonstandard policy forms or alliance policy forms, as applicable, in an amount sufficient to assure that the aggregate benefits paid in the previous calendar year plus the amount of the dividends and credits shall equal 80% of the

aggregate premiums collected for the respective policy forms in the previous calendar year. All dividends and credits must be distributed by December 31 of the year following the calendar year in which the loss ratio requirements were not satisfied. The annual report required by this paragraph shall include a carrier's calculation of the dividends and credits applicable to standard, other than alliance policy forms, non-standard policy forms and alliance policy forms, as well as an explanation of the carrier's plan to issue dividends or credits. The instructions and format for calculating and reporting loss ratios and issuing dividends or credits shall be specified by the commissioner by regulation. Such regulations shall include provisions for the distribution of a dividend or credit in the event of cancellation or termination by a policyholder. For purposes of this paragraph, "alliance policy forms" means policies purchased by small employers who are members of Small Employer Purchasing Alliances.

(3) The loss ratio of a health benefits plan issued pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall be calculated in accordance with the provisions of section 7 of P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the requirements of this subsection.

h. (Deleted by amendment, P.L.1993, c.162).

i. The provisions of this act shall apply to health benefits plans which are delivered, issued for delivery, renewed or continued on or after January 1, 1994.

j. (Deleted by amendment, P.L.1995, c.340).

k. A carrier who negotiates a reduced premium rate with a Small Employer Purchasing Alliance for members of that alliance shall provide a reduction in the premium rate filed in accordance with paragraph (3) of subsection a. of this section, expressed as a percentage, which reduction shall be based on volume or other efficiencies or economies of scale and shall not be based on health status-related factors.

(1) The covered person's plan may require payment of a premium by the covered person or dependent, as appropriate, subject to the approval of the Commissioner of Banking and Insurance, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection c. of this section. The premium shall not exceed 102% of the applicable portion of the premium previously paid for that dependent's coverage under the plan prior to the termination of coverage at the specific age provided in the plan.

(2) The applicable portion of the premium previously paid for the dependent's coverage under the plan shall be determined pursuant to regulations promulgated by the Commissioner of Banking and Insurance, based upon the difference between the plan's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commissioner which provides a substantially similar result.

(3) Payments of the premium may, at the election of the payor, be made in monthly installments.

f. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(3) the date upon which the plan, under which coverage is provided to a dependent, ceases to provide coverage to the covered person.

Nothing herein shall be construed to permit a carrier to refuse a written election for coverage by a dependent pursuant to subsection c. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection, other than a disqualification based on age or lack of evidence of prior, creditable coverage or receipt of benefits.

g. Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to a covered person by the carrier:
