C.18A:33-21 Provision of school meals.

1. a. In the event that a school district determines that a student's school breakfast or school lunch bill is in arrears, the district shall contact the student's parent or guardian to provide notice of the arrearage and shall provide the parent or guardian with a period of 10 school days to pay the amount due. If the student's parent or guardian has not made full payment by the end of the 10 school days, then the district shall again contact the student's parent or guardian to provide notice of any action to be taken by the school district in response to a student’s school breakfast or school lunch bill being in arrears.

A school district shall report at least biannually to the Department of Agriculture the number of students who are denied school breakfast or school lunch pursuant to this section.

Nothing in this section shall be construed to require a school district to deny or restrict access to school breakfast or school lunch to a student whose school breakfast or school lunch bill is in arrears.

b. A school district shall not:

(1) publicly identify or stigmatize a student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears, for example, by requiring that the student sit at a separate table or wear a wristband, hand stamp, or identifying mark or by serving the student an alternative meal;

(2) require a student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears to do chores or other work to pay for the school breakfast or school lunch; or

(3) require a student to discard a school breakfast or school lunch after it has been served because of the student’s inability to pay for a school breakfast or a school lunch or because money is owed for previously provided meals.

c. If a student owes money for the equivalent of five or more school meals, a school district shall:

(1) determine if the student is eligible for a free or reduced price school meal;

(2) make at least two attempts, not including the application or instructions provided to the parent or guardian pursuant to section 3 of P.L.2020, c.29 (C.18A:33-21b), to contact the student's parent or guardian and have the parent or guardian fill out an application for the school lunch program and school breakfast program; and

d. A school district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent or guardian and not the student. Nothing in this subsection shall prohibit a school district from sending a student home with a letter addressed to a parent or guardian.
