BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. R.S.19:8-6 is amended to read as follows:

Proper equipment and voting instructions.

19:8-6. The county boards in counties of the first class and the municipal clerks in counties other than counties of the first class shall purchase or lease and furnish the proper equipment of polling places, to enable the district boards to carry out the duties imposed upon them by this title. The equipment shall consist of tables, chairs, lights, booths and all other things necessary for the performance of such duties, and shall be ready for use by the district boards in ample time to enable them to perform their duties. Also to be included, for conspicuous display at each polling place on the days of any election during each year, shall be the voting and registration instructions provided by the county board of elections, the voting by mail information posters provided by the Secretary of State, and mail-in ballot application forms.

The Secretary of State shall prepare a voting by mail informational poster for use at all polling places in the State that illustrates and promotes the use of voting by mail, including the description of the vote-by-mail process, and shall distribute the required number of copies, or replacement copies as needed, to the county boards.

The clerks of the several municipalities shall keep in repair, store and deliver the polling booths, ballot boxes and other equipment in time for use by the district boards at the cost and expense of the municipality.

In case of any election to be held in and for a municipality only, the duties imposed upon the county boards in counties of the first class regarding the equipment of polling places shall devolve upon the clerk of the municipality wherein the election is to be held. Any equipment in possession of the county board may be used in a municipal election upon requisition.

2. Section 1 of P.L.2005, c.149 (C.19:12-7.1) is amended to read as follows:

C.19:12-7.1 Posting of voter information notice by county board of elections; content and form.

1. a. A county board of elections shall have posted a voter information notice, which shall be referred to as a voter's bill of rights, in a conspicuous location in each polling place before the opening of the polls on the day of any election.

The notice shall contain:

- the date of the election and the hours during which polling places will be open;

an explanation of the right of the voter to vote in privacy, regardless of the voter's physical abilities;

an explanation of the right of the voter to a provisional ballot, including in the event that a mail-in ballot has been applied for and not received or not transmitted to the county board of elections before the day of any election, and the other circumstances under which a voter has a right to a provisional ballot;

an explanation of the right of the voter to receive a replacement ballot for a ballot that has been spoiled, destroyed, lost or never received;

an explanation of the right of the voter to ask for and receive assistance in voting;

an explanation of the right of the voter to take a reasonable amount of time in casting a vote on a voting machine;

an explanation of the right of the voter to bring written material into the polling place for the voter's personal use in casting a vote;

an explanation of the right of the voter that if their ballot was rejected, a notice will be issued to the voter within 24 hours after a decision is made to reject the ballot. The voter will have up to 48 hours prior to the date for the final certification of the results of the election to provide a cure for their ballot;

an explanation giving the options for the voter to provide the cure to their rejected ballot;

an explanation that no voters shall be intimidated or otherwise unduly influenced by political insignia while voting. No person shall wear, display, sell, give or provide any political or campaign slogan, badge, button or other insignia associated with any political party or candidate to be worn at or within one hundred feet of the polls or within the polling place or room, on any primary, general or special election day or on any commission government election day, except the badge furnished by the county board as provided by law. This includes any political gear representing the campaign slogans, logos, or depictions or representations of any political party or candidate such as merchandise sold directly from a political party, campaign, candidate, or by third parties and vendors representing any political party or campaign or candidate. A person violating any of these provisions is guilty of a disorderly persons offense and will not be permitted on the premises and can only return to vote after the removal of prohibited political insignia; and

such other statement, instruction or explanation the Secretary of State may deem appropriate to ensure the full and knowledgeable participation of the voter in the process.

The requirement to post this notice in each polling place shall not replace, supersede or void any other requirement set forth in law for the posting of information in each polling place apart from the voter information notice. The poster promoting the use of voting by mail prepared and distributed by the Secretary of State pursuant to R.S.19:8-6 shall be displayed next to or as close as may be possible to the voter information notice.

b. The Secretary of State shall prescribe the form and specific content of the voter information notice, which may be comprised of more than one page. If the notice is comprised of more than one page, each page shall be posted separately. For an election district in which the primary language of 10 percent or more of the registered voters is a language other than English, the Secretary of State shall prescribe an official version of the voter information notice in that other language or languages for use in that election district. The notice shall be posted in English and in the other language or languages in the polling places in each such district. The alternate language shall be determined based on information from the latest federal decennial census.

