BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 6 of P.L.1985, c.334 (C.58:11B-6) is amended to read as follows:

C.58:11B-6 Issuance of bonds, notes, other obligations.

6. a. Except as may be otherwise expressly provided in the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), the trust may from time to time issue its bonds, notes or other obligations in any principal amounts as in the judgment of the trust shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations or the interest or redemption premiums thereon to be funded or refunded have or have not become due, the establishment or increase of reserves or other funds to secure or to pay the bonds, notes or other obligations or interest thereon and all other costs or expenses of the trust incident to and necessary to carry out its corporate purposes and powers.

b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A of the New Jersey Statutes, subject only to the provisions of the bonds, notes and other obligations for registration.

c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) as the trust may determine.

d. Bonds, notes or other obligations of the trust may be sold at any price or prices and in any manner as the trust may determine. Each bond, note or other obligation shall mature and be paid not later than 30 years from the effective date thereof, or the certified useful life of the project or projects to be financed by the bonds, whichever is less, or a shorter period of time as may be applicable to any companion loan issued pursuant to federal law or regulation.

All bonds of the trust shall be sold at such price or prices and in such manner as the trust shall determine, after notice of sale, a summary of which shall be published at least once in at least three newspapers published in the State of New Jersey and at least once in a publication carrying municipal bond notices and devoted primarily to financial news

published in New Jersey or the city of New York, the first summary notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the trust, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The trust may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) without obtaining the consent of any department, division, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things, other than those consents, proceedings, conditions or things which are specifically required by P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.).

f. Bonds, notes or other obligations of the trust issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) shall not be a debt or liability of the State or of any political subdivision thereof other than the trust and shall not create or constitute any indebtedness, liability or obligation of the State or any political subdivision, but all these bonds, notes and other obligations, unless funded or refunded by bonds, notes or other obligations, shall be payable solely from revenues or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obligations, including subordinated indebtedness of the trust, shall not exceed (1) \$5,000,000,000 with respect to bonds, notes or other obligations issued to finance the Disaster Relief Emergency Financing Program established pursuant to section 1 of P.L.2013, c.93 (C.58:11B-9.5), and (2) \$2,800,000,000 with respect to bonds, notes or other obligations issued for all other purposes of the trust. In computing the foregoing limitations there shall be excluded all the bonds, notes or other obligations, including subordinated indebtedness of the trust, which shall be issued for refunding purposes, whenever the refunding shall be determined to result in a savings.

(1) Upon the decision by the trust to issue refunding bonds, except for current refunding, and prior to the sale of those bonds, the trust shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the trust relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the trust to issue and sell the refunding bonds at public or private sale and the reasons therefor.

(2) The Joint Budget Oversight Committee or its successor shall have the authority to approve or disapprove the sales of refunding bonds as included in each report submitted in accordance with paragraph (1) of this subsection. The committee shall notify the trust in

writing of the approval or disapproval within 30 days of receipt of the report. Should the committee not act within 30 days of receipt of the report, the trust may proceed with the sale of the refunding bonds, provided that the sale of refunding bonds shall realize not less than 3.00% net present value debt service savings.

(3) No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee or its successor as set forth in paragraphs (1) and (2) of this subsection.

(4) Within 30 days after the sale of the refunding bonds, the trust shall notify the committee of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

(5) The committee shall review all information and reports submitted in accordance with this subsection and may, on its own initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

h. Each issue of bonds, notes or other obligations of the trust may, if it is determined by the trust, be general obligations thereof payable out of any revenues, receipts or funds of the trust, or special obligations thereof payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds, notes or other obligations, and may be secured by one or more of the following:

i. The trust shall not issue any bonds, notes or other obligations, or otherwise incur any additional indebtedness, on or after June 30, 2033.
