

CHAPTER 324
(CORRECTED COPY)

AN ACT directing the Governor, on behalf of the State of New Jersey, to notify the Congress of the United States, the Governor of the State of New York, and the Waterfront Commission of New York Harbor, of the State of New Jersey's intention to withdraw from the compact created by P.L.1953, c.202 (C.32:23-1 et seq.), supplementing Titles 32 and 53 of the Revised Statutes, amending R.S.52:14-7, and repealing parts of the statutory law.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C.32:23-229 Findings, declarations.

1. The Legislature finds and declares that:

a. The Port of New York and New Jersey (port) has been one of the backbones of the region's economy for decades. When ranked by tonnage, the port is the largest port complex on the East coast of North America and the third largest in the United States. When ranked by the value of shipments passing through it, the port is the second busiest freight gateway in the United States. The port's strategic location, within one day's drive of a significant percentage of the national market and developed transportation infrastructure, are key assets that have made the region a gateway for international trade. Since the birth of containerization in 1956, the marine terminals on the New Jersey side of the port have grown significantly in comparison to the New York terminals. Today more than 82 percent of the cargo and 82 percent of the work hours are on the New Jersey side of the port. The port and freight industry in New Jersey alone supports more than 143,000 direct jobs and 250,000 total jobs, nearly \$14.5 billion in personal income, over \$20 billion in business income, and nearly \$4.9 billion in federal, State, and local taxes, of which State and local taxes account for \$1.6 billion.

b. The Waterfront Commission of New York Harbor (commission) was created through a compact between the states of New Jersey and New York and approved by Congress in 1953. The commission's mission is to ensure fair hiring and employment practices and investigate, deter, and combat criminal activity and influence in the port. The commission has itself been tainted by corruption in recent years and, moreover, has exercised powers that do not exist within the authorizing compact, by dictating the terms of collective bargaining agreements of organized labor, and by requiring stevedoring companies to hire and retain independent inspectors to examine company operations in order for those companies to continue to operate in the port. Further, the commission, despite changes in the industry to drive out organized crime's influence, has over-regulated the businesses at the port in an effort to justify its existence as the only waterfront commission in any port in the United States. As a result, the commission has become an impediment to future job growth and prosperity at the port.

c. While there is a continued need to regulate port-located business to ensure fairness and safety, there are numerous federal, State, and local taxpayer funded agencies that have jurisdiction that the commission lacks to regulate port operations, including, but not limited to: the United States Department of Homeland Security; United States Customs and Border Protection; the United States Coast Guard; the Transportation Security Administration; the Federal Bureau of Investigation; the United States Department of Labor's Division of Longshore and Harbor Workers Compensation; the National Labor Relations Board; the Food and Drug Administration; the United States Environmental Protection Agency; the United States Department of Transportation; the Federal Maritime Commission; the Occupational Safety and Health Administration; the Port Authority of New York and New

Jersey Police Department; depending on the particular location of the facility in New Jersey, the City of Newark Police Department, City of Elizabeth Police Department, City of Bayonne Police Department, City of Jersey City Police Department, and the New Jersey State Police; and, in matters of fair hiring and employment discrimination, the United States Equal Employment Opportunity Commission and the New Jersey Division on Civil Rights.

d. Abolishing the commission and transferring the New Jersey portion of the commission's law enforcement responsibilities to the New Jersey State Police would be practical and efficient, as the State Police is suited to undertake an investigation of any criminal activity in the ports of northern New Jersey without impeding economic prosperity.

C.32:23-230 Withdrawal from compact.

2. a. Within 30 days of the effective date of P.L.2017, c.324 (C.32:23-229 et al.), the Governor, on behalf of the State of New Jersey, shall notify the Congress of the United States, the Governor of the State of New York, and the waterfront commission of New York harbor, of the State of New Jersey's intention to withdraw from:

(1) the compact entered into by the State of New Jersey pursuant to its agreement thereto under P.L.1953, c.202 (C.32:23-1 et seq.) and by the State of New York pursuant to its agreement thereto under P.L.1953, c.882 (NY Unconsol. Ch.307, s.1), as amended and supplemented; and

(2) the compact, entered into by the State of New Jersey pursuant to its agreement thereto under P.L.1970, c.58 (C.32:23-150 et seq.) and by the State of New York pursuant to its agreement thereto under P.L.1970, c.951 (NY Unconsol. Ch.307, s.10), as amended and supplemented.

b. As soon as practicable after the date of notification pursuant to subsection a. of this section, the Governor shall notify the presiding officers of each house of the Legislature that the notification has occurred, the date of the notification, and any other information concerning the notification the Governor deems appropriate.

C.53:2-11 License required for pier superintendent, hiring agent.

6. a. A person shall not act as a pier superintendent or as a hiring agent within the port of New York district in this State without first having obtained from the division a license to act as a pier superintendent or hiring agent, as the case may be, and a person shall not employ or engage another person to act as a pier superintendent or hiring agent who is not so licensed.

b. A license to act as a pier superintendent or hiring agent shall be issued only upon the written application, under oath, of the person proposing to employ or engage another person to act as a pier superintendent or hiring agent, verified by the prospective licensee as to the matters concerning the prospective licensee, and shall state the following:

(1) The full name and business address of the applicant;

(2) The full name, residence, business address, if any, place and date of birth, and social security number of the prospective licensee;

(3) The present and previous occupations of the prospective licensee, including the places where the person was employed and the names of the person's employers;

(4) Any further facts and evidence as may be required by the division to ascertain the character, integrity, and identity of the prospective licensee; and

(5) That if a license is issued to the prospective licensee, the applicant will employ the licensee as pier superintendent or hiring agent, as the case may be.

c. A license shall not be granted pursuant to this section:

(1) Unless the division shall be satisfied that the prospective licensee possesses good character and integrity;

(2) If the prospective licensee has, without subsequent pardon, been convicted by a court of the United States, or any State or territory thereof, of the commission of, or the attempt or conspiracy to commit, treason, murder, manslaughter, or any of the following offenses: illegally using, carrying, or possessing a pistol or other dangerous weapon; making or possessing burglar's instruments; buying or receiving stolen property; unlawful entry of a building; aiding an escape from prison; unlawfully possessing, possessing with intent to distribute, sale, or distribution of a controlled dangerous substance or a controlled dangerous substance analog; or a violation prescribed in subsection g. of this section. Any prospective licensee ineligible for a license by reason of any conviction under this paragraph may submit satisfactory evidence to the division that the prospective licensee has for a period of not less than five years, measured as hereinafter provided, and up to the time of application, so acted as to warrant the grant of a license, in which event the division may, in its discretion, issue an order removing that ineligibility. The five-year period shall be measured either from the date of payment of any fine imposed upon that person or the suspension of sentence or from the date of the person's unrevoked release from custody by parole, commutation, or termination of sentence; and

(3) If the prospective licensee knowingly or willfully advocates the desirability of overthrowing or destroying the government of the United States by force or violence or shall be a member of a group which advocates that desirability, knowing the purposes of a group having that advocacy.

d. When the application shall have been examined and further inquiry and investigation made as the division shall deem proper and when the division shall be satisfied therefrom that the prospective licensee possesses the qualifications and requirements prescribed in this section, the division shall issue and deliver to the prospective licensee a license to act as pier superintendent or hiring agent for the applicant, as the case may be, and shall inform the applicant of this action. The division may issue a temporary permit to any prospective licensee for a license issued under this section pending final action on an application made for that license. Any temporary permit shall be valid for a period not in excess of 30 days.

e. A person shall not be licensed to act as a pier superintendent or hiring agent for more than one employer, except at a single pier or other waterfront terminal, but nothing in P.L.2017, c.324 (C.32:23-229 et al.) shall be construed to limit in any way the number of pier superintendents or hiring agents any employer may employ.

f. A license granted pursuant to this section shall continue through the duration of the licensee's employment by the employer who shall have applied for the license.

g. Any license issued pursuant to this section may be revoked or suspended for a period as the division deems in the public interest or the licensee thereunder may be reprimanded for any of the following offenses:

- (1) Conviction of a crime or act by the licensee or other cause which would require or permit the person's disqualification from receiving a license upon original application;
- (2) Fraud, deceit, or misrepresentation in securing the license, or in the conduct of the licensed activity;
- (3) Violation of any of the provisions of P.L.2017, c.324 (C.32:23-229 et al.);
- (4) Unlawfully possessing, possessing with intent to distribute, sale, or distribution of a controlled dangerous substance or a controlled dangerous substance analog;

- (6) Paying, giving, causing to be paid or given or offering to pay or give to any person any valuable consideration to induce the other person to violate any provision of P.L.2017, c.324 (C.32:23-229 et al.) or to induce any public officer, agent, or employee to fail to perform the person's duty hereunder;
- (7) Consorting with known criminals for an unlawful purpose;
- (8) Transfer or surrender of possession of the license to any person either temporarily or permanently without satisfactory explanation;
- (9) False impersonation of another licensee under P.L.2017, c.324 (C.32:23-229 et al.);

The American Federation of Labor, the Congress of Industrial Organizations and any other similar federation, congress, or other organization of national or international occupational or industrial labor organizations shall not be considered an organization which represents longshoremen or port watchmen within the meaning of this section although one of the federated or constituent labor organizations thereof may represent longshoremen or port watchmen.

C.53:2-12 Licensure required for stevedore.

7. a. A person shall not act as a stevedore within the port of New York district in this State without having first obtained a license from the division, and a person shall not employ a stevedore to perform services as such within the port of New York district unless the stevedore is so licensed.

b. Any person intending to act as a stevedore within the port of New York district shall file in the office of the division a written application for a license to engage in that occupation, duly signed, and verified as follows:

c. If the applicant is a natural person, the application shall be signed and verified by that person and if the applicant is a partnership, the application shall be signed and verified by each natural person composing or intending to compose that partnership. The application shall state the full name, age, residence, business address, if any, present and previous occupations of each natural person so signing the application, and any other facts and

evidence as may be required by the division to ascertain the character, integrity, and identity of each natural person signing the application.

d. If the applicant is a corporation, the application shall be signed and verified by the president, secretary, and treasurer thereof, and shall specify the name of the corporation, the date and place of its incorporation, the location of its principal place of business, the names and addresses of, and the amount of the stock held by stockholders owning five percent or more of any of the stock thereof, and of all officers, including all members of the board of directors. The requirements of subsection a. of this section as to a natural person who is a member of a partnership, and the requirements as may be specified in rules and regulations promulgated by the division pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall apply to each above-named officer or stockholder and their successors in office or interest, as the case may be.

In the event of the death, resignation, or removal of any officer, and in the event of any change in the list of stockholders who shall own five percent or more of the stock of the corporation, the secretary of the corporation shall forthwith give notice of that fact in writing to the division, certified by the secretary.

e. A license shall not be granted:

(1) If any person whose signature or name appears in the application is not the real party in interest, required by subsection d. of this section, to sign or to be identified in the application or if the person so signing or named in the application is an undisclosed agent or trustee for any real party in interest;

(2) Unless the division shall be satisfied that the applicant and all members, officers, and stockholders required by subsection d. of this section to sign or be identified in the application for license possess good character and integrity;

(3) Unless the applicant is either a natural person, partnership, or corporation;

(4) Unless the applicant shall be a party to a contract then in force or which will take effect upon the issuance of a license, with a carrier of freight by water for the loading and unloading by the applicant of one or more vessels of such carrier at a pier within the port of New York district;

(5) If the applicant or any member, officer, or stockholder required by subsection d. of this section to sign or be identified in the application for license has, without subsequent pardon, been convicted by a court of the United States or any State or territory thereof of the commission of, or the attempt or conspiracy to commit, treason, murder, manslaughter, or any of the offenses described in subsection h. of this section. Any applicant ineligible for a license by reason of any of those convictions may submit satisfactory evidence to the division that the person whose conviction was the basis of ineligibility has for a period of not less than five years, measured as hereinafter provided and up to the time of application, so acted as to warrant the grant of that license, in which event the division may, in its discretion issue an order removing that ineligibility. The aforesaid period of five years shall be measured either from the date of payment of any fine imposed upon that person or the suspension of sentence or from the date of the person's unrevoked release from custody by parole, commutation, or termination of sentence;

(6) If the applicant has paid, given, caused to have been paid or given, or offered to pay or give to any officer or employee of any carrier of freight by water any valuable consideration for an improper or unlawful purpose or to induce that person to procure the employment of the applicant by the carrier for the performance of stevedoring services; or

(7) If the applicant has paid, given, caused to be paid or given, or offered to pay or give to any officer or representative of a labor organization any valuable consideration for an

improper or unlawful purpose or to induce the officer or representative to subordinate the interests of the labor organization or its members in the management of the affairs of the labor organization to the interests of the applicant.

f. When the application shall have been examined and further inquiry and investigation made as the division shall deem proper and when the division shall be satisfied therefrom that the applicant possesses the qualifications and requirements prescribed in this section, the division shall issue and deliver a license to that applicant. The division may issue a temporary permit to any applicant for a license under the provisions of this section pending final action on an application made for a license. A temporary permit shall be valid for a period not in excess of 30 days.

g. A stevedore's license shall be for a term of five years or fraction of that five-year period, and shall expire on the first day of December. In the event of the death of the licensee, if a natural person, or its termination or dissolution by reason of the death of a partner, if a partnership, or if the licensee shall cease to be a party to any contract of the type prescribed by paragraph (4) of subsection e. of section 7 of P.L.2017, c.324 (C.53:2-12), the license shall terminate 90 days after that event or upon its expiration date, whichever shall be sooner. A license may be renewed by the division for successive five-year periods upon fulfilling the same requirements as are established in this section for an original application for a stevedore's license.

h. Any license issued pursuant to this section may be revoked or suspended for a period as the division deems in the public interest or the licensee thereunder may be reprimanded for any of the following offenses on the part of the licensee or of any person required by this section to sign or be identified in an original application for a license:

(1) Conviction of a crime or other cause which would permit or require disqualification of the licensee from receiving a license upon original application;

(2) Fraud, deceit, or misrepresentation in securing the license or in the conduct of the licensed activity;

(3) Failure by the licensee to maintain a complete set of books and records containing a true and accurate account of the licensee's receipts and disbursements arising out of the licensee's activities within the port of New York district in this State;

(4) Failure to keep its books and records available during business hours for inspection by the division and its duly designated representatives until the expiration of the fifth calendar year following the calendar year during which occurred the transactions recorded therein; or

(5) Any other offense described in this section.

i. In addition to the grounds elsewhere established in P.L.2017, c.324 (C.32:23-229 et al.), the division shall not grant an application for a license as stevedore if the applicant has paid, given, caused to have been paid or given, or offered to pay or give to any agent of any carrier of freight by water any valuable consideration for an improper or unlawful purpose or, without the knowledge and consent of the carrier, to induce the agent to procure the employment of the applicant by the carrier or its agent for the performance of stevedoring services.

C.53:2-13 Longshoremen's register.

