

CHAPTER 30

AN ACT concerning environmental infrastructure projects, amending P.L.1985, c.334, P.L.2013, c.93, and P.L.1997, c.224, and repealing parts of the statutory law.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 9 of P.L.1985, c.334 (C.58:11B-9) is amended to read as follows:

C.58:11B-9 Loans to local governments.

9. a. (1) The trust may make and contract to make loans to local government units, or to a local government unit on behalf of another local government unit, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money.

(2) The trust may make and contract to make loans to public water utilities, or to any other person or local government unit on behalf of a public water utility, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any water supply project, which the public water utility may lawfully undertake or acquire.

(3) The trust may make and contract to make loans to private persons other than local government units, or to any other person or local government unit on behalf of a private person, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of stormwater management systems.

The loans may be made subject to those terms and conditions as the trust shall determine to be consistent with the purposes thereof. Each loan by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the loan. Each loan to a local government unit, public water utility or any other person shall be evidenced by notes, bonds or other obligations thereof issued to the trust. In the case of each local government unit, notes and bonds to be issued to the trust and, if applicable, the State, acting by and through the Department of Environmental Protection, by the local government unit (1) shall be authorized and issued as provided by law for the issuance of notes and bonds by the local government unit, (2) notwithstanding any provisions of the "Local Authorities Fiscal Control Law," P.L.1983, c.313 (C.40A:5A-1 et seq.) to the contrary, shall be approved by the Director of the Division of Local Government Services in the Department of Community Affairs, and (3), notwithstanding the provisions of N.J.S.40A:2-27, N.J.S.40A:2-28 and N.J.S.40A:2-29 or any other provisions of law to the contrary, may be sold at private sale to the trust or the State, as the case may be, at any price, whether or not less than par value, and shall be subject to redemption prior to maturity at any times and at any prices as the trust or the State, as the case may be, and local government units may agree. Each loan to a local government unit, public water utility or any other person and the notes, bonds or other obligations thereby issued shall bear interest at a rate or rates per annum as the trust or the State, as the case may be, and the local government unit, public water utility or any other person, as the case may be, may agree.

b. The trust is authorized to guarantee or contract to guarantee the payment of all or any portion of the principal and interest on bonds, notes or other obligations issued by a local

government unit to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money, and the guarantee shall constitute an obligation of the trust for the purposes of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each guarantee by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the guarantee.

c. The trust shall not make or contract to make any loans or guarantees to local government units, public water utilities or any other person, or otherwise incur any additional indebtedness, on or after June 30, 2033.

d. Notwithstanding any provision of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to the contrary, the trust may receive funds from any source including, without limitation, any funds drawn by the trust from a revolving line of credit or other similar financial vehicle that may be procured by the trust, either through a competitive or negotiated process, pursuant to section 5 of P.L.1985, c.334 (C.58:11B-5), for deposit into the Interim Financing Program Fund or the trust may issue its bonds, notes or other obligations, including commercial paper issued through a competitive or negotiated process, in any principal amounts, in either case, as in the judgment of the trust shall be necessary to provide sufficient funds to finance or refinance short-term or temporary loans to local government units, public water utilities or private persons for any wastewater treatment system projects included on the project priority list and eligible for approval pursuant to section 20 of P.L.1985, c.334 (C.58:11B-20) or water supply projects included on the project priority list and eligible for approval pursuant to section 24 of P.L.1997, c.224 (C.58:11B-20.1), as applicable, without regard to any other provisions of P.L.1985, c.334 or P.L.1997, c.224, including, without limitation, any administrative or legislative approvals.

The trust shall create and establish a special fund (hereinafter referred to as the "Interim Financing Program Fund") for the short-term or temporary loan financing or refinancing program (hereinafter referred to as the "Interim Financing Program").