c. A county board of elections may modify or supplement the voter information notice used in a county or municipality to provide additional information specific to that county or a municipality in that county, provided, however, that any such modification or supplementation shall be submitted to the Secretary of State for prior approval.

d. The voter information notice shall be printed on each sample ballot, to the extent practicable, or if not practicable, information on how to view or obtain a copy of the voter information notice shall be printed on each sample ballot.

e. The voter information notice, including one modified or supplemented pursuant to subsection c. of this section, shall be made accessible on the official Internet site of the State by the Secretary of State and each county board of elections shall ensure that the official Internet site of the county contains a link to that notice.

f. (Deleted by amendment, P.L.2020, c.70)

g. The State shall be liable for the costs incurred by local government entities for compliance with this section, and they shall be reimbursed for those costs, upon application, by the State Treasurer.

After the authentication of the signature on the application, the county clerk or

the designee thereof is authorized to deliver to the authorized messenger a ballot to be delivered to the qualified voter.

b. The Secretary of State shall cause to be prepared a standard authorized messenger application form, which may be included with the mail-in ballot application forms. (2) The Secretary of State shall undertake a program to inform voters in this State about their eligibility to vote by mail pursuant to this act. Dissemination of this information shall be included in the standard notices required by this section and other provisions of current law, including but not limited to the notice requirements of R.S.19:12-7, and shall be effectuated by such means as the secretary deems appropriate and to the extent that funds for such dissemination are appropriated including, but not limited to, by means of Statewide or local electronic media, public service announcements broadcast by such media, notices on the Internet site of the Department of State or any other department or agency of the Executive Branch of State government or its political subdivisions deemed appropriate by the secretary, and special mailings or notices in newspapers or other publications circulating in the counties or municipalities of this State.

C.19:63-8 Verification of voter's signature for issuance of mail-in ballot; actions upon disapproval.

8. Upon receipt of a request for a mail-in ballot, the county clerk shall, with the cooperation of the commissioner of registration, cause the signature of the applicant to be compared with the signature of the person appearing on the permanent registration form, or the digitalized image of the voter's signature stored in the Statewide voter registration system, to determine from such examination, and any other available information, if the applicant is a voter qualified to cast a ballot in the election in which the voter wants to vote, and determine in case of a primary election the political party primary in which the voter is entitled to vote. The commissioner of registration, or the superintendent of elections in counties having a superintendent of elections may, at the request of the county clerk, investigate any application or request for a mail-in ballot.

If, after such examination, the county clerk is satisfied that the applicant is entitled to a ballot, the clerk shall mark on the application "Approved." If, after such examination the county clerk determines that the applicant is not entitled to a ballot, the clerk shall mark on the application "Disapproved" and shall so notify the applicant, stating the reason therefor, as required by section 5 of P.L.2004, c.88 (C.19:61-5). Starting on or before the 45th day before the day an election is held, each county clerk shall forward mail-in ballots by first-class postage or hand delivery to each mail-in voter whose request therefor has been approved. Mail-in ballots that have been approved before the 45th day before an election shall be forwarded or delivered at least 45 days before the day of the election. Hand delivery of a mail-in ballot shall be made by the county clerk or the clerk's designee only to the voter, or the voter's authorized messenger, who must appear in person. No person shall serve as an authorized messenger for more than three qualified voters in an election, but a person may serve as such for up to five qualified voters in an election if those voters are immediate family members residing in the same household as the messenger. Ballots that have not been hand delivered shall be addressed to the voter at the forwarding address given in the application.

12. Each county clerk shall send, with each mail-in ballot, printed directions for the preparation and transmitting of the ballots as required by this act. The directions shall be printed in such manner and form as the Secretary of State shall require, together with two envelopes of such sizes that one will contain the other. The directions prepared by the Secretary of State shall inform the voter that the status of the voter's mail-in ballot may be checked using the free-access system provided in section 5 of P.L.2004, c.88 (C.19:61-5).

The outer envelope shall be addressed to the county board of elections of the county in which is located the home address of the person to whom the mail-in ballot is sent, as certified by the county clerk. At the discretion of the county clerk, the outer envelope may be a postage paid return envelope. On the outside and front of each outer envelope, there shall be printed or stamped the following:

To protect your vote:

IT IS AGAINST THE LAW FOR ANYONE EXCEPT YOU THE VOTER TO MAIL OR TRANSPORT THIS BALLOT UNLESS THE ENVELOPE IS SEALED AND THE FOLLOWING IS COMPLETED:

Ballot mailed or transported by

(signature of bearer)

(print name of bearer)

- 3) Place the envelope into the larger envelope addressed to the board of elections and seal that envelope.