8. a. The division shall establish a longshoremen's register in which shall be included all qualified longshoremen eligible, as hereinafter provided, for employment as longshoremen in the port of New York district in this State. A person shall not act as a longshoreman within the port of New York district in this State unless at the time the person is included in the

longshoremen's register, and a person shall not employ another to work as a longshoreman within the port of New York district in this State unless at the time the other person is included in the longshoremen's register.

b. Any person applying for inclusion in the longshoremen's register shall file at a place and in a manner as the division shall designate a written statement, signed, and verified by the applicant, setting forth the applicant's full name, residence address, social security number, and any further facts and evidence as the division may prescribe to establish the identity of that person and the person's criminal record, if any.

c. The division may in its discretion deny application for inclusion in the longshoremen's register by a person:

(1) Who has been convicted by a court of the United States or any State or territory thereof, without subsequent pardon, of treason, murder, manslaughter, or of any of the offenses described in subsection g. of section 6 of P.L.2017, c.324 (C.53:2-11) or of attempt or conspiracy to commit any of those crimes;

(2) Who knowingly or willingly advocates the desirability of overthrowing or destroying the government of the United States by force or violence or who shall be a member of a group which advocates that desirability knowing the purposes of the group advocating that desirability; or

(3) Whose presence at the piers or other waterfront terminals in the port of New York district in this State is found by the division, on the basis of the facts and evidence before it, to constitute a danger to the public peace or safety.

d. Unless the division shall determine to exclude the applicant from the longshoremen's register for violation of the offenses described in subsection g. of section 6 of P.L.2017, c.324 (C.53:2-11), it shall include that person in the longshoremen's register. The division may permit temporary registration of any applicant under the provisions of this section pending final action on an application made for temporary registration. Any temporary registration shall be valid for a period not in excess of 30 days.

e. The division shall have power to reprimand any longshoreman registered under this section or to remove the person from the longshoremen's register for a period of time as it deems in the public interest for any of the following offenses:

(1) Conviction of a crime or other cause which would permit disqualification of a person from inclusion in the longshoremen's register upon original application;

(2) Fraud, deceit, or misrepresentation in securing inclusion in the longshoremen's register;

(3) Transfer or surrender of possession to any person either temporarily or permanently of any card or other means of identification issued by the authority as evidence of inclusion in the longshoremen's register, without satisfactory explanation;

(4) False impersonation of another longshoreman registered under this section or of another person licensed pursuant to P.L.2017, c.324 (C.32:23-229 et al.);

(5) Willful commission of or willful attempt to commit at or on a waterfront terminal or adjacent highway any act of physical injury to any other person or of willful damage to or misappropriation of any other person's property, unless justified or excused by law; and

(6) Any other offense described in subsection g. of section 6 of P.L.2017, c.324 (C.53:2-11).

f. Whenever, as a result of amendments to P.L.2017, c.324 (C.32:23-229 et al.) or of a ruling by the division, registration as a longshoreman is required for any person to continue in employment, that person shall be registered as a longshoreman; provided, however, that

the person satisfies all the other requirements of P.L.2017, c.324 (C.32:23-229 et al.) for registration as a longshoreman.

g. The division shall have the right to recover possession of any card or other means of identification issued as evidence of inclusion in the longshoremen's register in the event that the holder thereof has been removed from the longshoremen's register.

h. Nothing contained in P.L.2017, c.324 (C.32:23-229 et al.) shall be construed to limit in any way any labor rights reserved by P.L.2017, c.324 (C.32:23-229 et al.).

C.53:2-14 Removal of certain persons from longshoremen's register.

9. a. The division shall, at regular intervals, remove from the longshoremen's register any person who shall have been registered for at least nine months and who shall have failed during the preceding six calendar months either to have worked as a longshoreman in the port of New York district in this State or to have applied for employment as a longshoreman at an employment information center established under section 16 of P.L.2017, c.324 (C.53:2-21) for the minimum number of days as shall have been established by the division pursuant to subsection b. of this section.

b. On or before the first day of June following the date on which P.L.2017, c.324 (C.32:23-229 et al.) becomes operative, and on or before each succeeding first day of June or December, the division shall, for the purposes of P.L.2017, c.324 (C.32:23-229 et al.), establish for the six-month period beginning on each date a minimum number of days and the distribution of the days during that period.

c. In establishing any minimum number of days or period, the division shall consult with the collective bargaining representatives of stevedores and other employers of longshoremen in the port of New York district and with labor organizations representing longshoremen in the district.

d. A longshoreman who has been removed from the longshoremen's register pursuant to subsection e. of section 8 of P.L.2017, c.324 (C.53:2-13) may seek reinstatement upon fulfilling the same requirements as for initial inclusion in the longshoremen's register, but not before the expiration of one year from the date of removal, except that immediate reinstatement shall be made upon proper showing that the registrant's failure to work or apply for work for the minimum number of days, described in subsection c. of this section, was caused by the fact that the registrant was engaged in the military service of the United States or was incapacitated by ill health, physical injury, or other good cause.

e. Notwithstanding any other provision of P.L.2017, c.324 (C.32:23-229 et al.), the division shall at any time have the power to register longshoremen on a temporary basis to meet special or emergency needs.

C. 53:2-15 Power of division to remove persons from longshoremen's register.

10. Notwithstanding any other provisions of P.L.2017, c.324 (C.32:23-229 et al.), the division shall have the power to remove from the longshoremen's register any person, including a person registered as longshoremen for less than nine months, who shall have failed to have worked as a longshoreman in the port of New York district in this State for a minimum number of days during a period of time as shall have been established by the division. In administering this section, the division, in its discretion, may count applications for employment as a longshoreman at an employment information center established pursuant to section 16 of P.L.2017, c.324 (C.53:2-21) as constituting actual work as a longshoreman, provided, however, that the division shall count as actual work the compensation received by any longshoreman pursuant to the guaranteed wage provisions of

any collective bargaining agreement relating to longshoremen. Prior to the commencement of any period of time established by the division pursuant to this section, the division shall establish for that period the minimum number of days of work required and the distribution of days during that period and shall also determine whether or not application for employment as a longshoreman shall be counted as constituting actual work as a longshoreman. The division may classify longshoremen according to length of service as a longshoreman and develop other criteria as may be reasonable and necessary to carry out the provisions of P.L.2017, c.324 (C.32:23-229 et al.). The division shall have the power to vary the requirements of this section with respect to their application to the various classifications of longshoremen. In administering this section, the division shall observe the standards set forth in section 2 of P.L.1966, c.18 (C.32:23-114), as that section shall have been amended through the enactment of P.L.1999, c.206. Nothing in this section shall be construed to modify, limit, or restrict in any way any of the rights protected by section 23 of P.L.2017, c.324 (C.53:2-28).

C.53:2-16 List of qualified longshoremen for employment as checkers.

11. a. The division shall establish within the longshoremen's register a list of all qualified longshoremen eligible, as hereinafter provided, for employment as checkers in the port of New York district in this State. A person shall not act as a checker within the port of New York district in this State unless at the time the person is included in the longshoremen's register as a checker, and a person shall not employ another to work as a checker within the port of New York district in this State unless at the time such other person is included in the longshoremen's register as a checker.

b. Any person applying for inclusion in the longshoremen's register as a checker shall file at a place and in a manner as the division shall designate a written statement, signed, and verified by the applicant, setting forth the following:

(1) The full name, residence, place and date of birth, and social security number of the applicant;

(2) The present and previous occupations of the applicant, including the places where the applicant was employed and the names of the applicant's employers; and

(3) Any further facts and evidence as may be required by the authority to ascertain the character, integrity, and identity of the applicant.

c. A person shall not be included in the longshoremen's register as a checker:

(1) Unless the division shall be satisfied that the applicant possesses good character and integrity;

(2) If the applicant has, without subsequent pardon, been convicted by a court of the United States or any State or territory thereof, of the authority of, or the attempt or conspiracy to commit treason, murder, manslaughter, or any of the following offenses: illegally using, carrying or possessing a pistol or other dangerous weapon; making or possessing burglar's instruments; buying or receiving stolen property; unlawful entry of a building; aiding an escape from prison; unlawfully possessing, possessing with intent to distribute, sale or distribution of a controlled dangerous substance or a controlled dangerous substance analog; petty larceny, where the evidence shows the property was stolen from a vessel, pier or other waterfront terminal; or a violation of P.L.2017, c.324 (C.32:23-229 et al.). An applicant ineligible for inclusion in the longshoremen's register as a checker by reason of a conviction may submit satisfactory evidence to the division that the applicant has for a period of not less than five years, measured as hereinafter provided, and up to the time of application, so acted as to warrant inclusion in the longshoremen's register as a checker, in

which event the division may, in its discretion, issue an order removing the applicant's ineligibility. The five-year period shall be measured either from the date of payment of any fine imposed upon that person or the suspension of sentence or from the date of the person's unrevoked release from custody by parole, commutation, or termination of sentence; or