Except as provided in section 1 of P.L.2013, c.93 (C.58:11B-9.5), any short-term or temporary loans made by the trust pursuant to this subsection may only be made in advance of the anticipated loans the trust may make and contract to make under the provisions of subsection a. of this section from any source of funds anticipated to be received by the trust. Any such short-term or temporary loan made pursuant to the Interim Financing Program shall mature no later than the last day of the third succeeding fiscal year following the closing date on which the short-term or temporary loan was made by the trust to the project sponsor; except a short-term or temporary loan made pursuant to this subsection for environmental planning and engineering design costs associated with long-term control plans for combined sewer overflow projects shall mature no later than the last day of the 10th succeeding fiscal year following the closing date on which the short-term or temporary loan was made by the trust to the project sponsor. The trust may make short-term or temporary loans pursuant to the Interim Financing Program to any one or more of the project sponsors, for the respective projects thereof, identified in the interim financing project priority list (hereinafter referred to as the "Interim Financing Program Project Priority List") in the form provided to the Legislature by the Commissioner of Environmental Protection.

The Interim Financing Program Project Priority List, including any revision thereof or supplement thereto, shall be submitted to the Legislature pursuant to section 2 of P.L.1991,

c.164 (C.52:14-19.1) at least once in each fiscal year as provided in section 20 of P.L.1985, c.334 (C.58:11B-20) and section 24 of P.L.1997, c.224 (C.58:11B-20.1). The Secretary and the Clerk shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively. The trust may revise or supplement the Interim Financing Program Project Priority List no more than three times during the fiscal year and shall submit the revised list to the Legislature when the revisions are made. Any environmental infrastructure project or the project sponsor thereof not identified in the Interim Financing Program Project Priority List submitted to the Legislature shall not be eligible for a short-term or temporary loan from the Interim Financing Program Fund. The trust may issue short-term or temporary loans pursuant to this subsection only if a project is listed on an Interim Financing Program Project Priority List that has been submitted to the Legislature. No funds may be disbursed pursuant to this section for project activities prior to a determination and certification, in writing, from the Department of Environmental Protection, that the project activities satisfy the provisions of P.L.1985, c.332 (C.58:11B-1 et seq.).

e. Notwithstanding any provisions of the "Local Bond Law" (N.J.S.40A:2-1 et seq.), the "sewerage authorities law," P.L.1946, c.138 (C.40:14A-1 et seq.), or the "municipal and county utilities authority law," P.L.1957, c.183 (C.40:14B-1 et seq.) to the contrary, short-term or temporary loans made by the trust pursuant to section 9 of P.L.1985, c.334 (C.58:11B-9) or section 1 of P.L.2013, c.93 (C.58:11B-9.5), and the obligations issued by project sponsors to evidence such loans, may, at the discretion of the trust and upon application by the project sponsor, bear interest at a variable rate determined pursuant to a methodology as may be established by the trust from time to time.

Further, notwithstanding any provisions of the "Local Bond Law" (N.J.S.40A:2-1 et seq.), the "sewerage authorities law," P.L.1946, c.138 (C.40:14A-1 et seq.), or the "municipal and county utilities authority law," P.L.1957, c.183 (C.40:14B-1 et seq.) to the contrary, any short-term or temporary loans made by the trust pursuant to section 9 of P.L.1985, c.334 (C.58:11B-9) or section 1 of P.L.2013, c.93 (C.58:11B-9.5), and any notes or other obligations issued by project sponsors to evidence such short-term or temporary loans, except for loans for environmental planning and engineering design costs associated with long-term control plans for combined sewer overflow projects as provided in subsection d. of this section, shall mature no later than the last day of the third succeeding fiscal year following the date of issuance of such notes or other obligations, without payment by project sponsors of any portion of the principal thereof prior to maturity.

f. Any balances remaining in the Emergency Loan Fund established pursuant to section 4 of P.L.2007, c.138 (C.58:11B-9.1), the Planning and Design Fund established pursuant to section 1 of P.L.2009, c.59 (C.58:11B-9.2), the Onsite Wastewater Disposal Loan Fund established pursuant to section 5 of P.L.2009, c.103 (C.58:11B-9.3), the Supplemental Loan Fund established pursuant to section 2 of P.L.2011, c.94 (C.58:11B-9.4), and the Equipment Loan Fund established pursuant to section 1 of P.L.2014, c.28 (C.58:11B-9.6) after the date of enactment of P.L.2016, c.30 shall be transferred to the Interim Financing Program Fund, and any loan repayments to the trust of principal and interest or premium on loans made from those funds shall be credited to the Interim Financing Program Fund.

