The record shall show also whether the applicant was examined, licensed or rejected under this and any prior act. Copies of any of the entries of the record or of any certificate issued by the board may be authenticated by any member of the board under its seal and when so authenticated shall be evidence in all courts of this State of the same weight and force as the original thereof. For authenticating a copy of any entry or entries contained in its record the board shall be paid a fee of \$3.00, but such authentication, if made at the request of any public agency of this or any other jurisdiction, may be without fee. (11) In its discretion it may publish at such times as it shall determine a list of nurses licensed under this act, a list of schools of nursing accredited or approved under this act, and such other information as it shall deem advisable. (18) It shall perform all other functions which are provided in this act to be performed by it or which in the judgment of the board are necessary or proper for the administration of this act. (19) It shall from time to time prescribe rules and regulations not inconsistent with this act. (20) It shall prescribe standards and curricula for homemaker-home health aide education and training programs which a homemaker-home health aide shall complete in order to work in this State. (26) It shall prescribe standards and requirements for unlicensed assistive personnel, including initial education and continuing education and a competency evaluation program, which these personnel shall satisfy in order to work in this State. As used in this paragraph and in paragraph (25) of this subsection, "unlicensed assistive personnel" means any unlicensed or uncertified personnel employed by a licensed health care facility that perform nursing tasks which do not require the skill or judgment of a registered professional nurse and which are assigned to them by, and carried out under the supervision of, a registered professional nurse.