(3) If the applicant knowingly or willfully advocates the desirability of overthrowing or destroying the government of the United States by force or violence or shall be a member of a group which advocates that desirability, knowing the purposes of the group advocating that desirability.

d. When the application shall have been examined and further inquiry and investigation made as the division shall deem proper and when the division shall be satisfied therefrom that the applicant possesses the qualifications and requirements prescribed by this section, the division shall include the applicant in the longshoremen's register as a checker. The division may permit temporary registration as a checker to any applicant under this section pending final action on an application made for temporary registration, under the terms and conditions as the division may prescribe, which shall be valid for a period to be fixed by the division, not in excess of six months.

e. The division shall have power to reprimand any checker registered under this section or to remove the person from the longshoremen's register as a checker for a period of time as the division deems in the public interest for any of the following offenses:

(1) Conviction of a crime or other cause which would permit disqualification of the person from inclusion in the longshoremen's register as a checker upon original application;

(2) Fraud, deceit, or misrepresentation in securing inclusion in the longshoremen's register as a checker or in the conduct of the registered activity;

(3) Violation of any of the provisions of P.L.2017, c.324 (C.32:23-229 et al.);

(4) Unlawfully possessing, possessing with intent to distribute, sale, or distribution of a controlled dangerous substance or a controlled dangerous substance analog;

(5) Inducing or otherwise aiding or abetting any person to violate the terms of P.L.2017, c.324 (C.32:23-229 et al.);

(6) Paying, giving, causing to be paid or given, or offering to pay or give to any person any valuable consideration to induce the other person to violate any provision of P.L.2017, c.324 (C.32:23-229 et al.) or to induce any public officer, agent, or employee to fail to perform the person's duty under P.L.2017, c.324 (C.32:23-229 et al.);

(7) Consorting with known criminals for an unlawful purpose;

(8) Transfer or surrender of possession to any person either temporarily or permanently of any card or other means of identification issued by the division as evidence of inclusion in the longshoremen's register without satisfactory explanation; or

(9) False impersonation of another longshoreman or of another person licensed under P.L.2017, c.324 (C.32:23-229 et al.).

f. The division shall have the right to recover possession of any card or other means of identification issued as evidence of inclusion in the longshoremen's register as a checker in the event that the holder thereof has been removed from the longshoremen's register as a checker.

g. Nothing contained in this section shall be construed to limit in any way any rights of labor reserved by section 23 of P.L.2017, c.324 (C.53:2-28).

C.53:2-17 Applications for inclusion in longshoremen's register.

12. The division shall accept applications for inclusion in the longshoremen's register upon:

a. the joint recommendation in writing of stevedores and other employers of longshoremen in the port of New York district in this State, acting through their representative for the purposes of collective bargaining with a labor organization representing the longshoremen in the district, and that labor organization; or

b. the petition in writing of a stevedore or other employer of longshoremen in the port of New York district in this State which does not have a representative for the purposes of collective bargaining with a labor organization representing those longshoremen.

C.53:2-18 Licensure for port watchmen.

13. a. A person shall not act as a port watchman within the port of New York district in this State without first having obtained a license from the division, and a person shall not employ a port watchman who is not so licensed.

b. A license to act as a port watchman shall be issued only upon written application, duly verified, which shall state the following:

(1) The full name, residence, business address, if any, place, and date of birth, and social security number of the applicant;

(2) The present and previous occupations of the applicant, including the places where the applicant was employed and the names of the applicant's employers;

(3) The citizenship of the applicant and, if the person is a naturalized citizen of the United States, the court and date of naturalization; and

(4) Any further facts and evidence as may be required by the division to ascertain the character, integrity, and identity of the applicant.

c. A port watchman license shall not be granted:

(1) Unless the division shall be satisfied that the applicant possesses good character and integrity;

(2) If the applicant has, without subsequent pardon, been convicted by a court of the United States or of any State or territory thereof of the authority of, or the attempt or conspiracy to commit, treason, murder, manslaughter or any of the offenses described in subsection g. of section 6 of P.L.2017, c.324 (C.53:2-11);

(3) Unless the applicant shall meet reasonable standards of physical and mental fitness for the discharge of a port watchman's duties as may from time to time be established by the division;

(4) If the applicant shall be a member of any labor organization which represents longshoremen or pier superintendents or hiring agents; but nothing in P.L.2017, c.324 (C.32:23-229 et al.) shall be deemed to prohibit port watchmen from being represented by a labor organization or organizations which do not also represent longshoremen or pier superintendents or hiring agents. The American Federation of Labor, the Congress of Industrial Organizations (AFL-CIO) and any other similar federation, congress, or other organization of national or international occupational or industrial labor organizations shall not be considered a labor organization which represents longshoremen or pier superintendents or hiring agents within the meaning of this section although one of the federated or constituent labor organizations thereof may represent longshoremen or pier superintendents or hiring agents;

(5) If the applicant knowingly or willfully advocates the desirability of overthrowing or destroying the government of the United States by force or violence or shall be a member of a group which advocates that desirability, knowing the purposes of the group's advocacy.

d. When the application shall have been examined and further inquiry and investigation made as the division shall deem proper and when the authority shall be satisfied therefrom

that the applicant possesses the qualifications and requirements prescribed in this section and regulations issued pursuant thereto, the division shall issue and deliver a license to the applicant. The division may issue a temporary permit to any applicant for a license under the provisions of this section pending final action on an application made for that license. Any temporary permit shall be valid for a period not in excess of 30 days.

e. A license granted pursuant to this section shall continue for a term of three years. A license may be renewed by the division for successive three-year periods upon fulfilling the same requirements established in this section for an original application.

f. Notwithstanding any provision of this section, a license to act as a port watchman shall continue indefinitely and need not be renewed, provided that the licensee shall, as required by the division:

(1) Submit to a medical examination and meet the physical and mental fitness standards may be established by the division;

(2) Complete a refresher course of training; and

(3) Submit supplementary personal history information.

g. Any license issued pursuant to this section may be revoked or suspended for a period as the division deems in the public interest or the licensee thereunder may be reprimanded for any of the following offenses:

(1) Conviction of a crime or other cause which would permit or require the holder's disqualification from receiving a license upon original application;

(2) Fraud, deceit, or misrepresentation in securing the license; and

(3) Any other offense described in subsection g. of section 6 of P.L.2017, c.324 (C.53:2-11).

h. The division shall, at regular intervals, cancel the license or temporary permit of a port watchman who has failed during the preceding 12 months to work as a port watchman in the port of New York district in this State a minimum number of hours as established by the division, except that the division shall immediately restore the license or temporary permit upon a proper showing that the failure to so work was caused by the fact that the licensee or permit holder was engaged in the military service of the United States or was incapacitated by ill health, physical injury, or other good cause.

i. Any port watchman ineligible for a license by reason pursuant to this section may petition for and the division may issue an order removing the ineligibility. A petition for an order to remove an ineligibility may be made to the division before or after the hearing required by section 14 of P.L.2017, c.324 (C.53:2-19).

C.53:2-19 Reasonable prior notice, hearing prior to denial of license, registration.