2. Section 1 of P.L.2013, c.93 (C.58:11B-9.5) is amended to read as follows:

C.58:11B-9.5 "Disaster Relief Emergency Financing Program Fund."

1. a. The trust shall create and establish a special fund (hereinafter referred to as the "Disaster Relief Emergency Financing Program Fund") for the disaster relief emergency short-term or temporary loan program of the trust (hereinafter referred to as the "Disaster Relief Emergency Financing Program").

The Disaster Relief Emergency Financing Program Fund shall be credited with:

(1) moneys deposited in the fund as administrative fees received by the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5);

(2) moneys received by the trust as repayment of the principal of and the interest or premium on loans made from the fund;

(3) any interest earnings received on the moneys in the fund;

(4) such other moneys as the Legislature may appropriate to the trust for deposit into the fund at any time to finance or refinance emergency short-term or temporary loans pursuant to the Disaster Relief Emergency Financing Program;

(5) the proceeds of any bonds, notes or other obligations that may be issued by the trust from time to time in any principal amounts as in the judgment of the trust shall be necessary or appropriate to provide sufficient funds for deposit into the fund to finance or refinance emergency short-term or temporary loans pursuant to the Disaster Relief Emergency Financing Program; and

(6) any other source of available funds that may be deemed by the trust to be necessary or appropriate to provide sufficient funds for deposit into the fund to finance or refinance emergency short-term or temporary loans pursuant to the Disaster Relief Emergency Financing Program, including, without limitation, any funds drawn by the trust from (i) a revolving line of credit or other similar financial vehicle, or (ii) a commercial paper financing program, either through a competitive or negotiated process, that may be procured by the trust pursuant to the provisions of section 5 of P.L.1985, c.334 (C.58:11B-5), for deposit into the fund to finance or refinance emergency short-term or temporary loans pursuant to the Disaster Relief Emergency Financing Program.

b. Notwithstanding any provision of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to the contrary, the trust may make emergency short-term or temporary Disaster Relief Emergency Financing Program loans to: (1) local government units to finance or refinance the costs incurred in the environmental planning and design associated with such wastewater treatment system projects, and wastewater treatment system projects, as applicable; or (2) local government units, public water utilities, or private persons to finance or refinance the costs incurred in the environmental planning and design of water supply projects, and water supply projects, as applicable.

Emergency short-term or temporary loans may be made upon the determination and certification in writing by the department that any such project is necessary and appropriate to: repair damages to a wastewater treatment system or water supply facility directly arising from an act of terrorism, seismic activity, or weather conditions that occurred within the three fiscal years after a declaration by the Governor of a state of emergency, provided the wastewater treatment system or water supply facility is located in a county included in the Governor's state of emergency declaration; or mitigate the risk of future damage to a wastewater treatment system or water supply facility from an act of terrorism, seismic activity, or weather conditions comparable in scope and severity to the act of terrorism, seismic activity, or weather conditions that occurred within the three fiscal years after a declaration by the Governor of a state of emergency, provided the wastewater treatment system or water supply facility is located in a county included in the Governor's state of emergency declaration, without regard to any other provisions of P.L.1985, c.334 or

P.L.1997, c.224, including, without limitation, the provisions of section 20 of P.L.1985, c.334 (C.58:11B-20), section 24 of P.L.1997, c.224 (C.58:11B-20.1), the Interim Financing Program Project Priority List pursuant to subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9), or any administrative or legislative approvals. A project shall be eligible for emergency short-term or temporary loans pursuant to this section if it is identified on a Disaster Relief Emergency Financing Program Project Priority List no more than three years after the conditions that gave rise to a declaration by the Governor of a state of emergency. Any such short-term or temporary loan pursuant to the Disaster Relief Emergency Financing Program shall mature no later than the last day of the third succeeding fiscal year following the closing date on which the short-term or temporary loan was made by the trust to the project sponsor.