4) If another person will be mailing your ballot or bringing it to the board of elections, **MAKE CERTAIN THAT PERSON COMPLETES THE "BEARER PORTION" ON THE ENVELOPE ADDRESSED TO THE BOARD OF ELECTIONS BEFORE THE BALLOT IS TAKEN FROM YOU. NO PERSON WHO IS A CANDIDATE IN THE ELECTION FOR WHICH THE VOTER REQUESTS THIS BALLOT IS PERMITTED TO SERVE AS A BEARER. NO PERSON IS PERMITTED TO SERVE AS A BEARER FOR MORE THAN**

THREE QUALIFIED VOTERS IN AN ELECTION, BUT A PERSON MAY SERVE AS SUCH FOR UP TO FIVE QUALIFIED VOTERS IN AN ELECTION IF THOSE VOTERS ARE IMMEDIATE FAMILY MEMBERS RESIDING IN THE SAME HOUSEHOLD AS THE BEARER.

The Secretary of State is authorized to make such changes to the instructions for mail-in ballot materials as the Secretary of State deems necessary or as is mandated by federal or State law.

The inner envelope shall be so designed that it can be sealed after the mail-in ballot has been placed therein and the flap thereof shall be of such length and size as to leave sufficient margin, after sealing, for the printing thereon of the certificate hereinafter described. The flap shall be so arranged that, after the inner envelope has been sealed, the certificate can be contained, with the inner envelope, in the outer envelope, and that the margin containing the certificate can be detached without unsealing the inner envelope.

On the outside of each envelope in which a mail-in ballot is sent to a mail-in voter by the clerk, there shall be printed or stamped the words "Official Mail-In Ballot." In addition, there shall be printed or stamped the following:

However, a family member may assist you in doing so.

The reverse side of each inner envelope shall contain the following statement:

A PERSON MAY BE FINED AND IMPRISONED AND MAY ALSO LOSE THE RIGHT TO VOTE UNTIL RESTORED BY LAW if that person attempts to vote fraudulently by mail-in ballot, prevents the voting of a legal voter, certifies falsely any information, interferes with a person's secrecy of voting, tampers with ballots or election documents or helps another person to do so.

11. Section 16 of P.L.2009, c.79 (C.19:63-16) is amended to read as follows:

C.19:63-16 Marking, delivery of mail-in ballot.

16. a. A mail-in voter shall be entitled to mark any mail-in ballot forwarded to the voter for voting at any election by indicating the voter's choice of candidates for the offices named, and as to public questions, if any, stated thereon, in accordance with current law. In the case of ballots to be voted for any primary election for the general election, as the case may be, the voter's choice shall be limited to the candidates of the voter's political party or to any person or persons whose names are written thereon by the voter. When so marked, such ballot shall be placed in the inner envelope, which shall then be sealed, and the voter shall then fill in the form of certificate attached to the inner envelope, at the end of which the voter shall sign and print the voter's name. The inner envelope with the certificate shall then be placed in the outer envelope, which shall then be sealed.

b. No mail-in voter shall permit any person in any way, except as provided by this act, to unseal, mark or inspect the voter's ballot, interfere with the secrecy of the voter's vote, complete or sign the certificate, or seal the inner or outer envelope, nor shall any person do so.

c. A mail-in voter shall be entitled to assistance from a family member in performing any of the actions provided for in this section. The family member or other person providing

such assistance shall certify that he or she assisted the voter and will maintain the secrecy of the vote by both printing and signing his or her name in the space provided on the certificate. In no event may a candidate for election provide such assistance, nor may any person, at the time of providing such assistance, campaign or electioneer on behalf of any candidate.

d. (1) The sealed outer envelope with the inner envelope and the ballot enclosed therein shall then either be mailed to the county board of elections to which it is addressed or delivered personally by the voter or a bearer designated by the voter to the board. To be counted, the ballot must be received by the board or its designee before the time designated by R.S.19:15-2 or R.S.19:23-40 for the closing of the polls, as may be appropriate, on the day of an election.