14. a. The division shall not deny any application for a license or registration without giving the applicant or prospective licensee reasonable prior notice and an opportunity to be heard at a hearing conducted by the division.

b. Any application for a license or for inclusion in the longshoremen's register, and any license issued or registration made, may be denied, revoked, cancelled, or suspended as the case may be, only in the manner prescribed in this section.

c. The division may on its own initiative or on complaint of any person, including any public official or agency, institute proceedings to revoke, cancel, or suspend any license or registration after a hearing at which the licensee or registrant and any person making a complaint shall be given an opportunity to be heard, provided that any order of the division revoking, cancelling, or suspending any license or registration shall not become effective until 15 days subsequent to the serving of notice thereof upon the licensee or registrant

unless in the opinion of the division the continuance of the license or registration for that period would be inimical to the public peace or safety. The hearing shall be held in a manner and upon notice as may be prescribed by the rules of the division, but the notice shall be of not less than 10 days and shall state the nature of the complaint.

d. Pending the determination of a hearing pursuant to this section, the division may temporarily suspend a license or registration if, in the opinion of the division, the continuance of the license or registration for that 15-day period, pursuant to subsection c. of this section, is inimical to the public peace or safety.

e. The division, or a member, officer, employee, or agent of the division as may be designated by the division for such purpose, shall have the power to issue subpoenas to compel the attendance of witnesses and the giving of testimony or production of other evidence and to administer oaths in connection with a hearing. It shall be the duty of the division or of any member, officer, employee, or agent of the division designated by the division for that purpose to issue subpoenas at the request of and upon behalf of the licensee, registrant, or applicant. The person conducting the hearing on behalf of the division shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure in conducting the hearing.

f. Upon the conclusion of the hearing, the division shall take action upon the findings and determination as the division deems proper and shall execute an order carrying its findings into effect. The action in the case of an application for a license or registration shall be the granting or denial thereof. The action in the case of a licensee shall be revocation of the license or suspension thereof for a fixed period or reprimand or a dismissal of the charges. The action in the case of a registered longshoreman shall be dismissal of the charges, reprimand, or removal from the longshoremen's register for a fixed period or permanently.

g. The action of the division, in denying any application for a license or in refusing to include any person in the longshoremen's register established pursuant to section 8 of P.L.2017, c.324 (C.53:2-13), or in suspending or revoking a license or removing any person from the longshoremen's register or in reprimanding a licensee, or registrant, shall be subject to judicial review by a proceeding instituted in this State at the instance of the applicant, licensee, or registrant in the manner provided by State law for review of the final decision or action of an administrative agency of the State; provided, however, that notwithstanding any other provision of law, the court shall have power to stay for not more than 30 days an order of the division suspending or revoking a license or removing a longshoreman from the longshoremen's register.

C.53:2-20 Hearings, right to counsel, reopening, rehearing.

15. a. At hearings conducted by the division, pursuant to section 14 of P.L.2017, c.324 (C.53:2-19), applicants, prospective licensees, licensees, and registrants shall have the right to be accompanied and represented by counsel.

b. After the conclusion of a hearing but prior to the making of an order by the division, a hearing may, upon petition and in the discretion of the hearing officer, be reopened for the presentation of additional evidence. A petition to reopen the hearing shall state in detail the nature of the additional evidence, together with the reasons for the failure to submit such evidence prior to the conclusion of the hearing. The division may upon its own motion and upon reasonable notice reopen a hearing for the presentation of additional evidence. Upon petition, after the making of an order of the division, rehearing may be granted in the discretion of the division. A petition for rehearing shall state in detail the grounds upon

which the petition is based and shall separately set forth each error of law and fact alleged to have been made by the division in its determination, together with the facts and arguments in support thereof. The petition shall be filed with the division not later than 30 days after service of the division's order, unless the division for good cause shown shall otherwise direct. The division may upon its own motion grant a rehearing after the making of an order.

C.53:2-21 Designation of division on own behalf, agent of the State.

16. a. The division is hereby designated on its own behalf or as agent of the State of New Jersey, as provided by the act of Congress of the United States, effective June 6, 1933, entitled "An act to provide for the establishment of a national employment system and for cooperation with the states in the promotion of such system and for other purposes," as amended, for the purpose of obtaining the benefits of that act of Congress as are necessary or appropriate to the establishment and operation of employment information centers authorized by this section.

b. The division shall have all powers necessary to take steps to formulate plans and to execute projects related to the establishment and operation of employment information centers, as may be necessary to obtain any benefits for the operation of employment information centers in accomplishing the purposes of P.L.2017, c.324 (C.32:23-229 et al.).

c. Any officer or agency designated by this State, pursuant to the act of June 6, 1933, as amended, is authorized and empowered, upon the request of the division and subject to its direction, to exercise the powers and duties conferred upon the division by the provisions of this section.

d. The division shall establish and maintain one or more employment information centers within the port of New York district in this State at locations as the division may determine. A person shall not, directly or indirectly, hire any person for work as a longshoreman or port watchman within the port of New York district in this State, except through an employment information center as may be prescribed by the division. A person shall not accept any employment as a longshoreman or port watchman within the port of New York district in this State, except through an employment information center. At each employment information center, the division shall keep and exhibit the longshoremen's register and any other records the division shall determine to the end that longshoremen and port watchmen shall have the maximum information as to available employment at any time within the port of New York district in this State and that employers shall have an adequate opportunity to fill their requirements of registered longshoremen and port watchmen at all times.

e. Every employer of longshoremen or port watchmen within the port of New York district in this State shall furnish information as may be required by the rules and regulations prescribed by the division with regard to the name of each person hired as a longshoreman or port watchman, the time and place of hiring, the time, place, and hours of work, and the compensation therefor.

C.53:2-22 Telecommunication hiring system.

17. a. The division may designate one of the employment information centers it is authorized to establish and maintain under section 16 of P.L.2017, c.324 (C.53:2-21) for the implementation of a telecommunications hiring system through which longshoremen and checkers may be hired and accept employment without any personal appearance at the center. The telecommunications hiring system shall incorporate hiring and seniority agreements between the employers of longshoremen and checkers and the labor organizations

representing longshoremen and checkers in the port of New York district in this State, provided the agreements are not in conflict with the provisions of P.L.2017, c.324 (C.32:23-229 et al.).

b. The division shall permit employees of the management organizations representing employers of longshoremen and checkers in the port of New York district in this State, and of the labor organizations representing longshoremen and checkers in the port of New York district in this State, or of a joint board of these management and labor organizations, to participate in the operation of the telecommunications hiring system, if these employees are registered by the division as "telecommunications system controllers," with respect to the registration of checkers. A person shall not act as a "telecommunications system controller" unless that person is registered. An application for registration and a registration made or issued may be denied, revoked, cancelled, or suspended, as the case may be, only in the manner prescribed in section 11 of P.L.2017, c.324 (C.53:2-16). Participation in the operation of the telecommunications hiring system shall be monitored by the division.

c. The records, documents, tapes, discs, and other data compiled, collected or maintained by a management organization, a labor organization, and a joint board of these management and labor organizations pertaining to the telecommunications hiring system shall be available for inspection, investigation, and duplication by the division.

C.53:2-23 Additional grounds for denial of application, registration.

18. In addition to the grounds elsewhere established in P.L.2017, c.324 (C.32:23-229 et al.), the division may deny an application for a license or registration for any of the following:

a. Conviction by a court of the United States or any State or territory thereof of coercion;

b. Conviction by a court described in subsection a. of this section, after having been previously convicted by that court of any crime or of the offenses hereinafter set forth, or any of the following offenses: assault, malicious injury to property, malicious mischief, unlawful taking of a motor vehicle, corruption of employees or possession of illegal betting number slips;

c. Fraud, deceit or misrepresentation in connection with any application or petition submitted to, or any interview, hearing or proceeding conducted by the division or commission;

d. Violation of any provision of P.L.2017, c.324 (C.32:23-229 et al.) or commission of any offense thereunder;

e. Refusal on the part of any applicant, or prospective licensee, or of any member, officer or stockholder required by section 7 of P.L.2017, c.324 (C.53:2-12) to sign or be identified in an application for a stevedore license, to answer any material question or produce any material evidence in connection with the person's application or any application made on the person's behalf for a license or registration pursuant to section 7 of P.L.2017, c.324 (C.53:2-12);

f. Association with a person who has been identified by a federal, State, or local law enforcement agency as a member or associate of an organized crime group, a terrorist group, or a career offender cartel, or who is a career offender, under circumstances where that association creates a reasonable belief that the participation of the applicant in any activity required to be licensed or registered under P.L.2017, c.324 (C.32:23-229 et al.) would be inimical to the purposes of P.L.2017, c.324 (C.32:23-229 et al.); or

g. Conviction of a racketeering activity or knowing association with a person who has been convicted of a racketeering activity by a court of the United States, or any State or territory thereof under circumstances where that association creates a reasonable belief that the participation of the applicant in any activity required to be licensed or registered under P.L.2017, c.324 (C.32:23-229 et al.) would be inimical to the purposes of P.L.2017, c.324 (C.32:23-229 et al.).