c. The trust may make short-term or temporary loans pursuant to the Disaster Relief Emergency Financing Program to one or more of the project sponsors, for the respective projects thereof, provided that the project is identified on the Disaster Relief Emergency Financing Program project priority list (hereinafter referred to as the "Disaster Relief Emergency Financing Program Project Priority List") no later than three years after the date of the declaration by the Governor of a state of emergency in the form provided to the Legislature by the Commissioner of Environmental Protection. However, a project may be eligible for funding pursuant to this section more than three years after the date of the declaration by the Governor of a state of emergency if the project was first included on a Disaster Relief Emergency Financing Program Project Priority List within three years after the date of the declaration by the Governor of a state of emergency and continues to be identified on the Disaster Relief Emergency Financing Program Project Priority List in the fiscal year in which the funding is issued. The Disaster Relief Emergency Financing Program Project Priority List shall be submitted to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1) at least once in each fiscal year. An environmental infrastructure project or a project sponsor thereof not identified on the Disaster Relief Emergency Financing Program Project Priority List submitted to the Legislature shall not be eligible for a short-term or temporary loan from the Disaster Relief Emergency Financing Program Fund.

d. The trust shall submit a report on the Disaster Emergency Financing Program to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1) on or before January 15 of each year. The Secretary of the Senate and the Clerk of the General Assembly shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively. The report shall identify the wastewater treatment system and water supply projects financed during the prior fiscal year through the program including a project description, the amount of the Disaster Relief Emergency Financing Program loan provided for each project, and the duration of each loan.

3. Section 20 of P.L.1985, c.334 (C.58:11B-20) is amended to read as follows:

C.58:11B-20 Project priority, eligibility list.

20. a. (1) The Commissioner of Environmental Protection shall for each fiscal year develop a priority system for wastewater treatment systems and shall establish the ranking criteria and funding policies for the projects therefor. The commissioner shall set forth an Interim Financing Program Project Priority List, hereinafter referred to as the "project priority list," for funding by the trust for each fiscal year and shall include the aggregate amount of funds of the trust to be authorized for these purposes. The project priority list may include any stormwater management or combined sewer overflow abatement project identified in the stormwater management and

combined sewer overflow abatement project priority list adopted by the commissioner pursuant to section 28 of P.L.1989, c.181.

The project priority list, which shall include for each wastewater treatment system the date each project is scheduled to be certified as ready for funding, shall be in conformance with applicable provisions of the "Federal Water Pollution Control Act Amendments of 1972," Pub.L.92-500 (33 U.S.C. s.1251 et al.), and any amendatory or supplementary acts thereto, and State law, or in the case of a wastewater treatment system project for the reduction of lead in a publicly-owned facility, conformance with requirements established by the Department of Environmental Protection for those projects. The project priority list shall include a description of each project and its purpose, impact, cost, and construction schedule, and an explanation of the manner in which priorities were established. The priority system and project priority list for the ensuing fiscal year shall be submitted to the Secretary of the Senate and the Clerk of the General Assembly on or before January 15 of each year. The Secretary and the Clerk shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively. Incremental revisions or supplements to the project priority list may be submitted to the Legislature as provided in subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9).

(2) The commissioner shall set forth a project eligibility list for long-term funding by the trust and shall include the aggregate amount of funds to be authorized for these purposes. The project eligibility list shall consist of project priority list projects certified by the department that have commenced construction and demonstrated a high likelihood of construction completion on or before the end of the ensuing fiscal year. On or before May 15 of each year, the trust shall submit the project eligibility list for the ensuing fiscal year, including any revision thereof or supplement thereto, to be introduced in each House in the form of legislative appropriations bills, which shall be referred to the Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee, or their successors, for their respective consideration. On or before October 15 of each year the trust may submit an additional project eligibility list, to be introduced in each House in the form of legislative appropriations bills, which shall be referred to the Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee, or their successors, for their respective consideration.

b. The Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee shall, either individually or jointly, consider the legislation containing the project eligibility list, and shall report the legislation, together with any modifications, out of committee for consideration by each House of the Legislature. On or before July 1 of each year, the Legislature shall approve an appropriations act containing the project eligibility list, including any amendatory or supplementary provisions thereto, which act shall include the authorization of an aggregate amount of funds of the trust to be expended for long-term loans and guarantees for the specific projects, including the individual amounts therefor, on the list.

c. The trust shall not expend any money for a long-term loan or guarantee during a fiscal year for any wastewater treatment system project unless the expenditure is authorized pursuant to an appropriations act as provided in the provisions of this section, or as otherwise set forth in an appropriations act.