(2) Whenever a person delivers a ballot to the county board, that person shall provide proof of the person's identity in the form of a New Jersey driver's license, or another form of identification issued or recognized as official by the federal government, the State, or any of its subdivisions, providing the identification carries the full address and signature of the person. The person shall sign a record maintained by the county of all mail-in ballots personally delivered to it.

(3) No person shall serve as an authorized messenger or as a bearer for more than three qualified voters in an election, but a person may serve as such for up to five qualified voters in an election if those voters are immediate family members residing in the same household as the messenger or bearer. No person who is a candidate in the election for which the voter requests a mail-in ballot shall be permitted to serve as an authorized messenger or bearer. The bearer, by signing the certification provided for in section 12 of P.L.2009, c.79 (C.19:63-12), certifies that he or she received a mail-in ballot directly from the voter, and no other person, and is authorized to deliver the ballot to the appropriate board of election or designee on behalf of the voter.

12. Section 17 of P.L.2009, c.79 (C.19:63-17) is amended to read as follows:

C.19:63-17 Actions of county board of elections relative to mail-in ballot.

17. a. The county board of elections shall, promptly after receiving each mail-in ballot, remove the inner envelope containing the ballot from the outer envelope and shall compare the signature and the information contained on the flap of the inner envelope with the signature and information contained in the respective requests for mail-in ballots and the signature and information contained in the Statewide voter registration system. In addition, as to mail-in ballots issued less than seven days prior to an election, the county board of elections shall also check to establish that the mail-in voter did not vote in person. The county board shall reject such a ballot if it is not satisfied, pursuant to a comparison with the Statewide voter registration system, that the voter is legally entitled to vote and that the ballot conforms with the requirements of this act. The county board of elections shall conduct the determination of qualification of each voter in accordance with the requirements of the Certificate of Mail-in Voter pursuant to section 13 of P.L.2009, c.79 (C.19:63-13).

In the case of a mail-in ballot to be voted at a primary election for the general election, the ballot shall be rejected if the mail-in voter has indicated in the certificate the voter's intention to vote in a primary election of any political party in which the voter is not entitled to vote according to the Statewide voter registration system, and if it shall appear from the record

that the voter is not entitled to vote in a primary election of the political party which has been so indicated.

Any mail-in ballot which is received by a county board of elections shall be rejected if the inner envelope is unsealed or if either the inner or outer envelope has a seal that has been tampered with. Mail-in ballots shall not be rejected due to any defect arising out of or relating to the preparation or mailing of the ballot or envelope that was not reasonably caused by the voters, such as a torn envelope and missing or insufficient glue to allow the ballot to be sealed.

Disputes about the qualifications of a mail-in voter to vote or about whether or not or how any mail-in ballot shall be counted in such election shall be referred to the Superior Court for determination, as provided under section 4 of P.L.2020, c.70 (C.19:63-17.1).

After such investigation, the county board of elections shall detach or separate the certificate from the inner envelope containing the mail-in ballot, unless it has been rejected by it or by the Superior Court, marking the envelope so as to identify the election district in which the ballot contained therein is to be voted as indicated by the voter's home address appearing on the certificate attached to or accompanying the inner envelope and, in the case of ballots to be voted at a primary election for a general election, so as to identify the political party in the primary election of which it is to be voted.

The location at which a county board of elections determines whether a mail-in ballot shall be accepted or rejected shall be considered an election district for the purposes of appointment of challengers.

b. The county board of elections shall, promptly after receiving each mail-in ballot, undertake the following procedures and requirements concerning the acceptance or rejection of each mail-in ballot:

(1) within 24 hours after the decision has been made to reject a voter's mail-in or provisional ballot on the basis of a missing signature or discrepant signature, issue a "Cure Letter" by mail or email to the voter whose ballot was rejected, which shall inform the voter of that fact and provide the reasoning for rejection, and attempt to contact the voter by telephone, if a telephone number is available. The cure letter shall include a "Cure Form" and the form shall include the voter's name and instruct the voter on how to cure the alleged or actual deficiency. Cure forms shall not be referred to as affidavits or certifications and shall not be required to be sworn;