C.53:2-24 Additional grounds for revocation, suspension of license, registration.

19. In addition to the grounds elsewhere set forth in P.L.2017, c.324 (C.32:23-229 et al.), any license or registration issued or made pursuant thereto may be revoked or suspended for a period as the division deems in the public interest or the licensee or registrant may be reprimanded, for:

a. Conviction of any crime or offense in relation to illegal gambling, bookmaking, or similar crimes or offenses if the crime or offense was committed at or on a pier or other waterfront terminal or within 500 feet thereof;

b. Willful authority of, or willful attempt to commit at or on a waterfront terminal or adjacent highway, any act of physical injury to any other person or of willful damage to or misappropriation of any other person's property, unless justified or excused by law;

c. Receipt or solicitation of anything of value from any person other than a licensee's or registrant's employer as consideration for the selection or retention for employment of a licensee or registrant;

d. Coercion of a licensee or registrant by threat of discrimination or violence or economic reprisal, to make purchases from or to utilize the services of any person;

e. Refusal to answer any material question or produce any evidence lawfully required to be answered or produced at any investigation, interview, hearing, or other proceeding conducted by the division pursuant to section 14 of P.L.2017, c.324 (C.53:2-19), or, if the refusal is accompanied by a valid plea of privilege against self-incrimination, refusal to obey an order to answer the question or produce any evidence made by the division pursuant to section 14 of P.L.2017, c.324 (C.53:2-19); or

f. Association with a person who has been identified by a federal, State, or local law enforcement agency as a member or associate of an organized crime group, a terrorist group, or a career offender cartel, or who is a career offender, under circumstances where that association creates a reasonable belief that the participation of the licensee or registrant in any activity required to be licensed or registered under P.L.2017, c.324 (C.32:23-229 et al.) would be inimical to the purposes of P.L.2017, c.324 (C.32:23-229 et al.); or

g. Conviction of a racketeering activity or knowing association with a person who has been convicted of a racketeering activity by a court of the United States, or any State, or territory thereof under circumstances where that association creates a reasonable belief that the participation of the licensee or registrant in any activity required to be licensed or registered under P.L.2017, c.324 (C.32:23-229 et al.) would be inimical to the purposes of P.L.2017, c.324 (C.32:23-229 et al.).

C.53:2-25 Refusal to answer question; immunity; prosecution.

20. a. In any investigation, interview, or other proceeding conducted under oath by the division or any duly authorized officer, employee, or agent thereof, if a person refuses to answer a question or produce evidence of any other kind on the ground that the person may be incriminated thereby, and notwithstanding the refusal, an order is made upon 24 hours' prior written notice to the Attorney General of the State of New Jersey, and to the

appropriate district attorney or prosecutor having an official interest therein, by the Superintendent of the division or the superintendent's designee, that the person answer the question or produce the evidence, the person shall comply with the order. If the person complies with the order, and if, but for this section, would have been privileged to withhold the answer given or the evidence produced by the person, then immunity shall be conferred upon the person, as provided for herein. Immunity shall not be conferred upon any person except in accordance with the provisions of this section. If, after compliance with the provisions of this section, a person is ordered to answer a question or produce evidence of any other kind and complies with the order, and it is thereafter determined that the Attorney General or appropriate district attorney or prosecutor having an official interest therein was not notified, that failure or neglect shall not deprive that person of any immunity otherwise properly conferred upon the person. But the person may nevertheless be prosecuted or subjected to penalty or forfeiture for any perjury or contempt committed in answering, or failing to answer, or in producing or failing to produce evidence, in accordance with the order, and any answer given or evidence produced shall be admissible against the person upon any criminal proceeding concerning such perjury or contempt.

b. If a person, in obedience to a subpoena directing the person to attend and testify, is in this State or comes into this State from the State of New York, the person shall not, while in this State pursuant to such subpoena, be subject to arrest or the service of process, civil or criminal, in connection with matters which arose before the person's entrance into this State under the subpoena.

C.53:2-26 Temporary suspension.

21. a. The division may temporarily suspend a temporary permit or a permanent license or a temporary or permanent registration issued pursuant to the provisions of P.L.2017, c.324 (C.32:23-229 et al.) until further order of the division or final disposition of the underlying case, only where the permittee, licensee, or registrant has been indicted for, or otherwise charged with, a crime which is equivalent to a crime of the third, second, or first degree in this State or only where the permittee or licensee is a port watchman who is charged by the division pursuant to section 13 of P.L.2017, c.324 (C.53:2-18) with misappropriating any other person's property at or on a pier or other waterfront terminal.

b. In the case of a permittee, licensee, or registrant who has been indicted for, or otherwise charged with, a crime, the temporary suspension shall terminate immediately upon acquittal or upon dismissal of the criminal charge. A person whose permit, license, or registration has been temporarily suspended may, at any time, demand that the division conduct a hearing as provided for in section 14 of P.L.2017, c.324 (C.53:2-19). Within 60 days of the demand, the division shall commence the hearing and, within 30 days of receipt of the administrative law judge's report and recommendation, the division shall render a final determination thereon; provided, however, that these time requirements, shall not apply for any period of delay caused or requested by the permittee, licensee, or registrant. Upon failure of the division to commence a hearing or render a determination within the time limits prescribed herein, the temporary suspension of the permittee, licensee, or registrant shall immediately terminate. Notwithstanding any other provision of this subsection, if a federal, State, or local law enforcement agency or prosecutor's office shall request the suspension or deferment of any hearing on the ground that the hearing would obstruct or prejudice an investigation or prosecution, the division may in its discretion, postpone or defer the hearing for a time certain or indefinitely. Any action by the division to postpone a hearing shall be subject to immediate judicial review as provided in subsection b. of this section.

c. The division may, within its discretion, bar any permittee, licensee, or registrant who has been suspended pursuant to the provisions of subsection a. of this section, from any employment by a licensed stevedore or a carrier of freight by water, if that individual has been indicted or otherwise charged in any federal, State, or territorial proceeding with any crime involving the possession with intent to distribute, sale, or distribution of a controlled dangerous substance or controlled dangerous substance analog, racketeering, or theft from a pier or waterfront terminal.

C.53:2-27 Division authorized to co-operate with commission, other public entity.

22. The division is authorized to co-operate with the commission, a similar authority, or other public entity of the State of New York, to exchange information on any matter pertinent to the purposes of P.L.2017, c.324 (C.32:23-229 et al.), and to enter into reciprocal agreements for the accomplishment of those purposes, including, but not limited to, the following objectives:

a. To provide for the reciprocal recognition of any license issued or registration made by the commission;

b. To give reciprocal effect to any revocation, suspension, or reprimand with respect to any licensee, and any reprimand or removal from a longshoremen's register;

c. To provide that any act or omission by a licensee or registrant in either State which would be a basis for disciplinary action against the licensee or registrant if it occurred in the state in which the license was issued or the person registered shall be the basis for disciplinary action in either state; and

d. To provide that longshoremen registered in either state, who perform work or who apply for work at an employment information center within the other State shall be deemed to have performed work or to have applied for work in the State in which they are registered.

C.53:2-28 Construction of act.

23. a. The provisions of P.L.2017, c.324 (C.32:23-229 et al.) are not designed and shall not be construed to limit in any way any rights granted or derived from any other statute or any rule of law for employees to organize in labor organizations, to bargain collectively and to act in any other way individually, collectively, and through labor organizations or other representatives of their own choosing. Without limiting the generality of the foregoing, nothing contained in P.L.2017, c.324 (C.32:23-229 et al.) shall be construed to limit in any way the right of employees to strike.

b. The provisions of P.L.2017, c.324 (C.32:23-229 et al.) are not designed and shall not be construed to limit in any way any rights of longshoremen, hiring agents, pier superintendents, or port watchmen or their employers to bargain collectively and agree upon any method for the selection of those employees by way of seniority, experience, regular gangs, or otherwise; provided, that those employees shall be licensed or registered hereunder and longshoremen and port watchmen shall be hired only through the employment information centers established hereunder and that all other provisions of P.L.2017, c.324 (C.32:23-229 et al.) be observed.