4. Section 24 of P.L.1997, c.224 (C.58:11B-20.1) is amended to read as follows:

C.58:11B-20.1 Priority system for water supply projects; policies.

24. a. (1) The Commissioner of Environmental Protection shall for each fiscal year develop a priority system for water supply projects and shall establish the ranking criteria and funding

policies therefor. The commissioner shall set forth an Interim Financing Program Project Priority List, hereinafter referred to as the "project priority list," for funding by the trust for each fiscal year and shall include the aggregate amount of funds of the trust to be authorized for these purposes. The commissioner may include a water supply project on the project priority list if it meets the eligibility requirements for funding pursuant to the federal "Safe Drinking Water Act Amendments of 1996," Pub.L.104-182, or in the case of a water supply project for the reduction of lead in a publicly-owned facility, the project meets the eligibility requirements established by the Department of Environmental Protection for those projects. The project priority list shall include a description of each project and an explanation of the manner in which priorities were established. The priority system and project priority list for the ensuing fiscal year shall be submitted to the Secretary of the Senate and the Clerk of the General Assembly on or before January 15 of each year. The Secretary and the Clerk shall cause the date of submission to be entered upon the Senate Journal and the Minutes of the General Assembly, respectively. Incremental revisions or supplements to the project priority list may be submitted to the Legislature as provided in subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9).

(2) The commissioner shall set forth a project eligibility list for long-term funding by the trust and shall include the aggregate amount of funds to be authorized for these purposes. The project eligibility list shall consist of project priority list projects certified by the department that have commenced construction and demonstrated a high likelihood of construction completion on or before the end of the ensuing fiscal year. On or before May 15 of each year, the trust shall submit the project eligibility list for the ensuing fiscal year, including any revision thereof or supplement thereto, to be introduced in each House in the form of legislative appropriations bills, which shall be referred to the Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee, or their successors, for their respective consideration. On or before October 15 of each year the trust may submit an additional project eligibility list, to be introduced in each House in the form of legislative appropriations bills, which shall be referred to the Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee, or their successors, for their respective consideration.

b. The Senate Environment and Energy Committee and the Assembly Environment and Solid Waste Committee shall, either individually or jointly, consider the legislation containing the project eligibility list, and shall report the legislation, together with any modifications, out of committee for consideration by each House of the Legislature. On or before July 1 of each year, the Legislature shall approve an appropriations act containing the project eligibility list, including any amendatory or supplementary provisions thereto, which act shall include the authorization of an aggregate amount of funds of the trust to be expended for long-term loans and guarantees for the specific water supply projects, including the individual amounts therefor, on the list.

c. The trust shall not expend any money for a long-term loan or guarantee during a fiscal year for any water supply project unless the expenditure is authorized pursuant to an appropriations act as provided in the provisions of this section, or as otherwise set forth in an appropriations act.

5. Section 21 of P.L.1985, c.334 (C.58:11B-21) is amended to read as follows:

C.58:11B-21 Financial plan.

21. On or before May 15 of each year, the trust shall submit to the Legislature a financial plan designed to implement the financing of the wastewater treatment system projects either on the Interim Financing Program Project Priority List, hereinafter referred to as the "project

priority list,” or the project eligibility list, approved pursuant to section 20 of P.L.1985, c.334 (C.58:11B-20) or as otherwise approved by the Legislature. The financial plan shall contain an enumeration of the bonds, notes or other obligations of the trust which the trust intends to issue, including the amounts thereof and the terms and conditions thereof, a list of loans to be made to local government units or private persons, including the terms and conditions thereof and the anticipated rate of interest per annum and repayment schedule therefor, and a list of loan guarantees or contracts to guarantee the payment of all or a portion of the principal and interest on bonds, notes or other obligations issued by a local government unit to finance the cost of a wastewater treatment system project, and the terms and conditions thereof.