(2) when the alleged or actual deficiency involves the signature of the voter, instruct the voter that they may cure the deficiency by completing the cure form and returning it to the county board of elections in person, by fax, or by email, not later than 48 hours prior to the final certification of the results of the election, or by returning it to the county board of elections by mail, and that the completed cure form must be received by the county board of elections not later than 48 hours prior to the final certification of the results of the election;

(3) include, with the cure letter, when sent by mail, a pre-printed cure form and a postage-paid return envelope addressed to the county board of elections which the voter may use to return the cure form; and

(4) inform voters that they shall not be required to submit any form of hard-copy identification document or copy thereof in order to cure a signature deficiency, but may do so by declaring that they submitted their provisional ballot or mail-in ballot, and verifying their identity by either: (a) providing a valid New Jersey driver's license number or Motor Vehicle Commission non-driver identification number; or (b) if the voter does not have a valid New

Jersey driver's license number or Motor Vehicle Commission non-driver identification number, then by providing the last four digits of their Social Security Number; or (c) if the voter does not have the identification in (a) or (b), then attaching a legible copy of a New Jersey State-accepted form of identification, including either a sample ballot which lists the voter's name and address, an official federal, State, county, or municipal document which lists the voter's name and address, or a utility bill, telephone bill, or tax or rent receipt which lists the voter's name and address; and (d) signing and dating the cure form prior to returning it.

c. If a voter returns a completed cure form in a timely manner and the information provided verifies the voter's identity, pursuant to this section, their otherwise valid mail-in or provisional ballot shall be counted in the final election results irrespective of any signature deficiency previously identified and, under those circumstances, the cure form may not be verified or authenticated using signature matching.

d. In accordance with this section, variations in voter signatures caused by the substitution of initials for the first name, middle name, or both, shall not be grounds for the county board of elections to determine that the signatures are non-conforming or do not match.

e. In cases of rejected ballots, the county board of elections shall retain the voter's outer envelope, inner envelope, self-certification certificate, and mail-in ballot in a bundle unique to each voter for a period of two years in accordance with section 24 of P.L.2009, c.79 (C.19:63-24).

f. County boards of elections shall be required to meet at least once each week during the three-week period preceding each election to conduct the ballot processing and curing provisions specified in this section, and shall meet more frequently as may be required by the Secretary of State to ensure the timely processing of ballots.

The Secretary of State shall prepare educational materials regarding this section that all employed county boards of elections employees handling ballots shall read and have available for review. The materials shall provide clear information regarding the standards for acceptance and rejection of mail-in ballots and the safe-keeping of all materials in the case of rejection. The materials shall serve an educational purpose for the county board of elections and shall not replace, supersede, or void the authority of the county board or a judge of the Superior Court to accept or reject a mail-in ballot.

13. Section 22 of P.L.2009, c.22 (C.19:63-22) is amended to read as follows:

C.19:63-22 Opening of mail-in ballot.

22. On the day of each election each county board of elections shall open in the presence of the commissioner of registration, or the designee thereof, the inner envelopes that contain the mail-in ballots with the votes cast for the election. The inner envelopes containing the ballots that the board or the Superior Court has rejected shall not be so opened, but shall be retained as provided for by this act. The board shall then proceed to canvass the votes cast on the mail-in ballots, but no such ballot shall be counted in any primary election for the general election if the ballot of the political party marked for voting thereon differs from the designation of the political party in the primary election of which such ballot is intended to be voted as marked on the envelope by the county board of elections.

Every mail-in ballot that bears a postmark date before or of the day of the election and that is received by the county board within 144 hours after the time of the closing of the

polls for the election that the ballot was prepared shall be considered valid and shall be canvassed. Every mail-in ballot that does not bear a postmark date but that is received by the county board by delivery of the United States Postal Service before, or within 48 hours after, the time of the closing of the polls for the election for which the ballot was prepared shall be considered valid and shall be canvassed.

Immediately after the canvass is completed, the respective county boards of election shall certify the result of the canvass to the county clerk or the municipal or district clerk or other appropriate officer, as the case may be, showing the result of the canvass by municipality and ward. The votes thus canvassed shall be counted in determining the result of the election.

The county board of elections shall, immediately after the canvass is completed for any primary election, certify the results of the votes cast for members of the county committees to the respective municipal clerks, and those votes shall be counted in determining the result of the election.

14. This act shall take effect immediately, except that sections 6 through 11 shall take effect on February 1, 2021.

Approved August 28, 2020.