C.53:2-29 Transfer of officers, employees.

24. a. Any officer or employee in the State, county, or municipal civil service in either State who shall transfer to service with the division may be given one or more leaves of absence without pay and may, before the expiration of the leave or leaves of absence, and without further examination or qualification, return to the person's former position or be

certified by the appropriate civil service agency for retransfer to a comparable position in the State, county, or municipal civil service if a comparable position is then available.

b. The division may, by agreement with any federal agency from which any officer or employee may transfer to service with the division to undertake any of the duties or responsibilities established pursuant to P.L.2017, c.324 (C.32:23-229 et al.), make similar provision for the retransfer of the officer or employee to that federal agency.

c. Notwithstanding the provisions of any other law, rule, or regulation, any officer or employee in the State, county, or municipal service in either State who shall transfer to service with the division and who is a member of any existing State, county, or municipal pension or retirement system in New Jersey or New York, shall continue to have all rights, privileges, obligations, and status with respect to that fund, system, or systems as if the person had continued in State, county, or municipal office or employment, but during the period of service as a member, officer, or employee of the division, all contributions to any pension or retirement fund or system to be paid by the employer on account of the member, officer, or employee, shall be paid by the State Treasurer. The division may, by agreement with the appropriate federal agency, make similar provisions relating to continuance of retirement system membership for any federal officer or employee so transferred.

C.53:2-30 Annual adoption of budget.

25. a. The division shall annually adopt a budget of its expenses for each year for the purposes of its duties and responsibilities under P.L.2017, c.324 (C.32:23-229 et al.). Each budget shall be submitted to the Governor and the budget shall be adjusted accordingly.

b. After taking into account funds as may be available to the division from reserves, federal grants or otherwise, the balance of the division's budgeted expenses for the performance of its functions and duties under P.L.2017, c.324 (C.32:23-229 et al.) shall be assessed upon employers of persons registered or licensed pursuant to P.L.2017, c.324 (C.32:23-229 et al.). Each employer shall pay to the State Treasurer, for placement within the General Fund, an assessment computed upon the gross payroll payments made by that employer to longshoremen, pier superintendents, hiring agents, and port watchmen for work or labor performed within the port of New York district in this State, at a rate, not in excess of two percent, computed by the division in the following manner: the division shall annually estimate the gross payroll payments to be made by employers subject to assessment and shall compute a rate thereon which will yield revenues sufficient to finance the division's budget for the performance of those functions and duties under P.L.2017, c.324 (C.32:23-229 et al.) for each year. That budget may include a reasonable amount for a reserve, but the amount shall not exceed 10 percent of the total of all other items of expenditure contained therein. The reserve shall be used for the stabilization of annual assessments, the payment of operating deficits, and for the repayment of advances made by the State, if any.

c. The amount required to balance the division's budgeted expenses for the performance of its functions and duties under P.L.2017, c.324 (C.32:23-229 et al.), in excess of the estimated yield of the maximum assessment, shall be certified by the division, with the approval of the Governor, in proportion to the gross annual wage payments made to longshoremen for work within the port of New York district in this State. The Legislature shall annually appropriate to the division the amount so certified.

d. The division may provide by regulation for the collection and auditing of assessments. In addition to any other sanction provided by law, the division may revoke or suspend any license held by any person under P.L.2017, c.324 (C.32:23-229 et al.), or the

person's privilege of employing persons registered or licensed hereunder, for non-payment of any assessment when due.

e. The assessment hereunder shall be in lieu of any other charge for the issuance of licenses to stevedores, pier superintendents, hiring agents, and port watchmen or for the registration of longshoremen or use of an employment information center. The division shall establish reasonable procedures for the consideration of protests by affected employees concerning the estimates and computation of the rate of assessment.

C.53:2-31 Payment of assessment.

26. a. (1) Every person subject to the payment of any assessment under the provisions of section 25 of P.L.2017, c.324 (C.53:2-30) shall file on or before the 15th day of the first month of each calendar quarter-year a separate return, together with the payment of the assessment due, for the preceding calendar quarter-year during which any payroll payments were made to longshoremen, pier superintendents, hiring agents, or port watchmen for work performed by those employees within the port of New York district in this State. Returns covering the amount of assessment payable shall be filed with the division on forms to be furnished for that purpose and shall contain data, information, or matter as the division may require to be included therein. The division may grant a reasonable extension of time for filing returns, or for the payment of assessment, whenever good cause exists. Every return shall have annexed thereto a certification to the effect that the statements contained therein are true.

(2) Every person subject to the payment of assessment hereunder shall keep an accurate record of that person's employment of longshoremen, pier superintendents, hiring agents, or port watchmen, which shall show the amount of compensation paid and other information as the division may require. Those records shall be preserved for a period of three years and be open for inspection at reasonable times. The division may consent to the destruction of the records at any time after that period or may require that they be kept longer, but not in excess of six years.

(3) (a) The division shall audit and determine the amount of assessment due from the return filed and such other information as is available to it. Whenever a deficiency in payment of the assessment is determined, the division shall give notice of the determination to the person liable therefor. The determination shall finally and conclusively fix the amount due, unless the person against whom the assessment is assessed shall, within 30 days after the giving of notice of the determination, apply in writing to the division for a hearing, or unless the division on its own motion shall reduce the assessment. After the hearing, the division shall give notice of its decision to the person liable therefor. A determination of the division under this section shall be subject to judicial review, if application for that review is made within 30 days after the giving of notice of the decision. Any determination under this section shall be made within five years from the time the return was filed and if no return was filed, the determination may be made at any time.

(b) Any notice authorized or required under this section may be given by mailing the notice to the person for whom it is intended at the last address that the person shall have given to the division, or in the last return filed with the division under this section, or, if a return has not been filed, then to an address as may be obtainable. The mailing of the notice shall be presumptive evidence of the receipt of it by the person to whom the notice is addressed. Any period of time, which is determined for the giving of notice shall commence to run from the date of mailing of the notice.

(4) Whenever any person shall fail to pay, within the time limited herein, any assessment which the person is required to pay to the division under the provisions of this section, the division may enforce payment of the assessment by civil action for the amount of the assessment with interest and penalties.

(5) The employment by a nonresident of a longshoreman, or a licensed pier superintendent, hiring agent, or port watchman in this State or the designation by a nonresident of a longshoreman, pier superintendent, hiring agent, or port watchman to perform work in this State shall be deemed equivalent to an appointment by the nonresident of the Secretary of State to be the nonresident's true and lawful attorney upon whom may be served the process in any action or proceeding against the nonresident growing out of any liability for assessments, penalties, or interest, and a consent that any process against the nonresident which is served shall be of the same legal force and validity as if served personally within the State and within the territorial jurisdiction of the court from which the process issues. Service of process within the State shall be made by either:

(a) personally delivering to and leaving with the Secretary of State duplicate copies thereof at the office of the Department of State, in which event the Secretary of State shall forthwith send by registered mail one of the copies to the person at the last address designated by the person to the division for any purpose under this section or in the last return filed by the person under this section with the division or as shown on the records of the division, or if no return has been filed, at the person's last known office address within or outside of the State; or

(b) personally delivering to and leaving with the Secretary of State a copy thereof at the office of the Department of State and by delivering a copy thereof to the person, personally outside of the State. Proof of personal service outside of the State shall be filed with the clerk of the court in which the process is pending within 30 days after that service and the service shall be deemed complete 10 days after proof thereof is filed.

(6) Whenever the division shall determine that any monies received as assessments were paid in error, it may cause the same to be refunded, provided an application therefor is filed with the division within two years from the time the erroneous payment was made.

(7) In addition to any other powers authorized hereunder, the division shall have power to make reasonable rules and regulations, pursuant to the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this section.