The financial plan shall also set forth a complete operating and financial statement covering its proposed operations during the forthcoming fiscal year, including amounts of income from all sources, and the uniform schedule of fees and charges established by the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5), and the amounts to be derived therefrom, and shall summarize the status of each wastewater treatment system project for which loans or guarantees have been made by the trust, and shall describe major impediments to the accomplishment of the planned wastewater treatment system projects.

The financial plan shall identify the wastewater treatment system projects financed during the prior fiscal year through the Disaster Relief Emergency Financing Program established pursuant to section 1 of P.L.2013, c.93 (C.58:11B-9.5), including a project description, the amount of the Disaster Relief Emergency Financing Program loan for each project, and the duration of such Disaster Relief Emergency Financing Program loan.

The financial plan shall also identify the wastewater treatment system projects financed during the prior fiscal year by the Interim Financing Program established pursuant to subsection d. of section 9 of P.L.1985, c.224 (C.58:11B-9) including a project description, the amount of the loan provided for each project, and the duration of each loan.

6. Section 25 of P.L.1997, c.224 (C.58:11B-21.1) is amended to read as follows:

C.58:11B-21.1 Submission of financial plan to Legislature.

25. On or before May 15 of each year, the trust shall submit to the Legislature a financial plan designed to implement the financing of the water supply projects either on the Interim Financing Program Project Priority List, hereinafter referred to as the “project priority list,” or the project eligibility list, approved pursuant to section 24 of P.L.1997, c.224 (C.58:11B-20.1) or as otherwise approved by the Legislature. The financial plan shall contain an enumeration of the bonds, notes or other obligations of the trust which the trust intends to issue, including the amounts thereof and the terms and conditions thereof, a list of loans to be made to local government units, public water utilities, or to any other person or local government unit on behalf of a public water utility, including the terms and conditions thereof and the anticipated rate of interest per annum and repayment schedule therefor, and a list of loan guarantees or contracts to guarantee the payment of all or a portion of the principal and interest on bonds, notes or other obligations issued by a local government unit to finance the cost of a water supply project, and the terms and conditions thereof.

The financial plan shall also set forth a complete operating and financial statement covering its proposed operations during the forthcoming fiscal year, including amounts of income from all sources, and the uniform schedule of fees and charges established by the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5), and the amounts to be derived therefrom, and shall summarize the status of each water supply project for

which loans or guarantees have been made by the trust, and shall describe major impediments to the accomplishment of the planned water supply projects.

The financial plan shall identify the water supply projects financed during the prior fiscal year through the Disaster Relief Emergency Financing Program established pursuant to section 1 of P.L.2013, c.93 (C.58:11B-9.5), including a project description, the amount of the Disaster Relief Emergency Financing Program loan for each project, and the duration of such Disaster Relief Emergency Financing Program loan.

The financial plan shall also identify the water supply projects financed during the prior fiscal year by the Interim Financing Program established pursuant to subsection d. of section 9 of P.L.1985, c.224 (C.58:11B-9) including a project description, the amount of the loan provided for each project, and the duration of each loan.

7. Section 27 of P.L.1997, c.224 (C.58:11B-22.2) is amended to read as follows:

C.58:11B-22.2 Submission of consolidated financial plan.

27. As an alternative to the individual annual submissions required by the provisions of sections 21 and 22 of P.L.1985, c.334 (C.58:11B-21 and 58:11B-22), sections 25 and 26 of P.L.1997, c.224 (C.58:11B-21.1 and C.58:11B-22.1) and subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9), the trust may develop and submit to the Legislature a consolidated financial plan designed to implement the financing of the wastewater treatment system projects on the project priority list and project eligibility list approved pursuant to section 20 of P.L.1985, c.334 (C.58:11B-20), the water supply projects on the project priority list and project eligibility list approved pursuant to section 24 of P.L.1997, c.224 (C.58:11B-20.1), the water resources projects and wastewater treatment system projects on the water resources project and wastewater treatment system project priority list and project eligibility list developed pursuant to section 31 of P.L.2003, c.162 and any other environmental infrastructure projects approved by the Legislature.

Repealer.

8. The following sections are repealed:

Section 4 of P.L.2007, c.138 (C.58:11B-9.1);

Section 1 of P.L.2009, c.59 (C.58:11B-9.2);

Section 5 of P.L.2009, c.103 (C.58:11B-9.3);