(8) Any person who shall willfully fail to pay any assessment due hereunder shall be assessed interest at a rate of one percent per month on the amount due and unpaid and penalties of five percent of the amount due for each 30 days or part thereof that the assessment remains unpaid. The division may, for good cause shown, abate all or part of that penalty.

(9) Any person who shall willfully furnish false or fraudulent information or shall willfully fail to furnish pertinent information, as required, with respect to the amount of assessment due, shall be guilty of a disorderly persons offense.

(10) All funds of the division received as payment of any assessment or penalty under this section shall be deposited with the State Treasurer. The State Treasurer may require that all deposits be secured by obligations of the United States or of the State of New Jersey of a market value equal at all times to the amount of the deposits, and all banks and trust companies are authorized to give security for the deposits.

(11) The accounts, books, and records of the division related to the purposes established pursuant to P.L.2017, c.324 (C.32:23-229 et al.), including its receipts, disbursements,

contracts, leases, investments, and any other matters relating to its financial standing shall be examined and audited annually by independent auditors to be retained for such purpose by the division.

b. The division shall reimburse the State Treasurer for any funds advanced to the division exclusive of sums appropriated pursuant to section 25 of P.L.2017, c.324 (C.53:2-30).

C.53:2-32 Unlawful actions.

27. It shall be unlawful for any person to load or unload waterborne freight onto or from vehicles other than railroad cars at piers or at other waterfront terminals within the port of New York district, for a fee or other compensation, other than the following persons and their employees:

- a. Carriers of freight by water, but only at piers at which their vessels are berthed;
- b. Other carriers of freight, including but not limited to, railroads and truckers, but only in connection with freight transported or to be transported by those other carriers;
- c. Operators of piers or other waterfront terminals, including railroads, truck terminal operators, warehousemen and other persons, but only at piers or other waterfront terminals operated by them;
- d. Shippers or consignees of freight, but only in connection with freight shipped by the shipper or consigned to the consignee; and
- e. Stevedores licensed under section 7 of P.L.2017, c.324 (C.53:2-12), whether or not waterborne freight has been or is to be transported by a carrier of freight by water with which the stevedore shall have a contract of the type prescribed by paragraph (4) of subsection e. of this section.

Nothing herein contained shall be deemed to permit any loading or unloading of any waterborne freight at any place by any person by means of any independent contractor, or any other agent other than an employee, unless the independent contractor is a person permitted by section 7 of P.L.2017, c.324 (C.53:2-12) to load or unload freight at a place in the person's own right.

C.53:2-33 Certain solicitations prohibited.

28. a. Ch.307, s.10), and the commission, are dissolved.

32. R.S.52:14-7 is amended to read as follows:

Residency requirements for State officers, employees; exceptions.

52:14-7. a. Every person holding an office, employment, or position

(1) in the Executive, Legislative, or Judicial Branch of this State, or

(2) with an authority, board, body, agency, commission, or instrumentality of the State including any State college, university, or other higher educational institution, and, to the extent consistent with law, any interstate agency to which New Jersey is a party, or

(3) with a county, municipality, or other political subdivision of the State or an authority, board, body, agency, district, commission, or instrumentality of the county, municipality, or subdivision, or

(4) with a school district or an authority, board, body, agency, commission, or instrumentality of the district,

shall have his or her principal residence in this State and shall execute such office, employment, or position.

This residency requirement shall not apply to any person: (a) who is employed on a temporary or per-semester basis as a visiting professor, teacher, lecturer, or researcher by any State college, university, or other higher educational institution, or county or community college, or in a full or part-time position as a member of the faculty, the research staff, or the administrative staff by any State college, university, or other higher educational institution, or county or community college, that the college, university, or institution has included in the report required to be filed pursuant to this subsection; (b) who is employed full-time by the State who serves in an office, employment, or position that requires the person to spend the majority of the person's working hours in a location outside of this State; or (c) an officer of the waterfront commission of New York harbor, employed by the commission on the effective date of P.L.2017, c.324 (C.32:23-229 et al.), who seeks to be transferred to the Division of State Police in the Department of Law and Public Safety pursuant to section 4 of P.L.2017, c.324 (C.53:2-9).

For the purposes of this subsection, a person may have at most one principal residence, and the state of a person's principal residence means the state (1) where the person spends the majority of the person's nonworking time, and (2) which is most clearly the center of the person's domestic life, and (3) which is designated as the person's legal address and legal residence for voting. The fact that a person is domiciled in this State shall not by itself satisfy the requirement of principal residency hereunder.

A person, regardless of the office, employment, or position, who holds an office, employment, or position in this State on the effective date of P.L.2011, c.70 but does not have principal residence in this State on that effective date shall not be subject to the residency requirement of this subsection while the person continues to hold office, employment, or position without a break in public service of greater than seven days.

Any person may request an exemption from the provisions of this subsection on the basis of critical need or hardship from a five-member committee hereby established to consider applications for exemptions. The committee shall be composed of three persons appointed by the Governor, a person appointed by the Speaker of the General Assembly, and a person appointed by the President of the Senate, each of whom shall serve at the pleasure of the person making the appointment and shall have a term not to exceed five years. A vacancy on the committee shall be filled in the same manner as the original appointment was made. The Governor shall make provision to provide such clerical, secretarial, and administrative support to the committee as may be necessary for it to conduct its responsibilities pursuant to this subsection.

The decision on whether to approve an application from any person shall be made by a majority vote of the members of the committee, and those voting in the affirmative shall so sign the approved application. If the committee fails to act on an application within 30 days after the receipt thereof, no exemption shall be granted and the residency requirement of this subsection shall be operative. The head of a principal department of the Executive Branch of the State government, a Justice of the Supreme Court, judge of the Superior Court, and judge of any inferior court established under the laws of this State shall not be eligible to request from the committee an exemption from the provisions of this subsection.

The exemption provided in this subsection for certain persons employed by a State college, university, or other higher educational institution, or a county or community college, other than those employed on a temporary or per-semester basis as a visiting professor, teacher, lecturer, or researcher, shall apply only to those persons holding positions that the college, university, or institution has included in a report of those full or part-time positions as a member of the faculty, the research staff, or the administrative staff requiring special expertise or extraordinary qualifications in an academic, scientific, technical, professional, or medical field or in administration, that, if not exempt from the residency requirement, would seriously impede the ability of the college, university, or institution to compete successfully with similar colleges, universities, or institutions in other states. The report shall be compiled annually and shall also contain the reasons why the positions were selected for inclusion in the report. The report shall be compiled and filed within 60 days following the effective date of P.L.2011, c.70. The report shall be reviewed, revised as necessary, and filed by January 1 of each year thereafter. Each report shall be filed with the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), with the Legislature, and a report may be revised at any time by filing an amendment to the report with the Governor and Legislature.

As used in this section, "school district" means any local or regional school district established pursuant to chapter 8 or chapter 13 of Title 18A of the New Jersey Statutes and any jointure commission, county vocational school, county special services district, educational services commission, educational research and demonstration center, environmental education center, and educational information and resource center.

b. If any person holding any office, employment, or other position in this State shall attempt to let, farm out, or transfer office, employment, or position or any part thereof to any person, the person shall forfeit the sum of \$1,500, to be recovered with costs by any person who shall sue for the same, one-half to the prosecutor and the other half to the State Treasurer for the use of the State.

c. No person shall be appointed to or hold any position in this State who has not the requisite qualifications for personally performing the duties of such position in cases where scientific engineering skill is necessary to the performance of the duties thereof.

d. Any person holding or attempting to hold an office, employment, or position in violation of this section shall be considered as illegally holding or attempting to hold the same; provided that a person holding an office, employment, or position in this State shall have one year from the time of taking the office, employment, or position to satisfy the requirement of principal residency, and if thereafter the person fails to satisfy the requirement of principal residency as defined herein with respect to any 365-day period, that person shall be deemed unqualified for holding the office, employment, or position. The Superior Court shall, in a civil action in lieu of prerogative writ, give judgment of ouster against the person, upon the complaint of any officer or citizen of the State, provided that any complaint shall be brought within one year of the alleged 365-day period of failure to have the person's principal residence in this State.
